ORDINANCE NO. 2787

AN ORDINANCE OF THE CITY OF ANACORTES, WASHINGTON, RELATING TO STORM AND SURFACE WATER MANAGEMENT; AMENDING AREA-SPECIFIC RATES AND CHARGES; AND, AMENDING ANACORTES MUNICIPAL CODE SECTION 13.10.020B (ORDINANCES 2772 and 2773).

THE CITY COUNCIL OF THE CITY OF ANACORTES, WASHINGTON, does hereby ordain as follows:

SECTION 1. RECITALS AND FINDINGS

1.1 The City of Anacortes ("City") operates a storm and surface water utility ("Utility"). The Utility is part of the System of City utilities as defined in Ordinance No. 2763 (May 21, 2007). The Utility provides generally for certain systems and improvements to address stormwater runoff to five major water bodies: Guemes Channel, Borrows Bay, Fidalgo Bay, Padilla Bay and Similk Bay.

1.2 The current City of Anacortes Stormwater Management Plan ("Plan") was adopted in 2007 by Ordinance No. 2772. The Plan identifies water quality and quantity problems associated with stormwater runoff that may affect the environment and the community; provides recommendations for improvements and programs; and includes a cost analysis and an implementation schedule.

1.3 The City's Plan includes certain implementation measures, including measures related to the Skyline (Flounder Bay) Marina community.

1.4 This Ordinance continues the process for Flounder Bay sediment management, and increases the fee or charge specific to the Flounder Bay community to further fund the project planning and improvements.

SECTION 2. AMC 13.10.020B AMENDED.

The following subsection B. of AMC 13.10.020 is hereby amended, as follows:

200810090083

Skagit County Auditor

B. The following charges are established for all developed parcels of real property in the city. The charges for all such parcels shall be computed by multiplying the basic charge for each ISU times the total number of ISUs per parcel.

1. General Facilities Charge. A one-time charge of one thousand one hundred twenty-six dollars per ISU for new development for the planning, design, and construction of capital improvements associated with the city stormwater drainage system and facilities. Beginning January 1, 2008, on January 1 of each year, the GFC shall continue to be increased by the percentage change in the engineering news record (ENR) construction cost index for the previous twelve months unless otherwise adjusted by City ordinance.

2. Monthly User Fee. The minimum monthly fee shall be four dollars/ISU, beginning January 1, 2008 for the year 2008 and five dollars/ISU beginning January 1, 2009, and shall fund the operation, maintenance and administration of the city stormwater utility.

3. Single Family and Duplex Residential Parcels. The charge shall be one ISU per month for each single-family or duplex residential parcel.

4. Undeveloped Parcels. Undeveloped parcels shall not be assessed a GFC or monthly user fee.

5. Other Parcels (Commercial, Industrial, and Multi-family). The charge for all parcels, except single-family and duplex residential parcels and undeveloped parcels, shall be based upon the total amount of impervious area as expressed in ISU. ISUs shall be measured for rate of computation purposes to the nearest one-tenth of an ISU. The minimum charge shall be for one ISU for a GFC or monthly user fee.

6. Moorage.

6.1 Flounder Bay. The rate for parcels within the Flounder Bay service area, as set forth in Appendix A to this Ordinance, is hereby established and charged in the amount of \$4.019 per month. This rate is the exclusive rate and the monthly user fee under AMC 13.10.020B.1 shall not be charged; provided, those developed parcels subject to the monthly user fee under AMC 13.10.010B.1 prior to [the effective date of this Ordinance **December 3, 2007**] shall continue to be subject to the monthly user fee and shall also be subject to the fee established in this subsection 6.1. 6.2 Flounder Bay – Phase II Surcharge. In addition to the rates set forth in Section 6.1, a surcharge for Phase II of the Flounder Bay project in the maximum amount of \$12.50 per month **[for a period of 60-months]**, shall be applied to the parcels in the service area as set forth in Appendix B, in addition to such other rates and charges under this Chapter 13.10 AMC.
