In consideration of benefits to "subordinator" from "owner", receipt and sufficiency of which is hereby acknowledged, and to induce "lender" to advance funds under its mortgage and all agreements in connection therewith, the "subordinator" does hereby unconditionally subordinate the lien of his mortgage identified in Paragraph 1 above to the lien of "lender's" mortgage, identified in Paragraph 2 above, and all advances or charges made or accruing thereunder, including any extension or renewal thereof.

5. "Subordinator" acknowledges that, prior to the execution hereof, he has had the opportunity to examine the terms of "lender's" mortgage, note and agreements relating thereto, consents to and approves same, and recognizes that "lender" has no obligation to "subordinator" to advance any funds under its mortgage or see to the application of "lender's" mortgage funds, and any application or use of such funds for purposes other than those provided for in such mortgage, note or agreements shall not defeat the subordination herein made in whole or in part.

6. It is understood by the parties hereto that "lender" would not make the loan secured by the mortgage in Paragraph 2 without this agreement.

7. This agreement shall be the whole and only agreement between the parties hereto with regard to the subordination of the lien or charge of the mortgage first above mentioned to the lien or charge of the mortgage in favor of "lender" above referred to and shall supersede and cancel any prior agreements as to such, or any, subordination including, but not limited to, those provisions, if any, contained in the mortgage first above mentioned, which provide for the subordination of the lien or charge thereof to a mortgage or mortgages to be thereafter executed.

8. The heirs, administrators, assigns and successors in interest of the "subordinator" shall be bound by this agreement. Where the word "mortgage" appears herein it shall be considered as "deed of trust", and gender and number of pronouns considered to conform to undersigned.
