e. To pay all costs and expenses of Assignee, including attorneys' fees in a reasonable sum in any action or proceeding in which Assignee may appear in connection herewith;

Assignor further covenants and agrees that this Assignment creates and constitutes an equitable and specific lien upon the aforesaid Rents and that this Assignment does not create or constitute a pledge of or conditional security interest in such Rents.

3. Prior Approval for Actions Affecting Leases. Assignor, without the prior written consent of the Assignee, further covenants and agrees:

a. Not to receive or collect any Rents from any present or future lessee of the Premises or any part thereof for a period of more than one (1) month in advance (whether in cash or by promissory note) nor pledge, transfer, mortgage, grant a security interest in, or otherwise encumber or assign future payments of Rents (except as previously granted to California Bank & Trust and The Commerce Bank of Washington, N.A.);

d. Not to lease any part of the Premises, nor renew or extend the term of the Leases of the Premises unless an option therefor was originally so reserved by lessee(s) in the Leases or a fixed and definite rental;

e. Not to relocate any lessee within the Premises nor consent to any modification of the express purposes for which the Premises have been leased, nor consent to any subletting of the Premises or any part thereof, or to any assignment of the Leases by any

lessee thereunder or to any assignment or further subletting of any sublease.

4. Rejection of Leases. Assignor further covenants and agrees as follows:

a. In the event any lessee under the Leases should become the subject of any proceeding under the Federal Bankruptcy Act or any other federal, state or local statute which provides for the possible termination or rejection of the Leases assigned hereby, Assignor covenants and agrees that in the event any of the Leases are so rejected, no damage settlement shall be made without the prior written consent of the Assignee;

b. Any check in payment of damages for rejection or termination of any such Lease will be made payable both to the Assignor and Assignee;

c. Assignor hereby assigns any such payment to Assignee and further covenants and agrees that upon request of Assignee, it will duly endorse to the order of Assignee any such check, the proceeds of which will be applied to any portion of the indebtedness secured by this Assignment in such manner as Assignee may elect.

5. Default Deemed Default Under Note and Mortgage. In the event any representation or warranty herein of Assignor shall be found to be untrue or Assignor shall default in the observance or performance of any obligation, term, covenant, condition or warranty herein, then in each such instance, the same shall constitute and be deemed to be a default under the Note and Mortgage, thereby entitling Assignee to declare all sums secured thereby and hereby immediately due and payable and to exercise any and all of the rights and remedies provided thereunder and herein, as well as those provided by law.

6. License to Collect Rents. As long as there shall exist no default by Assignor in the payment of any indebtedness secured hereby or in the observance and performance of any other obligation, term, covenant or condition or warranty herein or in the Note and Mortgage or contained in the Leases, Assignor shall have the right under a license granted hereby (but limited as provided in the following paragraph) to collect, but not prior to accrual, all of the Rents arising from or out of said Leases or any renewals, extensions and replacements thereof, or from or out of the Premises or any part thereof, and Assignor shall receive such Rents and hold the Rents, together with the right and license herein granted as a trust fund to be applied, and Assignor hereby covenants to so apply them, as required by Assignee, first to the payment of taxes and assessments upon said Premises before penalty or interest is due thereon; second to the costs of insurance, maintenance and repairs required by the terms of said Mortgage; third to satisfaction of all obligations under the Leases and fourth, to the payment of interest, principal and any other sums becoming due under the Note and Mortgage, before using any part of the same for any other purposes.

