1. The consideration for the execution of this Deed in Lieu consists of the release of the Grantor(s) from any personal liability for repayment of the amount due to the Grantee under the promissory note (loan #1292003256) dated June 18, 2009, outstanding as of the date hereof. Nothing shall be construed to release the Grantor(s) or any other party from any other obligations to the Grantee, including any other obligations that may also be secured by the Deed of Trust described above, or to preclude or otherwise prejudice the Grantee's right to proceed with a foreclosure action against the property or any other property secured by the Deed of Trust, provided that the Grantee shall not seek any deficiency judgment against the Grantor(s) in such foreclosure. The consideration set forth above is equal to the fair market value of the property and includes the fair and reasonable value of the Grantor(s) interest in the property.
2. This deed is executed voluntarily by Grantors, and not pursuant to duress or threats of any kind. Furthermore, it is executed and delivered in mutual good faith between Grantors and Grantee, and is not given or intended to hinder, delay, or defraud any creditor, or to contravene any of the bankruptcy laws of the United States or applicable laws.
3. Grantor(s) further warrant and represent that: (a) the Grantors have full power and authority to execute and deliver this Deed in Lieu; (b) this conveyance and assignment is freely and fairly made; and (c) Grantors are not rendered insolvent by this conveyance and assignment.
4. The Grantee by accepting and recording this deed does not intend a merger of its interest under that certain deed of trust referenced above with the fee title herein conveyed to take place, and it is the intention of the parties that the property described above shall remain subject to the lien of said deed of trust. Although the Grantee waives its right to pursue a personal judgment against the Grantor(s) for the debt(s) referenced in Paragraph 1, above, the Grantee retains the right to proceed with the foreclosure of the Deed of Trust, against the property in the event a foreclosure is required to clear title to the property of any existing or future encumbrances junior to the Deed of Trust.
