**TEMPORARY CONSTRUCTION EASEMENT**

The undersigned, **Fohn Land II, LLC**, a Washington Limited Liability Company, (referred to herein as "Grantor") and **Skagit County**, a political subdivision of the State of Washington (referred to herein as "Grantee"); for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, hereby grants a temporary, non-exclusive construction easement and appurtenances thereto ("Temporary Easement"), as provided herein. Grantor and Grantee may be individually referred to herein as a "party", and may be collectively referred to herein as the "parties." The terms of this Temporary Easement are further provided as follows:

**1. Nature and Location of Easement.** The Temporary Easement hereby granted by Grantor herein shall be a temporary construction easement for the benefit of Grantee, Grantee's agents, employees, and contractors over, upon, across, through, a portion of real property located within and upon Grantor's Property, such Temporary Easement as legally described on *Exhibit "A"* and as further described and depicted on *Exhibit "B"*, attached hereto and incorporated herein by this reference, for the purpose of providing a temporary construction easement (and any related appurtenances thereto), including the right of ingress and egress with all necessary equipment for installation of a Project, including but not necessarily limited to, the construction, excavation, placement, boring, and/or drilling of approximately eleven (11) test pits and three (3) boring sites (to facilitate a geological and geotechnical reconnaissance study), the placement of two (2) groundwater observation wells, and the placement of an undermined number of shovel testing sites (to determine the extent of cultural resources), as further described in *Exhibit "C"*, within said Temporary Easement area, and for any and all other purposes reasonably related thereto. A legal description for the Grantor's Property is attached hereto as *Exhibit "A"*, and is hereby incorporated by reference (the Temporary Easement area includes the entirety of Grantor's Property). The Temporary Easement shall be for the purpose of a Project (described in *Exhibit "C"*).

**2. Use of Easement.** The Grantee, Grantee's employees, agents, consultants, and contractors, shall have the sole right, without notice, and at all times, to enter upon the Grantor's Property within the Temporary

Easement area (as described and depicted in Exhibit "A" and "B") for purposes of using the Temporary Easement for the Project (as described in Exhibit "C" attached hereto and incorporated by reference). This includes any areas needed for staging (stockpile of materials to be used in Project). Grantor shall not have the right to exclude Grantee, Grantee's employees, agents, contractors, or other third parties from the Temporary Easement. Grantor shall not place, construct, or cause to be placed or constructed or maintained any building, structure, obstruction, and/or improvements within or upon the Temporary Easement area (or otherwise alter, interfere with, or disturb the Project) while the Temporary Easement is in effect, without approval of the Grantee; provided that the parties agree that normal agricultural activities may occur within the Temporary Easement area (such as plowing, planting or harvesting), and shall not be precluded by this Temporary Easement so long as such agricultural activities do not occur in or around the immediate area of the well or test pit sites, and so long as such agricultural activities do not unreasonably interfere with the Project.

2.1 Grantee agrees to be responsible for all damage arising from negligent acts of its employees, agents, or representatives on Grantor's Property in exercise of Grantee's rights herein granted by this Temporary Easement. Grantor shall not be responsible or liable for the activities of Grantee (and/or Grantee's employees, agents and representatives) within the area of the Temporary Easement. Grantee assumes no liability for any alleged damage resulting subsequent to the termination of this Temporary Easement, or from any source other than as expressly set forth herein.

**3. Termination of Temporary Easement.** This Temporary Easement shall expire and terminate at such time as the Grantee has completed the Project or activity necessitating the use of the Temporary Easement as described hereinabove (as determined by Grantee). This Temporary Easement shall otherwise expire by its own terms and terminate on December 31, 2016, whichever is sooner.

**4. Governing Law; Venue.** This Temporary Easement shall be construed under the laws of the State of Washington. It is agreed by the parties that the venue for any legal action brought under or relating to the term of this Temporary Easement shall be in Skagit County, State of Washington.

**5. Entire Agreement.** This Temporary Easement contains the entire agreement between the parties hereto and incorporates and supersedes all prior negotiations or agreements. It may not be modified or supplemented in any manner for form whatsoever, either by course of dealing or by parol or written evidence of prior agreements and negotiations, except upon the subsequent written agreement of the parties. Waiver or breach of any term or condition of this Temporary Easement shall not be considered a waiver of any prior or subsequent breach.

**Exhibit "C"**  
**PROJECT DESCRIPTION**

The Project shall include:

- Construction of three (3) boring sites and eleven (11) test pits.
- Placement of two (2) groundwater observation wells.
- Placement of an undermined number of shovel testing sites.
- Surrounding grounds that may be disturbed during Project construction may be returned to a substantially similar condition as existed prior to the commencement of Project work. Hydroseeding may be performed as needed.
