THE "UNLABELED" TRACT (LABELED TRACT "A" ON THE TAX ROLLS OF SKAGIT COUNTY) OF THE PLAT OF "SNEE-OOSH", AS PER PLAT RECORDED IN VOLUME 4 OF PLATS, PAGE 50, RECORDS OF SKAGIT COUNTY, WASHINGTON. SITUATE IN THE COUNTY OF SKAGIT, STATE OF WASHINGTON.

Except as may be otherwise set forth herein Grantee's rights shall be exercised upon that portion of the Property ("Easement Area" herein) described as follows:

A strip of land ten (10) feet in width with five (5) feet on each side of the centerline of grantee's facilities as now constructed, to be constructed, extended or relocated. (This easement description may be superseded at a later date with a surveyed description provided at no cost to Grantee.)

1. **Purpose.** Grantee shall have the right to use the Easement Area to construct, operate, maintain, repair, replace, improve, remove, and enlarge one or more utility systems for purposes of transmission, distribution and sale of electricity. Such systems may include, but are not limited to:

a. **Overhead facilities.** Poles, towers and other support structures with crossarms, braces, guys and anchors; electric transmission and distribution lines; fiber optic cable and other lines; cables and facilities for communications; transformers, street lights, meters, fixtures, attachments and any and all other facilities or appurtenances necessary or convenient to any or all of the foregoing; and.

b. **Underground facilities.** Conduits, lines, cables, vaults, switches and transformers for electricity; fiber optic cable and other lines, cables and facilities for communications; semi-buried or ground-mounted facilities and pads, manholes, meters, fixtures, attachments and any and all other facilities or appurtenances necessary or convenient to any or all of the foregoing.

Following the initial construction of all or a portion of its systems, Grantee may, from time to time, construct such additional facilities as it may require for such systems. Grantee shall have the right of access to the Easement Area over and across the Property to enable Grantee to exercise its rights hereunder. Grantee shall compensate Grantor for any damage to the Property caused by the exercise of such right of access by Grantee.

3. Trees Outside Easement Area. 6. Abandonment. The rights herein granted shall continue until such time as Grantee ceases to use the Easement Area for a period of five (5) successive years, in which event, this easement shall terminate and all rights hereunder, and any improvements remaining in the Easement Area, shall revert to or otherwise become the property of Grantor; provided, however, that no abandonment shall be deemed to have occurred by reason of Grantee's failure to initially install its systems on the Easement Area within any period of time from the date hereof.

7. Successors and Assigns. Grantee shall have the right to assign, apportion or otherwise transfer any or all of its rights, benefits, privileges and interests arising in and under this easement.
