C. The existing fence between the properties owned by Foist and Hsiang is located approximately 5 feet onto the Foist property and to resolve any existing questions concerning the actual boundary line between their respective properties the parties have agreed said fence will be the boundary line between their respective properties and desire to establish the same of record; and

D. Hsiang has agreed to impose certain restrictive covenants on their property to protect the view of Hoist; and

NOW, THEREFORE, in consideration of the mutual benefits inuring to each of the parties hereto, the parties agree and covenant as follows:

1. Foist and Hsiang agree that their common boundary line shall be along the existing fence line between their respective properties and accordingly, Foist **conveys and quitclaims** the westerly five (5) feet of the above described property to Hsiang. Said property will be combined and aggregated with contiguous property (see legal description on page 7) owned by Hsiang and this boundary adjustment is not for the purposes of creating any additional building lots.

2. Hsiang agrees to impose restrictive covenants on their property described on page 6 as follows:

2.1 Hsiang will not allow vegetation or any structures to be placed on the southerly thirty (30) feet of their property that would exceed ten (10) feet in height. Exception to said height restriction would be the tall existing tree and any existing structures that would be in that area.

2.2 Hsiang agrees not to raise the roofline of their existing residence, or any replacement of the same.

2.3 The restrictive covenants provided for in this agreement will only be in effect for so long as Nadine Foist and/or Houston Foist, or a trust in which one or both of them is the primary beneficiaries, own the above described property.

2.4 This agreement will be binding upon Hsiang's heirs, successors and assigns for so long as Foist owns the above described property as provided for in the preceding paragraph.

3. Foist agrees to pay all costs connected with having the Boundary Line Adjustment Agreement approved by the applicable Skagit County Authorities and for the recording fees of this agreement.
