GRANTOR, for consideration received, hereby grants, bargains, sells, conveys and confirms to GRANTEE the following described real property known as 575 South Burlington Boulevard, in the City of Burlington, County of Skagit, State of Washington (the "Premises");

See attached Exhibit A for description

LESS AND EXCEPT: All right, title and interest in and to any oil, gas and other minerals (including without limitation, helium, lignite, sulfur, phosphate and other solid, liquid and gaseous substances), regardless of the nature thereof and whether similar or dissimilar, and the right to explore for, develop and produce same, as well as the right to lease the Premises herein conveyed for such purposes, and all mineral and royalty rights whatsoever in, on or under and pertaining to the Premises but without the right to use, or right of any ingress to or egress from the surface of the Premises herein conveyed for

exploration or producing purposes, all of said interests having been saved, retained, reserved and excepted in a previous conveyance of the Premises;

together with all rights, privileges and appurtenances thereto and all buildings and land improvements thereon;

TO HAVE AND TO HOLD the same unto Grantee and Grantee's heirs, administrators, executors, successors and assigns forever; but

SUBJECT to the following:

- a) Encroachments, protrusions, easements, changes in street lines, rights-of-way and other matters that would be revealed by a current on the ground survey and inspection of the Premises.
- b) Recorded leases, agreements, easements, rights-of-way, covenants, conditions and restrictions as the same may be of present force and effect. Zoning regulations, ordinances, building restrictions, regulations and any violations thereof.
- c) The lien for real property taxes for the current year, and any liens for special assessments which, as of the date hereof, are not due and payable.

Except as provided herein, for fifteen (15) years from the date of closing, Grantee agrees that if the Premises are used for the sale of motor fuel, the motor fuel must be purchased from Grantor, or Grantor's successor or assigns, ("Brand Covenant") and the station located on the Premises must be operated pursuant to the terms and conditions of the Retail Sales Agreement, or its replacement.

Grantee shall use, improve, lease, sell, encumber or transfer the Premises subject to the Brand Covenant. Grantee may not assign its rights or obligations under the Brand Covenant without the prior written consent of Grantor. The Brand Covenant runs with the land or leasehold interest, as applicable, will appear as a recorded item in the property records of the Premises, and is for the benefit of, and binds, the successors in interest and assigns of Grantee. Grantor's failure to enforce any breach of the Brand Covenant is not a waiver of the Brand Covenant or of any subsequent breach thereof. All purchasers, lessees, and possessors of all or any portion of the Premises and their respective heirs, successors, assigns will be deemed by their purchase, lease, or possession to be in accord with, and shall agree to the terms of, the Brand Covenant.

Grantee will be excused from complying with the Brand Covenant if Grantor elects to do a market withdrawal in accordance with the Petroleum Marketing Practices Act from a geographic area that includes the Premises.

If Grantee fails to comply with the Brand Covenant for any reason whatsoever and fails to cure such breach within thirty (30) days of Grantor providing written notice of such breach to Grantee, Grantor may pursue any and all actions to enforce the terms of the Brand Covenant and pursue any and all remedies available at law or in equity.