7. Performance and Termination of License. Upon the conveyance by Assignor and its successors and assigns of the fee title of the Premises, all right, title, interest and powers granted under the License aforesaid shall automatically pass to and may be exercised by each subsequent owner; and that upon or at any time after default in the payment of any

indebtedness secured hereby or in the observance or performance of any obligation, term, covenant, condition or warranty contained herein, in the Note and Mortgage or in the Leases, Assignee, at its option and without notice, shall have the complete right, power and authority hereunder to exercise and enforce any or all of the following rights and remedies at any time:

a. To terminate the license granted to Assignor to collect the Rents without taking possession, and to demand, collect, receive, sue for, attach and levy against the Rents in Assignee's name; to give proper receipts, releases and acquittance therefor; and after deducting all necessary and proper costs and expenses of operation and collection as determined by Assignee, including reasonable attorneys' fees, to apply the net proceeds thereof, together with any funds of Assignor deposited with Assignee, upon any indebtedness secured hereby and in such order as Assignee may determine;

b. To declare all sums secured hereby immediately due and payable and, at its option, exercise all or any of the rights and remedies contained in the Note and Mortgage or other instrument given to secure the indebtedness secured hereby;

c. Without regard to the adequacy of the security or the solvency of Assignor, with or without any action or proceeding through any person, agent, trustee or receiver under the Mortgage, or by a receiver to be appointed by court, and without regard to Assignor's possession, to enter upon, take possession of manage and operate the Premises or any part thereof; make, modify, enforce, cancel or accept surrender of any Leases now or hereafter in effect on said Premises or any part thereof remove and evict any tenant; increase or decrease rents; decorate, clean and repair; and otherwise do any act or incur any costs or expenses as Assignee shall deem proper to protect the security hereof, as fully and to the same extent as Assignee could do if in possession; and in such event, to apply the Rents so collected in such order as Assignee shall deem proper to the operation and management of said Premises, including the payment of reasonable management, brokerage and attorneys' fees; payment of the indebtedness under the Note and Mortgage and payment to a reserve fund for replacements, which fund shall not bear interest;

d. To require Assignor to transfer all security deposits to Assignee, together with all records evidencing such deposits.

Assignor further agrees and covenants that for the purposes hereinbefore enumerated in this paragraph, Assignee shall have constructive possession, whether or not it is in actual possession, in order to effectuate such purposes, and in no event shall Assignee accrue any liability by reason of such constructive possession. Assignee shall not be required to give notice or make demand to Assignor or any tenants under then existing Leases of its actions to effectuate such purposes.

Provided, however, that the acceptance by Assignee of this Assignment with all of the rights, powers, privileges and authority so created shall not, prior to entry upon taking possession of said Premises by Assignee, be deemed or construed to constitute Assignee a "Mortgagee in Possession" nor thereafter or at any time or in any event obligate Assignee to

appear in or defend any action or proceeding relating to the Leases or the Premises, or to take any action hereunder, or to extend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Leases, or to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by any tenant thereunder and not assigned and delivered to Assignee; nor shall Assignee be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the Premises; and

Provided further that the collection of the Rents and application as aforesaid and/or the entry upon and taking possession of the Premises shall not cure or waive any default; waive, modify or affect any notice of default required under the Note and Mortgage; or invalidate any act done pursuant to such notice. The enforcement of any right or remedy by Assignee once exercised shall continue until Assignee shall have collected and applied such Rents as may be necessary to cure the then existing default and for so long thereafter as Assignee may, in its sole discretion, deem necessary to secure the indebtedness. Although the original default be cured and the exercise of any such right or remedy be discontinued, the same or any other right or remedy hereunder shall not be exhausted and may be reasserted at any time and from time to time following any subsequent default. The rights and powers conferred upon Assignee hereunder are cumulative of and not in lieu of any other rights and powers otherwise granted Assignee.

8. Appointment of Attorney. Assignor hereby constitutes and appoints Assignee its true and lawful attorney, coupled with an interest and in the name, place and stead of Assignor to subordinate at any time and from time to time, any Leases affecting the Premises or any part thereof to the lien of the hereinbefore described Mortgage or any other mortgage of any kind encumbering the Premises, or to any ground lease of the Premises; and to request or require such subordination where such option or authority was reserved to Assignor under any such Leases or in any case where Assignor otherwise would have the right, power or privilege so to do. This appointment is to be irrevocable and continuing and these rights, powers and privileges shall be exclusive in Assignee, its successors and assigns as long as any part of the indebtedness secured hereby shall remain unpaid. Assignor hereby warrants that it has not, at any time prior to the date hereof exercised any right to subordinate any such Lease to the Mortgage or to any other mortgage of any kind, or ground lease and further covenants not to exercise any such right.

