PROTECTED CRITICAL AREA EASEMENT (PCA)

In consideration of Skagit County Code (SCC) 14.24.170, requirements for recording of protected critical area easements (PCA), for areas included under PL01-0579, and mutual benefits herein, Grantor(s), project, does hereby grant, convey and warrant to Skagit County, a political subdivision of the State of Washington, a non-exclusive perpetual easement establishing a PCA over, along and across those portions of the project, denoted as Protected Critical Area Easement and described on the attached Legal Description, together with the right of ingress and egress to and from this easement for the purpose of monitoring and enforcing proper operation and maintenance of the PCA described herein.

The easement is granted to and conditioned upon the following terms, conditions and covenants:

1. The PCA Legal Description is as follows:

Protected Critical Area, as shown on Skagit County Short Plat No. PL 01-0579, approved

January 31, 2002 and recorded under Skagit County Auditor's File No. *200202010016*, records of Skagit County, Washington, being a portion of the W 1/2 SE 1/4 of Section 22, Township 34 North, Range 4 East, W.M.

2. Grantor(s) shall hereafter be responsible for maintaining and repairing PCA areas as described herein and is hereby required to leave PCA areas undisturbed in a natural state. No clearing, grading, filling, logging or removal of woody material, building, construction or road construction of any kind or planting of non-native vegetation within the PCA areas except as specially permitted by Skagit County on a case-by-case basis consistent with SCC 14.24.

3. Grantor(s) and Skagit County agree to the following conditions as permitted by SCC 14.24:

- a. That the Critical Area and associated Buffer described within this PCA shall be subject to the provisions of SCC 14.24.
- b. That the Critical Area and associated Buffer within this PCA may be altered and/or determined null and void by the lead agency upon satisfaction of on-site and/or off-site compensation in accordance with SCC 14.24.240 and/or the codes in effect at the time of future platting activity.

201003160045

Skagit County Auditor

4. Grantor(s) retains the right to use and possession of the real property over which the easement is granted to the extent permitted by Skagit County as low impact uses and activities which are consistent with the purpose and function of the PCA and do not detract from its integrity may be permitted with the PCA depending on the sensitivity of the habitat involved. Examples of uses and activities which may be permitted in appropriate cases, with prior County written approval separate from this agreement, include pedestrian trails, viewing platforms, stormwater management facilities and utility easements. Provided further that the grantor agrees not to interfere with, obstruct or endanger Skagit County's use of the easement. The Grantor(s) agrees to these conditions provided the Grantor(s) retains the right to the usage of and maintenance to those existing manmade drainage facilities and access roads and ways as deemed necessary thereby, including but not limited to clearing, grading, and cleaning, until such time as same are replaced by others to the satisfaction of the Grantor(s) and Skagit County.

5. Should any human disturbance of the PCA occur, the fee owners shall have the obligation to restore and return the affected area to its natural state immediately, under the provisions of a County approved mitigation plan.

6. The parties recognize that this easement is created, granted and accepted for the benefit of the inherent natural functions provided by the PCA, but shall not be construed to provide open or common space for owners within the project or members of the public. By acceptance of the easement for the purposes described, Skagit County does not accept or assume any liability of acts or omissions of the fee owners, his or her invitees, licenses or other third parties within the easement area. Grantor(s) hold Skagit County harmless from any damage or injury to any property or person by any person entering the easement area not expressly authorized to do so by Skagit County.

7. Grantor(s) agrees that this easement shall run with the land and that the rights and obligations of Grantor(s) and Skagit County shall inure to the benefit of each and shall be binding upon their respective heirs, successors and assigns.

8. Grantor(s) covenants that they own the property legally described herein and has lawful right to convey the interest in the property to Skagit County for the benefit of the public forever.

