RE: Kenneth Kaaland Estate Lot Certifications

Dear Mr. Hicks:

The determination for a Lot of Record is based on a review of the conveyance documents submitted, including, but not necessarily limited to: the legal description contained in each conveyance document; assessing when parcels came together; when parcels were separated; and what County regulations, if any, were in effect at the time of conveyance of any specific legal description.

This office has completed review of the Lot Certification Applications and based on information submitted the following determinations have been made:

Lot of Record Certification PL07-0904, Parcel P37058:

Lot Certification PL07-0904 is comprised of the legal description associated with Parcel P37058. The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres; the subject property is approximately 20 acres and thus considered substandard to the zoning designation. There are two existing residences and several accessory structures located on this parcel. This parcel does comply with Skagit County Code Exemption 14.16.850(4)(c)(vii)(A) and therefore is considered eligible to be considered for development permits.

Lot of Record Certification PL07-0966, Parcels P37057, 37061, 37062:

Lot Certification PL07-0966 is comprised of the legal descriptions associated with Parcels P37057, 37061 and 37062 as a total unit. The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres; the subject property is approximately 39 acres, however is considered a subdivisional 40 acre tract. There is also an existing residence located on the parcel. This parcel does comply with the required minimum lot size as well as Skagit County Code Exemption 14.16.850(4)(c)(vii)(A) and therefore is considered eligible to be considered for development permits.
