The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.  State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.  Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.  The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).  Print the name(s) of document signer(s) who personally appear at the time of notarization.  Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. he/she/they-r is /are) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.  The notary seal impression must be clear and photographically reproducible Impression must not cover text or lines. If seal impression smulges, re-year if a sufficient area permits, otherwise complete a different acknowledgment form.  Signature of the notary public must match the signature on file with the office of the county clerk.  Additional information is not required but could help to ensure this