6. This property lies within an established Urban Growth Area (UGA) - City of Mount Vernon.

7. At the time of this subdivision, no buildings exist upon Lot 2 of this Short Plat.

8. The limits of Wetland area boundary as delineated by Jim Wiggins and Elizabeth Binney of Aqua-Terr Systems, Inc. (ATSI) were performed by on-site field reconnaissance July 2, 2001.

The mapping of said wetland boundary data reproduced by LeGro & Associates locating approximately 100 delineated markers and key drainage course features identified by ATSI.

9. Aqua-Terr Systems, Inc. has concluded this subdivision contains two jurisdictional wetland areas:

(1) Palustrine Forested Seasonally Flooded (PFSC). The large southerly wetland approx. 75,707 sq. ft. (1.7 acres) in size is a Category II Wetlands requiring a standard 50-foot buffer.

(2) Palustrine Emergent Seasonally Flooded (PEMC). The small northerly wetland approx. 3,751 sq. ft. (0.09 acres) in size is a Category III Wetlands requiring a standard 50-foot buffer.

Wetland Categories as per Washington State Wetland Rating System (DOE 1993)
Buffer Widths in accordance with Skagit County Code (SCC 14.24.240) Critical Areas Ordinance date last revision 7-17-00.
Refer to copy of wetland report for John Thomas by ATSI dated 7-16-01 on file with the Skagit County Planning and Permit Center.

10. The building set back, parking, landscaping and fire requirements for each lot shall conform to the City of Mount Vernon Planning and building codes in effect at the time of building permit application.

11. Change in location of access may necessitate a change of address. Contact Skagit County Planning and Permit Center and/or Mount Vernon Community and Economic Development Department.

12. Lot 2 of this Short Plat may be allowed to build one dwelling unit however, the improvement envelope for the entire lot may not exceed 1/4 Acre. This will ensure that a possible subdivision of the lot in the future will meet the minimum density requirements. The remaining portion of the lot must be held in reserve until urban services area available. The reserve area may be used for septic systems.

RESTRICTIONS

1. The Short Plat Number and Date Of Approval shall be included in all deeds and contracts.

2. No building permit shall be issued for any residential and/or commercial structures which are not at the time of application, determined to be within an official designated boundary of a Skagit County fire district.

3. Alternative on-site sewage disposal system may have special design, construction, and maintenance requirements. See Skagit County Health Officer for details.

4. All maintenance and construction of roads is the responsibility of the lot owners and relationship to usage of road.

5. The Variance Number (Variance No. VA 00-0837, aka PL 00-0837) and Date of Approval (April 18, 2001) shall appear on the face of the Short Plat and shall be included in all Deeds and Contracts.

6. The subject property is located within the Urban Growth Area of the City of Mount Vernon. Be hereby advised that future development of lots within this Short Plat shall conform to the City of Mount Vernon building setback, platting and subdivision regulations in effect at the time of building permit/ subdivision review application.

7. Lot 2 of this Short Plat is located within land use classified as Open Space as disclosed by notice OSP-95-004 recorded March 25, 1996 under Auditor's File No. 9603250076 and is subject to the provisions of RCW 84.34, which include the requirement of a continuation of restricted use in order to continue the present assessment rate. A change in use can cause an increased assessment rate for present and past years. Any sale or transfer of all or a portion of said property requires execution of a notice of compliance form attached to the excise tax affidavit.

8. In accordance with Variance VA 00-0837 (aka PL 00-0837), the "shadow plat" lots annotated upon the face of this Short Plat are considered a graphic form of notice that any future subdivision shall be obligated to provide certain minimum density standards conditioned upon by hearing Examiner approval thereof stipulated under Conclusions of Law therein.
Items B(5) and B(7) of said conclusions of Law specifically address the "shadow plat" as follows:
Imposed:

(5) With any short plat approved, the applicant shall provide and record a shadow plat for both lots that illustrates future compliance with the density of four units per acre. The shadow plat must accommodate full urban utilities and infrastructure for the property buildout. The shadow plat will serve as notice of lot size and density requirements for future development but shall not bind a future developer to the specific layout presented.

