5. **DEFAULT.** Any default in either of the Original Note or Additional Note, under any other instrument securing the payment of either of the Notes, under any instrument relating to or under any instrument providing any right, remedy, or security in connection with either of the Notes or the Security Instrument, shall constitute a default in and under all of the instruments referred to in this Paragraph.

6. **PREFERENCE OF TERMS OF ADDITIONAL NOTE; MATURITY DATE AND LOAN INTEREST RATE.** The terms of the Additional Note and of all instruments in any way related to the loan associated with the Additional Note, including this Additional Advance Agreement, shall govern and apply to the extent of any conflict or inconsistency whatsoever which may exist between such instruments and the Original Note. However, any prepayment charge provision associated with the Original Note, either according to its terms or as created by an addendum to the Original Note or a modification of the Original Note, will continue to be effective as to the Original Note, as amended and the Additional Note, as amended, as well as any other notes executed with Lender until the expiration of the terms of the prepayment language. Without limiting the general application of the foregoing, the following shall apply:

a. **MATURITY DATE.** The Maturity Date set forth in the Additional Note shall modify and apply to the Original Note and the Security Instrument. The Maturity Date on the entire loan, including the Original Note (as modified by this Additional Advance Agreement) and the Additional Note, is now and shall be 10/01/37.
