NOTICE OF ENCROACHMENT

THIS NOTICE OF ENCROACHMENT ("Notice") is dated this ____ day of April 2014.

RECITALS

- A. Anacortes Apartment Associates, a Washington limited partnership (the "Owner") owns the real property described on attached Exhibit A located at 1110 29th Street, Anacortes, Washington (the "Burdened Property"). At some time in the past several years a sewer line extension (the "SLE") benefiting the real property described on one or more of the legal descriptions shown on attached Exhibit B (the "Benefited Property") was placed

over, through and under the Burdened Property. The Owner's offices are in Bellingham, Washington. Such use been has been made without permission or acquiesce of the Owner and under no right, license, lease or other agreement of Owner.

- B. Owner just recently discovered the existence of the SLE that is an unauthorized use of Owner's land and sewer line connection, including the pumping system. Further, Owner has been paying such sewer service fees and real estate taxes for the Burdened Property all along without knowledge of the existence of the SLE or its encroachment onto Owner's property.
- C. Several of the elements of achieving prescription rights as to use of the Burdened Property to benefit the Benefited Property have not been met and will not be met. Therefore, regardless of the time period that this encroachment has occurred, the owner(s) of the Benefited Property do not have and will not have any right to the use or benefit from the Burdened Property in this manner. Such encroachment represents one or more tort offenses as well as violation of City of Anacortes and/or sewer provider rules and ordinances for tapping into sewer services without authorization.
- D. This document being recorded to provide notice of this unauthorized encroachment.

ENCROACHMENT

OWNER HEREBY NOTIFIES THE OWNER(S) OF THE BENEFITED PROPERTY AND THE PUBLIC, THAT THE SLE, AND THE ENCROACHMENT OF SAME ON, THROUGH AND/OR UNDER THE BURDENED PROPERTY, AND THE USE OF THE BURDENED PROPERTY AND ITS SEWER FACILITIES IN ANY WAY TO BENEFIT THE BENEFITED PROPERTY WAS AND IS NOT AUTHORIZED. THE BENEFITED PROPERTY HAS NO PERMISSION OR LEGAL RIGHT TO ANY SUCH USE.
