TEMPORARY MAINTENANCE EASEMENT

The undersigned, Kenneth Richard Johnson and Wendy Sue Johnson, husband and wife, ("Grantors"), for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, hereby grants to **Skagit County**, a political subdivision of the State of Washington ("Grantee"), a temporary, non-exclusive maintenance easement and appurtenances thereto ("Temporary Easement"), as provided herein. Grantors and Grantee may be individually referred to herein as a "party", and may be collectively referred to herein as the "parties." The terms of this Temporary Easement are further provided as follows:

1. Nature and Location of Easement. The Temporary Easement hereby granted by Grantors herein shall be a temporary maintenance easement for the benefit of Grantee, Grantee's agents, employees, and contractors over, upon, across, through, a portion of real property located within and upon Grantor's Property, such Temporary Easement as legally described on *Exhibit "A"* and as further described and depicted on *Exhibit "B"*, attached hereto and incorporated herein by this reference, for the purpose of providing a temporary maintenance

easement (and any related appurtenances thereto), including the right of ingress and egress with all necessary equipment for Project purposes, including maintenance of existing culvert(s), conveyance system(s), and/or existing structure(s) within said Temporary Easement, and for any and all other purposes reasonably related thereto. A legal description for the Grantors' Property is attached hereto as *Exhibit "C"*, and is hereby incorporated by reference. The Temporary Easement shall be for the purpose of a Project (as described at Exhibit "D").

2. Use of Easement. The Grantee, Grantee's employees, agents, and contractors, shall have the sole right, without notice, and at all times, to enter upon the Grantors' Property within the Temporary Easement area (as described and depicted in *Exhibit "A"* and *"B"*) for purposes of using the Temporary Easement for Project purposes, including the maintenance of existing culvert(s), conveyance system(s), and/or existing structure(s) as further described at *Exhibit "D"* attached hereto and incorporated by reference. Grantors shall not have the right to exclude Grantee, Grantee's employees, agents, contractors, or other third parties from the Temporary Easement. Grantors shall not place, construct, or cause to be placed or constructed or maintained any building, structure, obstruction, and/or improvements within or upon the Temporary Easement area while the Temporary Easement is in effect, without approval of the Grantee.

2.1 Grantors specifically recognize and agree that the Grantee is not responsible or liable for any drainage or surface water impact or damage to Grantors' Property resulting from this Temporary Easement, and Grantors release and hold harmless Grantee from any drainage or surface water impact or damages to Grantors' Property resulting from and/or related to this Temporary Easement. Grantee otherwise agrees to be responsible for damages solely arising from the negligent acts of its employees, agents, or representatives on Grantors' Property in exercise of Grantee's rights herein granted by this Temporary Easement. Grantee assumes no liability for any alleged damage resulting subsequent to the termination of this Temporary Easement, or from any source other than as expressly set forth herein.

3. Termination of Temporary Easement. This Temporary Easement shall expire and terminate at such time as the Grantee has completed the Project or activity necessitating the use of the Temporary Easement as described hereinabove (as determined by Grantee). This Temporary Easement shall otherwise expire by its own terms and terminate on December 31, 2012, whichever is sooner.

4. Governing Law; Venue. This Temporary Easement shall be construed under the laws of the State of Washington. It is agreed by the parties that the venue for any legal action brought under or relating to the term of this Temporary Easement shall be in Skagit County, State of Washington.
