incurred by Lender under the terms of this Deed of Trust, plus interest at the highest rate in effect, from time to time, as provided in the Evidence of Debt.

- E. Grantor's performance under the terms of any instrument evidencing a debt by Grantor to Lender and any Deed of Trust securing, guarantying, or otherwise relating to the debt.

If more than one person signs this Deed of Trust as Grantor, each Grantor agrees that this Deed of Trust will secure all future advances and future obligations described above that are given to or incurred by any one or more Grantor, or any one or more Grantor and others. This Deed of Trust will not secure any other debt if Lender fails, with respect to such other debt, to make any required disclosure about this Deed of Trust or if Lender fails to give any required notice of the right of rescission.

5. **PAYMENTS.** Grantor agrees to make all payments on the Secured Debt when due and in accordance with the terms of the Evidence of Debt or this Deed of Trust.
6. **WARRANTY OF TITLE.** Grantor covenants that Grantor is lawfully seized of the estate conveyed by this Deed of Trust and has the right to irrevocably grant, convey and sell to Trustee, in trust, with power of sale, the Property and warrants that the Property is unencumbered, except for encumbrances of record.
7. **CLAIMS AGAINST TITLE.** Grantor will pay all taxes, assessments, liens, encumbrances, lease payments, ground rents, utilities, and other charges relating to the Property when due. Lender may require Grantor to provide to Lender copies of all notices that such amounts are due and the receipts evidencing Grantor's payment. Grantor will defend title to the Property against any claims that would impair the lien of this Deed of Trust. Grantor agrees to assign to Lender, as requested by Lender, any rights, claims or defenses which Grantor may have against parties who supply labor or materials to improve or maintain the Property.
8. **PRIOR SECURITY INTERESTS.** With regard to any other mortgage, deed of trust, security agreement or other lien document that created a prior security interest or encumbrance on the Property and that may have priority over this Deed of Trust, Grantor agrees:
- A. To make all payments when due and to perform or comply with all covenants.
 - B. To promptly deliver to Lender any notices that Grantor receives from the holder.
 - C. Not to make or permit any modification or extension of, and not to request or accept any future advances under any note or agreement secured by, the other mortgage, deed of trust or security agreement unless Lender consents in writing.
9. **DUE ON SALE OR ENCUMBRANCE.** Lender may, at its option, declare the entire balance of the Secured Debt to be immediately due and payable upon the creation of any lien, encumbrance, transfer, or sale, or contract for any of these on the Property. However, if the Property includes Grantor's residence, this section shall be subject to the restrictions imposed by federal law (12 C.F.R. 591), as applicable. For the purposes of this section, the term "Property" also includes any interest to all or any part of the Property. This covenant shall run with the Property and shall remain in effect until the Secured Debt is paid in full and this Deed of Trust is released.
10. **TRANSFER OF AN INTEREST IN THE GRANTOR.** If Grantor is an entity other than a natural person (such as a corporation or other organization), Lender may demand immediate payment if (1) a beneficial interest in Grantor is sold or transferred; (2) there is a change in either the identity or number of members of a partnership or similar entity; or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation or similar entity. However, Lender may not demand payment in the above situations if it is prohibited by law as of the date of this Deed of Trust.
11. **ENTITY WARRANTIES AND REPRESENTATIONS.** If Grantor is an entity other than a natural person (such as a corporation or other organization), Grantor makes to Lender the following warranties and representations which shall be continuing as long as the Secured Debt remains outstanding:
- A. Grantor is an entity which is duly organized and validly existing in the Grantor's state of incorporation (or organization). Grantor is in good standing in all states in which Grantor transacts business. Grantor has the power and authority to own the Property and to carry on its business as now being conducted and, as applicable, is qualified to do so in each state in which Grantor operates.
 - B. The execution, delivery and performance of this Deed of Trust by Grantor and the obligation evidenced by the Evidence of Debt are within the power of Grantor, have been duly authorized, have received all necessary governmental approval, and will not violate any provision of law, or order of court or governmental agency.
 - C. Other than disclosed in writing Grantor has not changed its name within the last ten years and has not used any other trade or fictitious name. Without Lender's prior written consent, Grantor does not and will not use any other name and will preserve its existing name, trade names and franchises until the Secured Debt is satisfied.

