Dear Bruce:

As you know, the determination for a Lot of Record is based on a review of the conveyance documents submitted, including, but not necessarily limited to: the legal description contained in each conveyance document; assessing when parcels came together; when parcels were separated; and what County regulations, if any, were in effect at the time of conveyance of any specific legal description.

This office has completed review of the Lot Certification Applications and based on information submitted the following determinations have been made:

Lot of Record Certification PL08-0586, Parcels P16441, 16448, 16449:

Lot Certification PL08-0586 is comprised of the legal description associated with Parcels P16441, 16448, 16449. The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres; the subject property is approximately 75 acres. This parcel

complies with the required minimum lot size and is considered eligible for residential development.

Lot of Record Certification PL08-0729, Parcels P16418, 16440, 15256:

Lot Certification PL08-0729 is comprised of the legal description associated with Parcels P16418, 16440, and 15256. The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres; the subject property is approximately 58 acres. This parcel complies with the required minimum lot size and is considered eligible for residential development.

Lot of Record Certification PL08-0730, Parcel P16419, 15257:

Lot Certification PL08-0730 is comprised of the legal description associated with Parcel P16419 and 15257. The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres; the subject property is approximately 31 acres with an existing residence. Although the subject property is considered substandard to the required minimum lot size, it does comply with Skagit County Code Exemption 14.16.850(4)(c)(vii)(A) and therefore is considered eligible to be considered for development permits.

Lot of Record Certification PL08-0731, Parcel P15251:

Lot Certification PL08-0731 is comprised of the legal description associated with Parcel P15251. The subject property is assessed at approximately 0.64 acres, is currently vacant, substandard to the required minimum lot size of 40 acres and does not appear to comply with any of the exemptions in Skagit County Code Section 14.16.850.

It is indicated in Section 14.06.045(1)(b) Development:

....To be considered for development permits, the Lot of Record must either meet the minimum lot size requirements of the zoning district in which it is located, or, if the Lot of Record does not meet the minimum lot size requirements of the zoning district in which it is located (a "Substandard Lot of Record), it must meet one or more of the exemptions identified in SCC 14.16.850(4)(c).

It is indicated in Section 14.16.850(4)(e)(i) that only non-residential structures are allowed on substandard parcels located within the Agricultural-Natural Resource Land.

This Lot of Record may be conveyed individually, or in combination with parcels associated with Lot of Record, PL08-0729. However individually, this Lot of Record is not eligible for residential development.
