8. PUD Utility Easement provisions contained on the face of said plat, as follows:

Easements (within utility easements as shown hereon) are granted to Public Utility District No. 1 of Skagit County, Washington, a municipal corporation, its successors or assigns, the perpetual right, privilege and authority enabling the district to do all things necessary or proper in the construction and maintenance of a water line, lines or related facilities, including the right to construct, operate, maintain, inspect, improve, remove, restore, alter, replace, relocate, connect to and locate at any time a pipe or pipes, line or lines or related facilities, along with necessary appurtenances for the transportation of water or other similar public services over, across, along, in and under the lands as shown on this plat together with the right of ingress to and egress from said lands across adjacent lands of the grantor. Also, the right to cut and/or trim all brush or other growth standing or growing upon the lands of the grantor which, in the opinion of the district, constitutes a menace or danger to said line(s) or to persons or property by reason of proximity to the line(s). The grantor agrees that title to all brush, other vegetation or debris trimmed, cut and removed from the easement pursuant to this agreement is vested in the district.

Grantor, its heirs, successors or assigns hereby conveys and agrees not to construct or permit to be constructed structures of any kind on the easement area without written approval of the general manager of the district. Grantor shall conduct its activities and all other activities on grantor's property so as not to interfere with, obstruct or endanger the usefulness of any improvements or other facilities, now or hereafter maintained upon the easement or in any way interfere with, obstruct or endanger the district's use of the easement.

9. Private Drainage and Sewer Easement provisions contained on the face of said plat, as follows:

Easements for the purpose of conveying local storm water runoff and sanitary sewer are hereby granted in favor of all abutting private lot owners in the areas designated as private drainage or private sewer easements. The maintenance of private easements established and granted herein shall be the responsibility of, and the costs thereof shall be borne equally by the present and future owners of the abutting private lot owners and their heirs, owners personal representatives and assigns.

The City of Mount Vernon is hereby granted the right to enter said easements for emergency purposes at its own discretion.

10. Storm Pond and Drainage Easement to City of Mount Vernon provisions contained on the face of said plat, as follows:

Storm pond and drainage easements, as shown hereon, are hereby granted to the City of Mount Vernon, to construct, maintain, replace, reconstruct, and remove drainage and detention facilities, with all appurtenances incident thereto or necessary therewith, in, under and across the said premises, and to cut and remove from said easement any trees, fences and other obstructions which may endanger the safety or interfere with the use of said drainage and detention facilities, or appurtenances attached or connected therewith; and the right of ingress and egress to and over said premises at any and all times for the purpose of doing anything necessary for the easement hereby granted. Adjoining property owners are prohibited from constructing fences, buildings or other objects within the easement area. Adjoining property owners are prohibited from placing fill, or other debris within easement area, or otherwise altering the detention facility side slope areas, or access road. Vehicular access in the easement area is restricted specifically to public maintenance vehicles.

Pond maintenance is the responsibility of the City of Mount Vernon and shall be performed per the maintenance procedure document prepared by Ravnik & Associates on file at the City of Mount Vernon.
