Dear Mr. and Mrs. Suchsland:

The Nookachamp Homeowners Board accepts the fact that approval of your R.V. parking plan was made through a failure of communication between your builder and the developer. The Board acknowledges that the situation is in violation of our CC&R's and is willing to "Grandfather-in" your R.V. pad and screening, should the CC&R's be revised in the future.

We have no plans to ask you to change the situation in any way. Please accept our apologies for any confusion on this point.

Sincerely,

Jeannine Jacobson, President
Nookachamp Homeowners Board