12. PROPERTY CONDITION, ALTERATIONS AND INSPECTION. Grantor will keep the Property in good condition and make all repairs that are reasonably necessary. Grantor will give Lender prompt notice of any loss or damage to the Property. Grantor will keep the Property free of noxious weeds and grasses. Grantor will not initiate, join in or consent to any change in any private restrictive covenant, zoning ordinance or other public or private restriction limiting or defining the uses which may be made of the Property or any part of the Property, without Lender's prior written consent. Grantor will notify Lender of all demands, proceedings, claims, and actions against Grantor or any other owner made under law or regulation regarding use, ownership and occupancy of the Property. Grantor will comply with all legal requirements and restrictions, whether public or private, with respect to the use of the Property. Grantor also agrees that the nature of the occupancy and use will not change without Lender's prior written consent.

No portion of the Property will be removed, demolished or materially altered without Lender's prior written consent except that Grantor has the right to remove items of personal property comprising a part of the Property that become worn or obsolete, provided that such personal property is replaced with other personal property at least equal in value to the replaced personal property, free from any title retention device, security agreement or other encumbrance. Such replacement of personal property will be deemed subject to the security interest created by this Deed of Trust. Grantor shall not partition or subdivide the Property without Lender's prior written consent. Lender or Lender's agents may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property. Any inspection of the Property shall be entirely for Lender's benefit and Grantor will in no way rely on Lender's inspection.

13. AUTHORITY TO PERFORM. If Grantor fails to perform any of Grantor's duties under this Deed of Trust, or any other mortgage, deed of trust, security agreement or other lien document that has priority over this Deed of Trust, Lender may, without notice, perform the duties or cause them to be performed. Grantor appoints Lender as attorney in fact to sign Grantor's name or pay any amount necessary for performance. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect Lender's security interest in the Property. This may include completing the construction.

Lender's right to perform for Grantor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Deed of Trust. Any amounts paid by Lender for insuring, preserving or otherwise protecting the Property and Lender's security interest will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect from time to time according to the terms of the Evidence of Debt.

14. ASSIGNMENT OF LEASES AND RENTS. Grantor irrevocably assigns, grants and conveys to Lender as additional security all the right, title and interest in the following (Property).

- A. Existing or future leases, subleases, licenses, guaranties and any other written or verbal agreements for the use and occupancy of the Property, including but not limited to, any extensions, renewals, modifications or replacements (Leases).
- B. Rents, issues and profits, including but not limited to, security deposits, minimum rents, percentage rents, additional rents, common area maintenance charges, parking charges, real estate taxes, other applicable taxes, insurance premium contributions, liquidated damages following default, cancellation premiums, "loss of rents" insurance, guest receipts, revenues, royalties, proceeds, bonuses, accounts, contract rights, general intangibles, and all rights and claims which Grantor may have that in any way pertain to or are on account of the use or occupancy of the whole or any part of the Property (Rents).

In the event any item listed as Leases or Rents is determined to be personal property, this Assignment will also be regarded as a security agreement.

Grantor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies. The existing Leases will be provided on execution of the Assignment, and all future Leases and any other information with respect to these Leases will be provided immediately after they are executed. Grantor may collect, receive, enjoy and use the Rents so long as Grantor is not in default. Grantor will not collect in advance any Rents due in future lease periods, unless Grantor first obtains Lender's written consent. Upon default, Grantor will receive any Rents in trust for Lender and Grantor will not commingle the Rents with any other funds. When Lender so directs, Grantor will endorse and deliver any payments of Rents from the Property to Lender. Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses. Grantor agrees that this Security Instrument is immediately effective between Grantor and Lender and effective as to third parties on the recording of this Assignment. This Security Instrument will remain effective during any statutory redemption period until the Secured Debts are satisfied.

