WITNESSETH:

This deed is granted for the purpose of securing payment of the sum of Two Hundred Forty Nine Thousand Dollars (\$249,000.00), with interest, in accordance with the terms of a promissory note of even date herewith (the "Note"), payable to Beneficiary, and made by Grantor, and all renewals, modifications, future advances and extensions thereof.

2. To pay before delinquent all lawful taxes and assessments upon the property; to keep the property free and clear of all other charges, liens or encumbrances impairing the security of this instrument, and not to pledge, sell, transfer, convey or grant any security interest in the property, whether superior or junior to the lien created hereby.

3. To keep all buildings now or hereafter erected on the property described herein continuously insured against loss by fire or other hazards in an aggregate amount not less than the total debt secured by this Instrument and other prior liens. All policies shall be in such companies as the Beneficiaries may approve and have loss payable to the Beneficiary as Beneficiary's interest may appear and then to the Grantor. The amount collected under any insurance policy may be applied upon any indebtedness hereby secured in such order as the Beneficiary shall determine. 4. To protect, defend, indemnify and hold harmless the Beneficiary and its successors and assigns from and against any and all claims, demands, losses, expenses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including but not limited to reasonable attorneys' fees and expenses) pursuant to any federal, state or local laws or regulations relating to protection of health, safety or the environment ("Environmental Laws") resulting from (i) the use, generation, transportation, storage, disposal or presence on the property of any Hazardous Materials or the release or discharge of any Hazardous Materials on, under or from the Property by Purchasers or their licensees, franchisees, sublessees, lessees, employees, agents, contractors or subcontractors, or any third persons at any time occupying or present on the Property, (ii) any failure, subsequent to Closing, to comply with any Environmental Laws, whether by Purchasers or their licensees, franchisees, sublessees, lessees, employees, agents, contractors or subcontractors, or any third persons at any time occupying or present on the Property during Purchasers' ownership, (iii) the treatment, storage or disposal off the Property, subsequent to Closing, of any Hazardous Materials, whether by Purchasers or their licensees, franchisees, sublessees, lessees, employees, agents, contractors or subcontractors, or any third persons at any time occupying or present on the Property.

5. To defend any action or proceeding purporting to affect the security hereof or the rights or powers of the Beneficiary or Trustee, and to pay all costs and expenses, including cost of title search and attorney's fees in a reasonable amount, in any such action or proceeding, and in any suit brought by Beneficiary to foreclose this Instrument.

6. To pay all costs, fees and expenses in connection with this Instrument incurred in enforcing the obligation secured hereby and Trustees, Receivers, and attorney's fees actually incurred.

7. Should Grantor fail to pay when due any taxes, assessments, insurance premiums, liens, encumbrances or other charges against the property herein described, Beneficiary may pay the same, and the amount so paid, with interest at the rate set forth in the note secured hereby, shall be added to and become a part of the debt secured in this Instrument.

16. No proceedings in bankruptcy or insolvency have ever been instituted by or against Grantor or any affiliate thereof, and no such proceeding is now pending or contemplated.

19. The execution and delivery of the Loan Documents will not violate or contravene in any way the articles of incorporation or bylaws or partnership agreement, articles of organization or operating agreement, as the case may be, of Grantor or any indenture, agreement or instrument to which Grantor is a party or by which it or its property may be bound, or be in conflict with, result in a breach of or constitute a default under any such indenture, agreement or other instrument, result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Grantor, except as contemplated by the provisions of such Loan Documents, and no action or approval with respect thereto by any third person is required.

27. The Loan is for business and commercial use and is not for personal, family or household purposes. Substantially all of the proceeds of the Loan are being used to acquire or improve or protect an interest in real property (as that term is defined in the United States Treasury regulations section 1.860G-2(a)(4)) which interest in real property is the only security for the Loan or the fair market value of such interest in real property is at least equal to eighty percent (80%) of the principal amount of the Loan.

IT IS MUTUALLY AGREED THAT:

1. In the event any portion of the property is taken or damaged in an eminent domain proceeding, the entire amount of the award or such portion thereof as may be necessary to fully satisfy the obligation secured hereby shall be paid to Beneficiary to be applied to said obligation.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive Beneficiary's right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.

