TEMPORARY MAINTENANCE EASEMENT

The undersigned, **Cottage Werks, LLC**, Washington Limited Liability Company ("Grantor"), for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, hereby grants to **Skagit County**, a political subdivision of the State of Washington ("Grantee"), a temporary, nonexclusive maintenance easement and appurtenances thereto ("Temporary Easement"), as provided herein. Grantor and Grantee may be individually referred to herein as a "party", and may be collectively referred to herein as the "parties." The terms of this Temporary Easement are further provided as follows:

1. Nature and Location of Easement. The Temporary Easement hereby granted by Grantor herein shall be a temporary maintenance easement for the benefit of Grantee, Grantee's agents, employees, and contractors over, upon, across, through, a portion of real property located within and upon Grantor's Property, such Temporary Easement as legally described on *Exhibit "A"* and as further described and depicted on *Exhibit "B"*, attached hereto and incorporated herein by this reference, for the purpose of providing a temporary maintenance easement (and any related appurtenances thereto), including the right of ingress and egress with all necessary equipment for Project purposes, including maintenance of existing culvert(s), conveyance system(s), and/or existing structure(s) within said Temporary Easement, and for any and all other purposes reasonably related thereto. A legal description for the Grantor's Property is attached hereto as *Exhibit "C"*, and is hereby

incorporated by reference. The Temporary Easement shall be for the purpose of a Project (as described at Exhibit "D").

2. Use of Easement. The Grantee, Grantee's employees, agents, and contractors, shall have the sole right, without notice, and at all times, to enter upon the Grantor's Property within the Temporary Easement area (as described and depicted in Exhibit "A" and "B") for purposes of using the Temporary Easement for Project purposes, including the maintenance of existing culvert(s), conveyance system(s), and/or existing structure(s) as further described at Exhibit "D" attached hereto and incorporated by reference. Grantor shall not have the right to exclude Grantee, Grantee's employees, agents, contractors, or other third parties from the Temporary Easement. Grantor shall not place, construct, or cause to be placed or constructed or maintained any building, structure, obstruction, and/or improvements within or upon the Temporary Easement area while the Temporary Easement is in effect, without approval of the Grantee.

2.1 Grantor specifically recognize and agree that the Grantee is not responsible or liable for any drainage or surface water impact or damage to Grantor's Property resulting from this Temporary Easement, and Grantor release and hold harmless Grantee from any drainage or surface water impact or damages to Grantor's Property resulting from and/or related to this Temporary Easement. Grantee otherwise agrees to be responsible for damages solely arising from the negligent acts of its employees, agents, or representatives on Grantor's Property in exercise of Grantee's rights herein granted by this Temporary Easement. Grantee assumes no liability for any alleged damage resulting subsequent to the termination of this Temporary Easement, or from any source other than as expressly set forth herein.

3. Termination of Temporary Easement. This Temporary Easement shall expire and terminate at such time as the Grantee has completed the Project or activity necessitating the use of the Temporary Easement as described hereinabove (as determined by Grantee). This Temporary Easement shall otherwise expire by its own terms and terminate on January 31, 2015, whichever is sooner.

4. Governing Law; Venue. This Temporary Easement shall be construed under the laws of the State of Washington. It is agreed by the parties that the venue for any legal action brought under or relating to the term of this Temporary Easement shall be in Skagit County, State of Washington.

5. Other Terms (Modifications; Neutral Authorship; Captions & Counterparts; Entire Agreement). This Temporary Easement may be changed, modified, amended or waived only by subsequent written agreement, duly executed by the parties hereto. Each of the terms and provisions of this Temporary Easement have been reviewed and negotiated, and represents the combined work product of the parties hereto. No presumption or other rules of construction which would interpret the provisions of this Temporary Easement in favor of or against the party preparing the same shall be applicable in connection with the construction or interpretation of any of the provisions of this Temporary Easement. The parties represent and warrant that they have fully read this Temporary Easement, that they understand its meaning and effect, and that they enter into this Temporary Easement with full knowledge of its terms. This Temporary Easement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall constitute but one agreement. This Temporary Easement contains all the terms and conditions mutually agreed upon by the parties. This Temporary Easement supersedes any prior oral statements, discussions, and/or understandings between the parties. All items incorporated herein by reference are attached.
