3. The Deed of Trust provided that the Property is not used principally for agricultural or farming purposes and the Grantor has no actual knowledge that the Property is used principally for agricultural or farming purposes.

4. Default having occurred in the obligations secured and/or covenants of the Deed of Trust grantor, as set forth in Notice of Trustee's Sale described below, which by the terms of the Deed of Trust make operative the power to sell, the thirty-day advance Notice of Default was transmitted to the Deed of Trust grantor, or his successor in interest, and a copy of said Notice was posted or served in accordance with law.

5. Federal National Mortgage Association ("FNMA"), being then the holder of the indebtedness secured by the Deed of Trust, delivered to said Grantor a written request directing Grantor to sell the Property in accordance with law and the terms of the Deed of Trust.

6. The defaults specified in the "Notice of Default" not having been cured, the Grantor, in compliance with the terms of the Deed of Trust, executed and on 05/21/13, recorded in the office of the Auditor of Skagit County, Washington, a "Notice of Trustee's Sale" of the Property under Auditor's File No. 201305210120.

9. All legal requirements and all provisions of said Deed of Trust have been complied with, as to acts to be performed and notices to be given, as provided in chapter 61.24 RCW.

10. The defaults specified in the "Notice of Trustee's Sale" not having been cured ten days prior to the date of Trustee's Sale and said obligation secured by said Deed of Trust remaining unpaid, on September 20, 2013, the date of sale, which was not less than 190 days from the date of default in the obligation secured, the Grantor then and there sold the Property at public auction to said Beneficiary, the highest bidder therefore, for the sum of \$225,055.15. Beneficiary then directed Grantor to issue this Trustee's Deed directly to Grantee.