3. The Trustee shall reconvey all or any part of the property covered by this Instrument to the person entitled thereto on written request of the Grantor and the Beneficiary, or upon satisfaction of the obligation secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.

4. Upon default by Grantor in the payment of any indebtedness secured hereby or in the performance of the Note or any agreement contained herein, which default other than payment is not cured within thirty (30) days after written notice to Grantor from the Beneficiary specifying the default, or if it cannot be cured within said thirty (30) days, consistently and diligently pursued thereafter until cured, all sums secured by the Note and this Instrument shall become immediately due and payable at the option of the Beneficiary. In such event and upon written request of the Beneficiary, Trustee or its authorized agent shall exercise the power of sale granted herein and sell the property, in accordance with the laws of the State of Washington, at public auction to the highest bidder. Any person except the Trustee may bid at the Trustee's sale. The Trustee shall apply the proceeds of the sale as follows: (1) to the expense of sale, including a reasonable Trustee's fee and attorney's fees; (2) to the obligation secured by this Instrument; (3) the surplus, if any, shall be distributed to the persons entitled thereto.

5. The Trustee shall deliver to the purchaser at the sale a Trustee's deed, without warranty, which shall convey to the purchaser the interest in the property which Grantor had or had the power to convey at the time of Grantor's execution of this Instrument, and such as Grantor may have acquired thereafter. The Trustee's deed shall recite the facts showing that the sale was

conducted in compliance with all the requirements of law and of this Instrument, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of the bona fide purchasers and encumbrances for value.

6. The power of sale conferred by this Instrument and by the laws of the State of Washington is not an exclusive remedy; Beneficiary may cause this Instrument to be foreclosed as a mortgage.

7. In the event of the death, incapacity, disability or resignation of the Trustee, Beneficiary may appoint, in writing, a successor Trustee, and upon the recording of such appointment in the records of the county in which this Instrument is recorded, the successor Trustee shall be vested with all powers of the original Trustee. The Trustee is not obligated to notify any party hereto of pending sale under any other Instrument or of any action or proceeding in which Grantor, Trustee or Beneficiary shall be parties unless such action or proceeding is brought by the Trustee.

8. This Instrument applies to, inures to the benefit of, and is binding not only on the parties hereto, but on their heirs, devisees, legatees, administrators, executors, successors and assigns. The term "Beneficiary" shall mean the holder/holders and owner/owners of the Note secured hereby, whether or not named as Beneficiary herein.

9. In the event the Grantor makes any transfer of title to the real property which is subject to this Instrument, all sums secured hereby shall become immediately due and payable, at the option of the Beneficiary without demand or notice. A "transfer of title" shall include a transfer by real estate contract, vendee's assignment, deed, forfeiture, foreclosure, sheriff's sale, trustee's sale, deed in lieu of any such involuntary sale or lease with purchase option or for a term in excess of three (3) years (including extension of options). A "transfer of title" shall not include (i) a lease or other transfer of possession of the property without options to purchase the property or any interest therein; (ii) a transfer to a spouse of Grantor; (iii) a transfer by devise, descent, or operation of law resulting from the death of any person comprising the Grantor; (iv) a transfer into an inter vivos trust in which the Grantor is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property; or (v) a transfer resulting from a decree of dissolution of marriage, legal separation agreement, or property settlement agreement in which a spouse of any person comprising the Grantor retains or acquires the property. Notwithstanding the foregoing, Grantor may transfer the Property subject to the Instrument with the consent of Beneficiary, which consent may be withheld without reason.

