Auditor's No: 869706

Said matters include but are not limited to the following:

1. The right to make all necessary slopes for cuts and fills, and the right to continue to drain said roads over and across any lot or lots where water might take a natural course, in the original grading of the roads shown hereon. The obligation for the cost of removal of snow from, and the maintaining of all private roads within the plat, will be the responsibility of the plat owners.

If the plat owners petition the City of Mount Vernon to include the private roads herein, in the City street system, it is understood that said plat owners shall fully develop the road system to the City street standards of the City of Mount Vernon, and all construction shall be free of liens, costs and other obligations. Acceptance of the streets shall be at the exclusive option of the City of Mount Vernon.

Following original reasonable grading of roads hereon, no drainage waters on any lot or lots shall be diverted or blocked from their natural courses so as to discharge upon any public road right-of-way, or to hamper proper road drainage. Any enclosing of drainage waters in culverts or drains or rerouting thereof across any lot, as may be undertaken by or for the owner of any lot, shall be done by and at the expense of such owner.

2. Private roadways. All those streets or roadways shown hereon, other than Roosevelt Avenue and that portion of College Way being dedicated as a public highway (lying within the North (40) feet of the Northwest 1/4, of the Southeast 1/4, of said Section 17), shall remain private streets or roadways, EXCEPT that Leigh Way from Roosevelt Avenue to William Way and William Way from Ninth Street to Buck Way may be abandoned or vacated as private roadways should the owners of Tracts 69 through 94, inclusive of the Plat of Parker Business Center decide to develop larger uninterrupted property than are presently shown hereon. Said abandonment or vacation of said portion of Leigh Way and William Way shall be at the exclusive option of 100% of the owners of record of said tracts 69 through 94, inclusive, by the execution and recording of a document of abandonment and vacation by the said 100% of the owners of record (which term does not include either contract sellers or mortgagees).

In addition, utility easements shall be granted in accordance with the Subparagraph A4 of Section III, General Provisions, of the Protective Covenants and Restrictions of the plat of the Parker Business Center. Said easements shall permit the utilities to install, lay, construct, renew, operate and maintain underground conduits, cables and wires with necessary facilities and other equipment, for the purpose of serving the subdivision and other property with electric, telephone, gas, water and television service, together with the right to enter upon the lots at all times for the purposes stated.
