View Easement Area for the purposes described in this Agreement, which Water View Easement Area is more particularly described above and which Water View Easement Area is also illustrated in Exhibit "A", which is attached hereto and incorporated herein by this reference.

2. Grantors covenant and agree that the owner of Lot 2 shall have the right to remove any trees or other vegetation in the Water View Easement Area that restrict the water view from Lot 2. For the purposes of this Easement, any tree or vegetation shall be considered to restrict the water view from Lot 2, if such tree or vegetation blocks, to any extent, any view of the water when viewed at floor level from the southernmost corner of the deck of the residence constructed on Lot 2.
3. In the event that the owner of Lot 2 wishes to remove any trees and/or other vegetation that restrict the water view from Lot 2, the owner of Lot 2 shall provide written notice to the owner of Lot 3 which notice shall identify the trees and/or other vegetation which are to be removed pursuant to this Easement. The owners of Lot 2 and Lot 3 shall agree on a mutually acceptable time for the removal of the trees and/or other vegetation. If a mutually acceptable time cannot be agreed to, then the owner of Lot 2 shall have the right during the period beginning thirty (30) days following and ending ninety (90) days following the date written notice was mailed or otherwise provided to the owner of Lot 3, to enter into the Water View Easement Area to remove the trees and/or other vegetation that were identified in the notice. In the event that the owner of Lot 2 fails to remove the trees and/or other vegetation within the time period allowed in this Section 4, then the owner of Lot 2 shall recommence the process for removal by sending a new notice. The owner of Lot 2 shall not be restricted in the number or frequency of the notices of removal as provided in this Section 4.
4. The removal of any trees and/or other vegetation shall be at the sole cost and expense of the owner of Lot 2. The owner of Lot 3 shall grant access across all of Lot 3 for the purpose of accessing the Water View Easement Area to remove trees and/or other vegetation. Access across Lot 3 shall be limited to the route designated by the owner of Lot 3 as long as such route is reasonably practical and is not unduly burdensome.
5. The owner of Lot 2 shall be responsible for the cost of removal of all debris and restoring Lot 3 to its pre-removal condition at the completion of the work. At the option of the owner of Lot 3, the owner of Lot 2 shall either remove any stumps of cut trees or shall cut the stump in a manner such that the top of the remaining stump is flush with the ground level around the stump.

If requested by the owner of Lot 2 and agreed by the owner of Lot 3, trees may be topped instead of cut. However, in no event shall a tree be topped such that more than 25% of its height is removed. In the event that any topped tree subsequently dies as a result of such topping, the owner of Lot 2 shall immediately cut and remove the

remainder of the tree and at the option of the owner of Lot 3, the owner of Lot 2 shall either remove the stump of the tree or shall cut the stump in a manner such that the top of the remaining stump is flush with the ground level around the stump.

6. Unless otherwise agreed in writing by the owners of Lots 2 and 3, all work shall be performed by a licensed, bonded and insured contractor. The owner of Lot 2 shall indemnify and hold the owner of Lot 3 harmless from any and all claims made by Lot 2 owner's invitees, consultants, contractors, employees or other such persons, which claims arise out of or relate to work performed in the Water View Easement Area, except for damages caused by the negligent or intentional acts or omissions of the owner of Lot 3. The owner of Lot 3 waives any claims, which claims arise out of damages to trees and other vegetation in the Water View Easement Area which damage is reasonably necessary to remove the trees and/or other vegetation that were identified in the notice. Notwithstanding the preceding sentence, the owner of Lot 2 shall restore Lot 3, except for the removed trees and/or other vegetation, to its pre-removal condition.