10. Grantor acknowledges that in the event of default by Grantor in the making of payment or in the performance of any other terms and conditions of this Instrument, the period of time involved in repossession of said real and personal property by a trustee's sale could cause irreparable damage to Beneficiary and the real and personal property, and possible litigation, and/or foreclosure of prior encumbrances. For the foregoing reasons, Grantor hereby expressly agrees that in the event of a default, and while such default exists in the payment of any moneys or in the performance of any other terms and conditions of this Instrument, Beneficiary shall have the right upon the failure of Grantor to remedy the default within thirty (30) days after written notice to Grantor from Beneficiary specifying the default, to apply to the Skagit County Superior Court of the State of Washington for appointment of a Receiver to take charge of and maintain full control of said real and personal property; oust tenants for non-payment of rent; lease all or any portion thereof in the name of Grantor on such terms as the Receiver may deem best; make alterations and repairs as the Receiver may deem advisable and deduct the cost thereof from the rents; receive all rents and income therefrom and issue receipts therefor, and out of amounts so received to pay the necessary operating and maintenance expenses and retain or pay the customary charges for managing the property; pay any contract and/or mortgage and/or deed of trust payments due hereunder; pay any real or personal property taxes or assessments due; and pay insurance premiums or renewals thereof. After the payment of all of said items, the Receiver shall pay the excess so collected to Grantor. Said Receivership shall be terminated when the contract is no longer in default; and at such time, Receiver shall immediately restore to Grantor all rights and powers hereinabove granted to Receiver, notwithstanding the fact that Receiver has then not yet submitted a final accounting nor been discharged by order of court.

The appointment of a Receiver herein is solely for the purposes of preserving and maintaining the real and personal property, preventing the rents and profits from being lost or removed, maintaining the underlying encumbrances, if any, in current condition to prevent any delinquency which might result in litigation, and/or an action to forfeit or foreclose, as the case may be, by the holder of said underlying encumbrance, and to secure ample justice to the parties. The application for an appointment of said Receiver shall not affect or restrict the right of Beneficiary to any remedies granted to Beneficiary in this Instrument or otherwise provided by law in the event of default by Grantor and is not intended to and shall not be construed to expand or enlarge the rights of the Beneficiary under any of the remedies granted to Beneficiary in this Instrument or by the statutes or decisions of the courts of the State of Washington.

11. Grantor shall not make any material structural changes or alterations to the property securing this Instrument which would in any way impair or diminish the value of the security during the term of the Note without prior written consent of Beneficiary, which consent shall not be unreasonably withheld; provided, however, that Grantor shall not be required to obtain the consent of the Beneficiary to make ordinary and customary tenant improvements to the commercial space located within the property.

12. Upon any default in payment exceeding thirty (30) days by Grantor of the Note, and charges due under this Instrument, or under any other documents signed in connection with the closing of the sale to Grantor, Beneficiary shall have the right, provided prior written notice was

given to Grantor, to take possession of and manage the property and collect all rents, receipts, income and profits ("rents") thereof, including amounts past due and unpaid, and apply the net proceeds, over and above Beneficiary's costs, against the balance due under the Note and the instrument, and Grantor hereby assigns to Beneficiary such rents in the event of such default. In furtherance of this right, Beneficiary may require any tenant or other user of the Property to make payments of rent or use fees directly to Beneficiary. If the rents are collected by Beneficiary, then Grantor irrevocably designates Beneficiary as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Beneficiary in response to Beneficiary's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Beneficiary may exercise its rights under this paragraph either in person, by agent, or through a receiver, and the exercise of such rights shall be in addition to any other rights or remedies allowed hereunder or provided by law.

13. UNIFORM COMMERCIAL CODE SECURITY AGREEMENT.

(a) This instrument is also a security agreement under the Uniform Commercial Code for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the Uniform Commercial Code, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and Grantor hereby grants to Beneficiary a security interest in the UCC Collateral. Grantor hereby authorizes Beneficiary to prepare and file financing statements, continuation statements and financing statement amendments in such form as Beneficiary may require to perfect or continue the perfection of this security interest and Grantor agrees, if Beneficiary so requests, to execute and deliver to Beneficiary such financing statements, continuation statements and amendments. Grantor shall pay all filing costs and all costs and expenses of any record searches for financing statements and/or amendments that Beneficiary may require. Without the prior written consent of Beneficiary, Grantor shall not create or permit to exist any other lien or security interest in any of the UCC Collateral.

(b) Unless Grantor gives Notice to Beneficiary within 30 days after the occurrence of any of the following, and executes and delivers to Beneficiary modifications or supplements of this instrument (and any financing statement which may be filed in connection with this instrument) as Beneficiary may require, Grantor shall not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.

(c) If an Event of Default has occurred and is continuing, Beneficiary shall have the remedies of a secured party under the Uniform Commercial Code, in addition to all remedies provided by this instrument or existing under applicable law. In exercising any remedies, Beneficiary may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Beneficiary's other remedies.
