RE: Lot of Record Certification PL96-0696  
Parcel P66760

Lot of Record Certification PL96-0697  
Parcel P66761

Dear Mr. & Mrs. Scheid:

Lot Certification PL96-0696 was recorded in May, under AF 200805200090, certifying Lots 110 and 111, Block 3, Subdivision 2 as "one Lot of Record". The May 20, 2008 recording was simply a validation of the original 1996 approval.

In 1996, each of Lots 110 and 111 were substandard to the zoning designation of Residential Reserve. The 1996 Residential Reserve zoning designation had a minimum lot size of 1 acre. In 1996, contiguous, substandard parcels were required to be aggregated or combined in accordance with Skagit County Code 14.04.190(5) (copy enclosed). In 1996, individually, Lots 110 and 111 were not recognized as being eligible for residential development.

Enclosed please find the invoice for \$ 47.00 for the initial May 20, 2008 recording of Lot Certification PL96-0696. This \$ 47.00 is still in arrears, please remit at your earliest convenience.

In May 2005, the Zoning Ordinance was amended to allow Skagit County to resolve certain Growth Management land use issues. As part of the 2005 amendment the review for Lot Certification was changed to a two-stage process.

*"Helping You Plan and Build"*

Mr. Charles Scheid  
December 15, 2008  
Page Two

Currently, the first question is: a) is the parcel a "lot of record"?; and the second question: is the "lot of record" eligible for residential development?

Currently and in compliance with 2008 regulations, Lots 110 and 111 are each recognized as a valid "lot of record", the Lake Cavanaugh Plat having been recorded in 1948. Each of Lots 110 and 111 are substandard to the current zoning designation of Rural Village Residential. The Rural Village Residential zoning designation has a minimum lot size of 1-acre with community water or 2.5 acres with on-site water (well).

The 2005 Zoning Ordinance Amendment allows each lot to be recognized as a "lot of record". The amendment allows development **only** if lots 110 and 111 are aggregated or combined. Please refer to Section 14.06.045(b) and Section 14.16.850(4)(a)(i).

At this time, in order for development to occur on either parcel, it will be necessary to aggregate or combine lots 110 and 111 through the Boundary Line Adjustment process. Either or both parcels may be conveyed individually or as a single unit. However, no development permits will be issued until such time as the lots are recombined to a single unit.

Lot Certification PL96-0696, for lot 110 as an individual, will be re-recorded with this letter as an attachment. The fee for that re-recording will be \$ 51.00. A new Lot Certification, PL96-0697 for lot 111 as an individual lot will be recorded, also with this letter as an attachment. The fee for recording PL96-0697 will be

Enclosed please find an unrecorded copy of each of Lot Certifications PL96-0696 and PL96-0697.

The total amount owed is \$ 153. This amount includes the original recording fee for PL96-0696 of \$ 47; re-recording fee for PL96-0696 of \$ 53; and the recording fee for the new Lot Certification PL96-0697, for Lot 111, of \$ 53. At such time as the total amount is received, the originals of the Lot Certifications will be forwarded to the Skagit County Auditor's Office for
