A strip of land ten (10) feet in width with five (5) feet on each side of the centerline of PSE's facilities as now constructed, to be constructed, extended or relocated. (This easement description may be superseded at a later date with a surveyed description provided at no cost to PSE.)

1. Purpose. PSE shall have the right to use the Easement Area to construct, operate, maintain, repair, replace, improve, remove, upgrade and extend one or more utility systems for purposes of transmission, distribution and sale of electricity. Such systems may include, but are not limited to:

Underground facilities.