As long as this Assignment is in effect, Grantor warrants and represents that no default exists under the Leases, and the parties subject to the Leases have not violated any applicable law on leases, licenses and landlords and tenants. Grantor, at its sole cost and expense, will keep, observe and perform, and require all other parties to the Leases to comply with the Leases and any applicable law. If Grantor or any party to the Lease defaults or fails to observe any applicable law, Grantor will promptly notify Lender. If Grantor neglects or refuses to enforce compliance with the terms of the Leases, then Lender may, at Lender's option, enforce compliance.

Grantor will not sublet, modify, extend, cancel, or otherwise alter the Leases, or accept the surrender of the Property covered by the Leases (unless the Leases so require) without Lender's consent. Grantor will not assign, compromise, subordinate or encumber the Leases and Rents without Lender's prior written consent. Lender does not assume or become liable for the Property's maintenance, depreciation, or other losses or damages when Lender acts to manage, protect or preserve the Property, except for losses and damages due to Lender's gross negligence or intentional torts. Otherwise, Grantor will indemnify Lender and hold Lender harmless for all liability, loss or damage that Lender may incur when Lender opts to exercise any of its remedies against any party obligated under the Leases. When the Property is not farm land or the homestead of Grantor or Grantor's successor in interest, Grantor agrees that Lender is entitled to notify Grantor or Grantor's tenants to make payments of Rents due or to become due directly to Lender after such recording, however Lender agrees not to notify Grantor's tenants until Grantor defaults and Lender notifies Grantor of the default and demands that Grantor and Grantor's tenants pay all Rents due or to become due directly to Lender. Grantor consents to Grantor's tenants paying all Rents due or to become due directly to Lender after Lender makes notification and demand to Grantor. When the Property is farm land or the homestead of Grantor or Grantor's successor in interest, Lender may not enforce this Security Instrument by taking possession of the Property for the purpose of collecting Rents, but Lender may seek the appointment of a receiver to take charge of the Property, collect the Rents for non-homestead Property, and apply the Rents under this Assignment.

15. CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. If the Property includes a unit in a condominium or a planned unit development, Grantor will perform all of Grantor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development.

16. DEFAULT. Grantor will be in default if any of the following occur:

- A. Any party obligated on the Secured Debt fails to make payment when due;
- B. A breach of any term or covenant in this Deed of Trust, any prior mortgage or any construction loan agreement, security agreement or any other document evidencing, guarantying, securing or otherwise relating to the Secured Debt;
- C. The making or furnishing of any verbal or written representation, statement or warranty to Lender that is false or incorrect in any material respect by Grantor or any person or entity obligated on the Secured Debt;
- D. The death, dissolution, or insolvency of, appointment of a receiver for, or application of any debtor relief law to, Grantor or any person or entity obligated on the Secured Debt;
- E. A good faith belief by Lender at any time that Lender is insecure with respect to any person or entity obligated on the Secured Debt or that the prospect of any payment is impaired or the value of the Property is impaired;
- F. A material adverse change in Grantor's business including ownership, management, and financial conditions, which Lender in its opinion believes impairs the value of the Property or repayment of the Secured Debt; or
- G. Any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

17. REMEDIES ON DEFAULT. In some instances, federal and state law will require Lender to provide Grantor with notice of the right to cure, mediation notices or other notices and may establish time schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Deed of Trust in a manner provided by law if this Grantor is in default.

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the Evidence of Debt, other evidences of debt, this Deed of Trust and any related documents including without limitation, the power to sell the Property.

If there is a default, Trustee shall, in addition to any other permitted remedy, at the request of the Lender, advertise and sell the Property as a whole or in separate parcels at public auction to the highest bidder for cash and convey absolute title free and clear of all right, title and interest of Grantor at such time and place as Trustee designates. Trustee shall give notice of sale including the time, terms and

(page 5 of 11)

place of sale and a description of the property to be sold as required by the applicable law in effect at the time of the proposed sale.

Upon sale of the Property and to the extent not prohibited by law, Trustee shall make and deliver a deed to the Property sold which conveys absolute title to the purchaser, and after first paying all fees, charges and costs, shall pay to Lender all moneys advanced for repairs, taxes, insurance, liens, assessments and prior encumbrances and interest thereon, and the principal and interest on the Secured Debt, paying the surplus, if any, to Grantor. Lender may purchase the Property. The recitals in any deed of conveyance shall be prima facie evidence of the facts set forth therein.