(7) Notes must be placed on the short plat that would allow future lots that may be platted on Lot 1 to access the 60 foot easement on the north side of Lot 2.

(RESTRICTIONS CONT.)

9. All lots within this subdivision are subject to impact fees on issuance of a building permit.

10. Future building permits upon lots within this Short Plat shall be subject to Concurrency Requirements as stipulated within City of Mount Vernon Ordinance No. 2839 as passed and adopted September 16, 1997, as it may be amended, supplemented or substituted. Said review may require off-site improvements.

**TITLE COMPANY SUBDIVISION
GUARANTEE EXCEPTIONS
AND RECOMMENDATION**

In accordance with that First American Title Insurance Company Subdivision Guarantee Order No. 65080A, Policy No. H-443369 dated February 2, 2001 at 8:00 a.m., title to said real property herein is vested in JOHN G. THOMAS and SANDRA L. THOMAS, husband and wife. The following matters are excluded from the coverage of this guarantee:

1. Unpatented mining claims, reservations or exceptions in patents or in acts authorizing the issuance thereof.
2. Water rights, claims or title to water.
3. Tax Deeds to the State of Washington.
4. Documents pertaining to mineral estates.

SEWAGE DISPOSAL

The method of sewage disposal for single family residences (one each) upon Lots 1 and 2 of this Short Plat shall be by individual septic drainfield systems. The residence upon Lot 1 of this Short Plat is served by an existing septic drainfield system. The required soil logs for lots 1 and 2 have been prepared by Dick Gudmundson of Gudmundson Septic, Sewage System Designer, and have been submitted to and remain on file with the Skagit County Planning and Permit Center.

Further subdivision of Lots 1 and/or 2 of this Short Plat shall provide for full urban services at a minimum density of 4 units per acre in accordance with VA 00-0837 (aka PL 00-0837).

SHADOW PLAT NOTE

Existing and future property owners of Lots 1 and 2 of this Short Plat shall hold harmless all parties acknowledged upon the face of this instrument from any liability from any implication that the number of potential single family residential lots depicted by shadow plat hereon can and will be allowed. Any future platting activities upon said Lots 1 and/or 2 shall be subject to the Federal, State and Local laws in effect on that date. Furthermore, this shadow plat has been prepared with full knowledge that encroachments into wetland areas and buffers will be subject to approved mitigation plans and associated permits by Federal, State and Local agencies. (Including but not limited to, the following agencies: Army Corps of Engineers; Washington State Dept. of Ecology; Washington State Dept. of Fish and Wildlife; Skagit County; City of Mount Vernon.)

WATER SUPPLY

In accordance with a letter from the Public Utility District No. 1 of Skagit County to LeGro & Associates by Daniel Felix dated May 14, 2001, Water of sufficient quantity and/or quality for normal domestic purposes is currently being provided to Lot 1 of this Short Plat by meter from that 3" Water Main in Burlington Road.

Fire and domestic water service is available to Lot 2 of this Short Plat from the existing 8" D.I. water main stubbed to the South property line of said Lot at Alpine View Drive and from that existing 6" water main in East Division Street.

SHADOW PLAT**CALCULATED LOT DENSITY**

Total No. of Lots = 44* = 44* = 4.04 Lots/Acre
(Total - (Street R/W, Wetlands & Buffer Areas) 20.90-10.01 10.99

* This total does not include those shadow plat lots depicted upon which the existing critical area and/or buffer areas encroach upon building sites. Said additional lots are subject to approved on-site wetland enhancement and buffer width averaging and/or an approved off-site wetland mitigation plan, and therefore are required 4 lots to the acre min. density standards.

COUNTY TREASURER'S APPROVAL

This is to Certify that all taxes heretofore levied and which have become a lien upon the lands herein described have been fully paid and discharged according to the records of my office, up to and including the year of 2002.