9. Indemnification. To the fullest extent permitted by law, Assignor hereby agrees to indemnify, defend and hold Assignee harmless from any and all liability, loss, damage or expense which Assignee may incur under or by reason of this Assignment; or for any action taken by Assignee hereunder; or by reason or in defense of any and all claims and demands whatsoever which may be asserted against Assignee arising out of the Leases, including but not limited to, any claims by any tenants of credit for rental for any period under any Leases more than one (1) month in advance of the due date thereof and security deposits paid to and received by Assignor but not delivered to Assignee. Should Assignee incur any such liability, loss, damage or expense, the amount thereof (including costs, expenses and reasonable attorneys' fees) with interest thereon at the default rate specified in the Note shall be payable

by Assignor immediately without demand, and shall be secured as a lien hereby and by said Mortgage.

10. Records. Until the indebtedness secured hereby shall have been paid in full, Assignor shall deliver to Assignee, in the event Assignee requests such in writing, executed copies of any and all renewals of existing Leases and future Leases upon all or any part of the Premises, and will transfer and assign such Leases upon the same terms and conditions as herein contained. Assignor hereby covenants and agrees to make, execute and deliver unto Assignee, upon demand and at any time, any and all assignments and other records and instruments, including but not limited to, rent rolls, tenant financial statements and books of account sufficient for the purpose that Assignee may deem to be advisable for carrying out the purposes and intent of this Assignment.

11. No Waiver. The failure of Assignee to avail itself of any of the terms, covenants and conditions of this Assignment for any period of time or at any time shall not be construed or deemed to be a waiver of any such right, and nothing herein contained nor anything done or omitted to be done by Assignee pursuant hereto shall be deemed a waiver by Assignee of any of its rights and remedies under the Note and Mortgage or of the benefit of the laws of the state in which the said Premises are situated. The rights of Assignee to collect the said indebtedness, to enforce any other security therefor, or to enforce any other right or remedy hereunder may be exercised by Assignee, either prior to, simultaneously with or subsequent to, any such other action hereinbefore described, and shall not be deemed an election of remedies.

12. Primary Security. This Assignment is absolute, unconditional and primary in nature to the obligation evidenced and secured by the Note, Mortgage and any other document given to secure and collateralize the indebtedness secured hereby. Assignor further agrees that Assignee may enforce this Assignment without first resorting to or exhausting any other security or collateral; however, nothing herein contained shall prevent Assignee from suing on the Note, foreclosing the Mortgage, or exercising any other right or remedy under any other document evidencing or collateralizing the indebtedness secured hereby.

13. Merger. The fact the Leases or the leasehold estate created thereby may be held directly or indirectly, by or for the account of any person or entity which shall have an interest in the fee estate of the Premises, or by the operation of the law or any other event, shall not merge any Leases or the leasehold estates created thereby with the fee estate in the Premises as long as any of the indebtedness secured hereby and by the Note and Mortgage shall remain unpaid, unless Assignee shall consent in writing to such merger.

14. Termination of Assignment. Upon payment in full of all of the indebtedness evidenced by the Note and secured by the Mortgage and payment of all sums payable hereunder, this Assignment shall be void and of no effect; and no judgment or decree entered as to said indebtedness shall operate to abrogate or lessen the effect of this Assignment until such indebtedness has actually been paid; but the affidavit, certificate, letter or statement of any officer of Assignee showing that any portion of said indebtedness or sums remains unpaid,

shall be and constitutes conclusive evidence of the validity, effectiveness and continuing force of this Assignment. Any person, firm or corporation may and is hereby authorized by Assignor to rely on such affidavit, certificate, letter or statement. A demand by Assignee of any tenant for payment of Rents by reason of any default claimed by Assignee shall be sufficient direction to said tenant to make future payments of Rents to Assignee without the necessity for further consent by or notice to Assignor.