All remedies are distinct, cumulative and not exclusive, and the Lender is entitled to all remedies provided at law or equity, whether expressly set forth or not. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require full and complete cure of any existing default. By not exercising any remedy on Grantor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.

18. EXPENSES; ADVANCES ON COVENANTS; ATTORNEYS' FEES; COLLECTION COSTS. Except when prohibited by law, Grantor agrees to pay all of Lender's expenses if Grantor breaches any covenant in this Deed of Trust. Grantor will also pay on demand all of Lender's expenses incurred in collecting, insuring, preserving or protecting the Property or in any inventories, audits, inspections or other examination by Lender in respect to the Property. Grantor agrees to pay all costs and expenses incurred by Lender in enforcing or protecting Lender's rights and remedies under this Deed of Trust, including, but not limited to, attorneys' fees, court costs, and other legal expenses. Once the Secured Debt is fully and finally paid, Lender agrees to release this Deed of Trust and Grantor agrees to pay for any recordation costs. All such amounts are due on demand and will bear interest from the time of the advance at the highest rate in effect, from time to time, as provided in the Evidence of Debt and as permitted by law.

19. ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES. As used in this section, (1) "Environmental Law" means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U.S.C. 9601 et seq.), all other federal, state and local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the public health, safety, welfare, environment or a hazardous substance; and (2) "Hazardous Substance" means any toxic, radioactive or hazardous material, waste, pollutant or contaminant which has characteristics which render the substance dangerous or potentially dangerous to the public health, safety, welfare or environment. The term includes, without limitation, any substances defined as "hazardous material," "toxic substances," "hazardous waste," "hazardous substance," or "regulated substance" under any Environmental Law. Grantor represents, warrants and agrees that, except as previously disclosed and acknowledged in writing:

- A. No Hazardous Substance has been, is, or will be located, transported, manufactured, treated, refined, or handled by any person on, under or about the Property, except in the ordinary course of business and in strict compliance with all applicable Environmental Law.
- B. Grantor has not and will not cause, contribute to, or permit the release of any Hazardous Substance on the Property.
- C. Grantor will immediately notify Lender if (1) a release or threatened release of Hazardous Substance occurs on, under or about the Property or migrates or threatens to migrate from nearby property; or (2) there is a violation of any Environmental Law concerning the Property. In such an event, Grantor will take all necessary remedial action in accordance with Environmental Law.
- D. Grantor has no knowledge of or reason to believe there is any pending or threatened investigation, claim, or proceeding of any kind relating to (1) any Hazardous Substance located on, under or about the Property; or (2) any violation by Grantor or any tenant of any Environmental Law. Grantor will immediately notify Lender in writing as soon as Grantor has reason to believe there is any such pending or threatened investigation, claim, or proceeding. In such an event, Lender has the right, but not the obligation, to participate in any such proceeding including the right to receive copies of any documents relating to such proceedings.
- E. Grantor and every tenant have been, are and shall remain in full compliance with any applicable Environmental Law.
- F. There are no underground storage tanks, private dumps or open wells located on or under the Property and no such tank, dump or well will be added unless Lender first consents in writing.
- G. Grantor will regularly inspect the Property, monitor the activities and operations on the Property, and confirm that all permits, licenses or approvals required by any applicable Environmental Law are obtained and complied with.
- H. Grantor will permit, or cause any tenant to permit, Lender or Lender's agent to enter and inspect the Property and review all records at any reasonable time to determine (1) the existence,

De (page 6 of 11)
MJA

location and nature of any Hazardous Substance on, under or about the Property; (2) the existence, location, nature, and magnitude of any Hazardous Substance that has been released on, under or about the Property; or (3) whether or not Grantor and any tenant are in compliance with applicable Environmental Law.

