### EXHIBIT A

This Grant of Easement (the "Easement") dated 5/11, 2007 by and between COMCAST OF WASHINGTON IV, INC., its successors and assigns, hereinafter referred to as "Grantee" and WATSON PROPERTIES, hereinafter referred to as "Grantor".

Now, for good and valuable consideration, Grantor(s), owner(s) of the property described below, hereby grant(s) to Grantee, its successors and assigns, an easement in gross and right-of-way to construct, use, maintain, operate, alter, add to, repair, replace, reconstruct, inspect and remove at any time and from time to time a broadband communications system (hereinafter referred to as the "System") consisting of wires, underground conduits, cables, pedestals, vaults, and including but not limited to above ground enclosures, markers and concrete pads or other appurtenant fixtures and equipment necessary or useful for distributing broadband services and other like communications, in, on, over, under, across and along that certain real property (the "Property") located in the County of Skagit, State of Washington, described as follows:

Grantor(s) agree for themselves and their heirs and assigns that the System on the Property shall be and remain the personal property of the Grantee and may not be altered, obstructed or removed without the express written consent of the Grantee. The Grantee, and its contractors, agents and employees, shall have the right to trim or cut trees and/or roots which may endanger or interfere with said System and shall have free access to said System and every part thereof, at all times for the purpose of exercising the rights herein granted: provided, however, that in making any excavation on said Property of the Grantor, the Grantee shall make the same in such manner as will cause the least injury to the surface of the ground around such excavation, and shall replace the earth so removed by it and restore the area to as near the same condition as it was prior to such excavation as is practical.

This easement shall commence on the date appearing in the first paragraph hereof shall run with the land for so long as the Grantee, its successors or assigns provides Broadband services to the Property unless otherwise terminated by the parties as set forth in the Agreement.
