Background

The Administrative Official has issued the following findings of fact relating to code violations on your property:

1. On May 3, 2016, a Request for Investigation was received by Planning & Development Services.
2. On May 10, 2016, a contact letter was sent to the above property owner, asking that a building permit be applied for by June 10, 2016, for a garage turned into a dwelling.
3. As of June 14, 2016, no building permit has been applied for.

Description of Violation(s)

Based on our investigation, the Administrative Official has found you in violation of the following specific provision(s) of Skagit County Code.

Violation:

SCC 15.04 and IBC 105.1. Construction shall not occur without first making application and obtaining the required building permit. Your construction without a permit violates these code sections.

Corrective Action Ordered

You are hereby ordered to take the following action to abate the above violations:

Correction:

Provide a completed application, including fees, for a building permit for your garage turned into a dwelling by July 15, 2016, and obtain the required permit inspection approval up to current stage of construction 90 days from the date your building permit is approved; or remove or dismantle the structure by July 15, 2016. You may not use this structure as a dwelling until a certificate of occupancy has been issued by the Building Official.

Civil Penalties

You are hereby ordered to pay the following civil penalties:

- \$100 per day, per violation, from date violation occurred until the violation is abated and you have notified the Administrative Official. SCC 14.44.330(2)(a)
- For flood hazard violation, \$1,000 per day per violation from date violation occurred until the violation is abated and you have notified the Administrative Official. SCC 14.44.330(2)(c)
- For critical areas or drainage violations, the amount of _____. SCC 14.44.330(2)(b)

If you do not take the corrective action described above to abate the violations by the specified deadlines, you will be liable for the following additional civil penalties:

- \$100 per day, per violation, until the violation is abated and you have notified the Administrative Official. SCC 14.44.330(2)(a)
- For flood hazard violation, up to \$1,000 per day per violation. SCC 14.44.330(2)(c)
- For critical areas or drainage violations, the amount of _____. SCC 14.44.330(2)(b)

Due to a new and separate violation within one year of resolution of prior violation:

- All penalties normally imposed are doubled. SCC 14.44.330(2)(d)

Disclosures

Voluntary Compliance Agreement. The County and the violator may enter into a binding Voluntary Compliance Agreement to correct the violation by a specified deadline with a reduction or waiver of civil penalties. Contact the Department for more information. SCC 14.44.310.

Reduction in civil penalties. The Administrative Official may reduce a civil penalty if the violator cooperates with efforts to correct the violation. SCC 14.44.330(2)(e).

Failure to comply with this order. If you do not fully comply with this order by the deadlines, Skagit County may do the following:

- Issue supplemental orders to pay accrued civil penalties. SCC 14.44.330(3)(b).
- Refer unpaid civil penalties to a collection agency 30 days after service of this order. Per RCW 19.16.500, Skagit County or collection agency may add a reasonable fee, payable by the debtor, to the outstanding debt for the collection agency fee incurred or to be incurred. SCC 14.44.330(3)(c).
- Record a certificate of non-compliance against your property, which may make it difficult to sell your property.
- Refer this matter to the Prosecuting Attorney's office for further enforcement action including criminal charges, an injunction, or the collection of civil penalties.
- If you do not fully correct the violation, Skagit County may do the work itself. Any County costs incurred to abate the violation(s) may be charged as a public nuisance lien against your property. A public nuisance lien may violate the terms of your real estate loan and Deed of Trust or Mortgage. It may cause your lender to start foreclosure proceedings against your property. If you have any questions about that, please contact your lender.

Additional Disclosures.

- You may have to pay additional enforcement fees equal to 100% of the cost of the application fees, and 200% of the cost of critical areas fees, for any permits required by code enforcement actions. Resolution R20110111.
- Skagit County may deny any other permits you apply for on the same site until the violation is corrected and payment of any civil penalties is complete. SCC 14.44.360
- If you commit a new and separate violation within a year after the resolution of a prior violation, you may be subject to double the civil penalties normally imposed for such violation. SCC 14.44.330(2)(d).

Effective date. This order is effective upon service. Service is the date of mailing via certified mail. SCC 14.44.220(2)(e) and (3)(b).

Appeal. This order becomes final unless you file an appeal to the Skagit County Hearing Examiner, with the required fees, within 14 days of service. Appeal forms are available from, and must be submitted to Skagit County Planning and Development Services. Appeals are processed as appeals of Level I decisions under Skagit County Code 14.06.110. Failure to appeal may constitute waiver of all rights to appeal the order.

No verbal agreements. The Administrative Official may only rescind or modify this order in writing.

If you have any questions regarding this order, please contact the undersigned at (360) 416-1343.