- I. Upon Lender's request and at any time, Grantor agrees, at Grantor's expense, to engage a qualified environmental engineer to prepare an environmental audit of the Property and to submit the results of such audit to Lender. The choice of the environmental engineer who will perform such audit is subject to Lender's approval.
- J. Lender has the right, but not the obligation, to perform any of Grantor's obligations under this section at Grantor's expense.
- K. As a consequence of any breach of any representation, warranty or promise made in this section, (1) Grantor will indemnify and hold Lender and Lender's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages, cleanup, response and remediation costs, penalties and expenses, including without limitation all costs of litigation and attorneys' fees, which Lender and Lender's successors or assigns may sustain; and (2) at Lender's discretion, Lender may release this Deed of Trust and in return Grantor will provide Lender with collateral of at least equal value to the Property secured by this Deed of Trust without prejudice to any of Lender's rights under this Deed of Trust.
- L. Notwithstanding any of the language contained in this Deed of Trust to the contrary, the terms of this section shall survive any foreclosure or satisfaction of this Deed of Trust regardless of any passage of title to Lender or any disposition by Lender of any or all of the Property. Any claims and defenses to the contrary are hereby waived.

20. CONDEMNATION. Grantor will give Lender prompt notice of any action, real or threatened, by private or public entities to purchase or take any or all of the Property, including any easements, through condemnation, eminent domain, or any other means. Grantor further agrees to notify Lender of any proceedings instituted for the establishment of any sewer, water, conservation, ditch, drainage, or other district relating to or binding upon the Property or any part of it. Grantor authorizes Lender to intervene in Grantor's name in any of the above described actions or claims and to collect and receive all sums resulting from the action or claim. Grantor assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the Property. Such proceeds shall be considered payments and will be applied as provided in this Deed of Trust. This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

21. INSURANCE. Grantor agrees to maintain insurance as follows:

- A. Grantor shall keep the Property insured against loss by fire, theft and other hazards and risks reasonably associated with the Property due to its type and location. Other hazards and risks may include, for example, coverage against loss due to floods or flooding. This insurance shall be maintained in the amounts and for the periods that Lender requires. What Lender requires pursuant to the preceding three sentences can change during the term of the Secured Debt. The insurance carrier providing the insurance shall be chosen by Grantor subject to Lender's approval, which shall not be unreasonably withheld. If Grantor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Deed of Trust.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "lender loss payee clause." Grantor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals. If Lender requires, Grantor shall immediately give to Lender all receipts of paid premiums and renewal notices. Upon loss, Grantor shall give immediate notice to the insurance carrier and Lender. Lender may make proof of loss if not made immediately by Grantor.

Unless Lender and Grantor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the Secured Debt, whether or not then due, with any excess paid to Grantor. If Grantor abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay the Secured Debt whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Grantor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of scheduled payments or change the amount of the payments. If the Property is acquired by Lender, Grantor's right to any insurance policies and

(page 7 of 11)
[Handwritten signature]

proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt immediately before the acquisition.

- B. Grantor agrees to maintain comprehensive general liability insurance naming Lender as an additional insured in an amount acceptable to Lender, insuring against claims arising from any accident or occurrence in or on the Property.
- C. Grantor agrees to maintain rental loss or business interruption insurance, as required by Lender, in an amount equal to at least coverage of one year's debt service, and required escrow account deposits (if agreed to separately in writing), under a form of policy acceptable to Lender.

22. NO ESCROW FOR TAXES AND INSURANCE. Unless otherwise provided in a separate agreement, Grantor will not be required to pay to Lender funds for taxes and insurance in escrow.

23. FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS. Grantor will provide to Lender upon request, any financial statement or information Lender may deem necessary. Grantor warrants that all financial statements and information Grantor provides to Lender are, or will be, accurate, correct, and complete. Grantor agrees to sign, deliver, and file as Lender may reasonably request any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Grantor's obligations under this Deed of Trust and Lender's lien status on the Property. If Grantor fails to do so, Lender may sign, deliver, and file such documents or certificates in Grantor's name and Grantor hereby irrevocably appoints Lender or Lender's agent as attorney in fact to do the things necessary to comply with this section.

24. JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND. All duties under this Deed of Trust are joint and individual. If Grantor signs this Deed of Trust but does not sign the Evidence of Debt, Grantor does so only to mortgage Grantor's interest in the Property to secure payment of the Secured Debt and Grantor does not agree to be personally liable on the Secured Debt. Grantor agrees that Lender and any party to this Deed of Trust may extend, modify or make any change in the terms of this Deed of Trust or the Evidence of Debt without Grantor's consent. Such a change will not release Grantor from the terms of this Deed of Trust. The duties and benefits of this Deed of Trust shall bind and benefit the successors and assigns of Grantor and Lender.

If this Deed of Trust secures a guaranty between Lender and Grantor and does not directly secure the obligation which is guarantied, Grantor agrees to waive any rights that may prevent Lender from bringing any action or claim against Grantor or any party indebted under the obligation including, but not limited to, anti-deficiency or one-action laws.

25. APPLICABLE LAW; SEVERABILITY; INTERPRETATION. This Deed of Trust is governed by the laws of the jurisdiction in which Lender is located, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Deed of Trust is complete and fully integrated. This Deed of Trust may not be amended or modified by oral agreement. Any section or clause in this Deed of Trust, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section or clause of this Deed of Trust cannot be enforced according to its terms, that section or clause will be severed and will not affect the enforceability of the remainder of this Deed of Trust. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Deed of Trust are for convenience only and are not to be used to interpret or define the terms of this Deed of Trust. Time is of the essence in this Deed of Trust.

26. SUCCESSOR TRUSTEE. Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee by an instrument recorded in the county in which this Deed of Trust is recorded. The successor trustee, without conveyance of the Property, shall succeed to all the title, power and duties conferred upon the Trustee by this Deed of Trust and applicable law.

27. NOTICE. Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by both first class mail and either registered or certified mail, return receipt requested, to the appropriate party's address on page 1 of this Deed of Trust, or to any other address designated in writing. Notice to one grantor will be deemed to be notice to all grantors.

28. USE OF PROPERTY. The property subject to this Deed of Trust is not used principally for agricultural purposes.

29. U.C.C. PROVISIONS. If checked, the following are applicable to, but do not limit, this Deed of Trust:

- Construction Loan.** This Deed of Trust secures an obligation incurred for the construction of an improvement on the Property.
- Fixture Filing.** Grantor grants to Lender a security interest in all goods that Grantor owns now or in the future and that are or will become fixtures related to the Property.

- Crops; Timber; Minerals; Rents, Issues and Profits.** Grantor grants to Lender a security interest in all crops, timber, and minerals located on the Property as well as all rents, issues, and profits of them including, but not limited to, all Conservation Reserve Program (CRP) and Payment in Kind (PIK) payments and similar governmental programs (all of which shall also be included in the term "Property").
- Personal Property.** Grantor grants to Lender a security interest in all personal property located on or connected with the Property. This security interest includes all farm products, inventory, equipment, accounts, documents, instruments, chattel paper, general intangibles, and all other items of personal property Grantor owns now or in the future and that are used or useful in the construction, ownership, operation, management, or maintenance of the Property. The term "personal property" specifically excludes that property described as "household goods" secured in connection with a "consumer" loan as those terms are defined in applicable federal regulations governing unfair and deceptive credit practices.
- Filing As Financing Statement.** Grantor agrees and acknowledges that this Deed of Trust also suffices as a financing statement and as such, may be filed of record as a financing statement for purposes of Article 9 of the Uniform Commercial Code. A carbon, photographic, image or other reproduction of this Deed of Trust is sufficient as a financing statement.

30. OTHER TERMS. If checked, the following are applicable to this Deed of Trust:

- Line of Credit.** The Secured Debt includes a revolving line of credit provision. Although the Secured Debt may be reduced to a zero balance, this Deed of Trust will remain in effect until released.
- Separate Assignment.** The Grantor has executed or will execute a separate assignment of leases and rents. If the separate assignment of leases and rents is properly executed and recorded, then the separate assignment will supersede this Security Instrument's "Assignment of Leases and Rents" section.
- Additional Terms.**
