TEMPORARY MAINTENANCE EASEMENT

The undersigned, **Renate Johnson, John Rekevics, Margarita Tyndall, Ingrid Headland, David Rekevics, and Stacia Doyle**, individuals, as their separate estates, each one-sixth interest ("Grantors"), for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, hereby grants to **Skagit County**, a political subdivision of the State of Washington ("Grantee"), a temporary, nonexclusive maintenance easement and appurtenances thereto ("Temporary Easement"), as provided herein. Grantors and Grantee may be individually referred to herein as a "party", and may be collectively referred to herein as the "parties." The terms of this Temporary Easement are further provided as follows:

1. Nature and Location of Easement. The Temporary Easement hereby granted by Grantors herein shall be a temporary maintenance easement for the benefit of Grantee, Grantee's agents, employees, and contractors over, upon, across, through, a portion of real property located within and upon Grantors' Property, such Temporary Easement area as legally described on *Exhibit "A"* and as further described and depicted on *Exhibit "B"*, attached hereto and incorporated herein by this reference, for the purpose of providing a temporary maintenance easement (and any related appurtenances thereto), including the right of ingress and egress with all necessary equipment for Project purposes, including maintenance of existing culvert(s), ditches, conveyance system(s), and/or existing structure(s) within said Temporary Easement, and for any and all other purposes reasonably related thereto. A legal description for the Grantors' Property is attached hereto as *Exhibit "C"*, and is hereby incorporated by reference. The Temporary Easement shall be for the purpose of a Project (as described at *Exhibit "D"*).

2. Use of Easement. The Grantee, Grantee's employees, agents, and contractors, shall have the sole right, upon providing Grantors with forty eight (48) hours oral or written notice (except in the case of an emergency), and at all times, to enter upon the Grantors' Property within the Temporary Easement area (as described and depicted in *Exhibit "A"* and *"B"*) for purposes of using the Temporary Easement for Project purposes, including the maintenance of existing culvert(s), ditches, conveyance system(s), and/or

existing structure(s) as further described at *Exhibit "D"* attached hereto and incorporated by reference. Grantors shall not have the right to exclude Grantee, Grantee's employees, agents, contractors, or other third parties from the Temporary Easement area. Grantors shall not place, construct, or cause to be placed or constructed or maintained any building, structure, obstruction, and/or improvements within or upon the Temporary Easement area while the Temporary Easement is in effect, without approval of the Grantee.

2.1 Grantors recognize and agree that the Project may result in drainage impacts to Grantors' Property (including, but not necessarily limited to, changes in the flow of water at the Grantors' Property). Grantors specifically recognize and agree that the Grantee is not responsible or liable for any drainage or surface water impact or damage to Grantors' Property resulting from this Temporary Easement, and Grantors release and hold harmless Grantee from any drainage or surface water impact or damages to Grantors' Property resulting from and/or related to this Temporary Easement. Grantee assumes no liability for any alleged damage to Grantors' Property arising from or related to this Temporary Easement, or from any other source. The terms of this Section 2.1 shall survive the termination or expiration of this Temporary Easement (and shall be perpetual in nature).

3. Termination of Temporary Easement. This Temporary Easement shall expire and terminate at such time as the Grantee has completed the Project or activity necessitating the use of the Temporary Easement as described hereinabove (as determined by Grantee). This Temporary Easement shall otherwise expire by its own terms and terminate on December 31, 2015, whichever is sooner.

4. Governing Law; Venue. This Temporary Easement shall be construed under the laws of the State of Washington. It is agreed by the parties that the venue for any legal action brought under or relating to the term of this Temporary Easement shall be in Skagit County, State of Washington.

5. Other Terms (Modifications; Neutral Authorship; Captions & Counterparts; Entire Agreement). This Temporary Easement may be changed, modified, amended or waived only by subsequent written agreement, duly executed by the parties hereto. Each of the terms and provisions of this Temporary Easement have been reviewed and negotiated, and represents the combined work product of the parties hereto. No presumption or other rules of construction which would interpret the provisions of this Temporary Easement in favor of or against the party preparing the same shall be applicable in connection with the construction or interpretation of any of the provisions of this Temporary Easement. The parties represent and warrant that they have fully read this Temporary Easement, that they understand its meaning and effect, and that they enter into this Temporary Easement with full knowledge of its terms. This Temporary Easement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall constitute but one agreement. This Temporary Easement contains all the terms and conditions mutually agreed upon by the parties. This Temporary Easement supersedes any prior oral statements, discussions, and/or understandings between the parties. All items incorporated herein by reference are attached.
