Buyer is aware that the Property may be subject to the Skagit County Right-to-Manage Natural Resource Lands Disclosure, Skagit County Code section 14.38, which states:

This disclosure applies to parcels designated or within 1 mile of designated agriculturaliand or designated or within 1/4 mile of rural resource, forest or mineral resource lands of long-term commercial significance in Skagit County. A variety of Natural Resource Land commercial activities occur or may occur in the area that may not be compatible with non-resource uses and may be inconvenient or cause discomfort to area residents. This may arise from the use of chemicals; or from spraying, pruning, harvesting or mineral extraction with associated activities, which occasionally generates traffic, dust, smoke, noise, and odor. Skagit County has established natural resource management operations as a priority use on designated Natural Resource Lands, and area residents should be prepared to accept such incompatibilities, inconveniences or discomfort from normal, necessary Natural Resource Land operations when performed in compliance with Best Management Practices and local. State, and Faderal law.

In the case of mineral lands, application might be made for mining-related activities including extraction, washing, crushing, stockpling, biasting, transporting and recycling of minerals. If you are adjacent to designated NR Lands, you will have setback requirements from designated NR Lands.

Seller and Buyer authorize and direct the Closing Agent to record this Disclosure with the County Auditor's office in conjunction with the deed conveying the Property.