15. Notice. All notices, demands, requests or documents of any kind which Assignee may be required or may desire to serve upon Assignor hereunder shall be sufficiently delivered by delivering same to Assignor personally; by leaving a copy of same addressed to Assignor at the address appearing in the Mortgage, or by Assignee depositing a copy of same in a regularly maintained receptacle of the United States mails, postage prepaid, certified or registered mail, addressed to Assignor at said address. Notices, demands, requests and documents given in such manner shall be deemed sufficiently delivered, served or given for all purposes hereunder at the time such notice, demand, request or document shall have been delivered to or mailed as hereinbefore provided to the addressee. Rejection or refusal to accept, or inability to deliver because of changed address, of which no notice of changed address was given, shall constitute delivery of any such notice, demand or request to the addressee. Any party hereto may, by delivery of notice to the other party, designate a different address.

16. Assignment Binds Successors. The terms, covenants, conditions and warranties contained herein and the powers granted hereby shall run with the land and shall inure to the benefit of, and bind all parties hereto and their respective heirs, successors and assigns; all lessees and their sublessees and assigns; and all subsequent owners of the Premises and any subsequent holder of the Note and/or Mortgage.

17. Additional Rights and Remedies. In addition to, but not in lieu of, any other rights hereunder, Assignee shall have the right to institute suit and obtain a protective, temporary and/or permanent injunction to prevent a breach or default of, or to enforce the observation by such Assignor of the agreements, covenants, terms any condition contained herein, and shall have the right to attorneys' fees, costs, expenses, and ordinary and punitive damages occasioned by any such breach or default by Assignor.

18. Location of Performance. Assignor expressly agrees: (a) that this Assignment is performable in Skagit County, Washington; (b) that Assignor waives the right to be sued elsewhere; and (c) that Assignor agrees and consents to the jurisdiction of any court of competent jurisdiction located in Skagit County, Washington.

19. Severability. If any provision of this Assignment or the application thereof to any entity, person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Assignment and the application of such provisions to other entities, persons or circumstances shall not be affected thereby, and shall be enforced to the greatest extent permitted by law.

20. Entire Agreement. This Assignment contains the entire agreement concerning the

Assignment of Leases and Rents between the parties hereto. No variations, modifications or changes herein or hereof shall be binding upon any party hereto unless set forth in a document duly executed by or on behalf of such party.

21. Construction. Whenever used herein, and whenever the context so requires, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders. The word "Mortgage" as used herein shall mean Mortgage, Deed of Trust, Trust Deed, Security Deed or Deed to Secure Debt. All obligations of each Assignor hereunder shall be joint and several.

22. Multiple Counterparts. This instrument may be executed in multiple counterparts, all of which shall be deemed originals and with the same effect as if all parties hereto had signed the same document. All of such counterparts shall be construed together and shall constitute one instrument, but in making proof, it shall only be necessary to produce one such counterpart.

23. Governing Law. The parties agree that Federal law or the law of the State of Washington shall govern the performance and enforcement of this Assignment.

24. SBA Regulations. The loan secured by this Assignment was made under a United States Small Business Administration (SBA) nationwide program which uses tax dollars to assist small business owners. If the United States is seeking to enforce this document, then under SBA regulations:

- a) When SBA is the holder of the Note, this document and all documents evidencing or securing the loan will be construed in accordance with federal law.
- b) Assignee or SBA may use local or state procedures for purposes such as filing papers, recording documents, giving notice, foreclosing liens, and other purposes. By using these procedures, SBA does not waive any federal immunity from local or state control, penalty, tax or liability. No Borrower or Guarantor may claim or assert against SBA any local or state law to deny any obligation of Borrower, or defeat any claim of SBA with respect to the loan.

Any clause in this document requiring arbitration is not enforceable when SBA is the holder of the Note secured by this instrument.

IN WITNESS WHEREOF, Assignor has executed this Assignment this 3rd day of November, 2008.
