Survey Notes

This survey has been prepared from a closed random traverse using an electronic instrument measuring angles to 5 seconds of arc and distances rounded to hundredths of feet.
The purpose of this survey has been to locate, describe and to set monuments to mark the existing lines and corners of the above described property.

Surveyor's Certificate

This map correctly represents a survey made by me or under my direction in conformance with the requirements of the survey recording act at the request of Harold and Susan Rooks of Skagit County, in December, 2006 and, May, 2008.
