ARTICLE I. GRANT IN TRUST

1.1 Grant. For the purposes and upon the terms and conditions in this Deed of Trust, Grantor irrevocably grants, conveys and assigns to Trustee, in trust for the benefit of Beneficiary, with power of sale and right of entry and possession, Grantor's interest in: (a) all real property located in Skagit County, Washington, and described on Exhibit A attached hereto; (b) all easements, rights-of-way and rights used in connection with or as a means of access to any portion of said real property; (c) all tenements, hereditaments and appurtenances thereof and thereto; (d) all right, title and interest of Grantor, now owned or hereafter acquired, in and to any land lying within the right-of-way of any street, open or proposed, adjoining said real property, and any and all sidewalks, alleys and strips and gores of land adjacent to or used in connection with said real property; (e) all buildings, improvements and landscaping now or hereafter erected or located on said real property; (f) all development rights, governmental or quasi-governmental licenses, permits or approvals, zoning rights and other similar rights or interests which relate to the development, use or operation of, or that benefit or are appurtenant to said real property; (g) all mineral rights, oil and gas rights, air rights, water or water rights, including without limitation, all wells, canals, ditches and reservoirs of any nature and all rights thereto, appurtenant to or associated with said real property, whether decreed or undeclared, tributary or non-tributary, surface or underground, appropriated or unappropriated, and all shares of stock in any water, canal, ditch or reservoir company, and all well permits, water service contracts, drainage rights and other evidences of any such rights; and (h) all interest or estate which Grantor now has or may hereafter acquire in said real property and all additions and accretions thereto, and all awards or payments made for the taking of all or any portion of said real property by eminent domain or any proceeding or purchase in lieu thereof, or any damage to any portion of said real property (collectively, the "Subject Property"). The listing of specific rights or property shall not be interpreted as a limitation of general terms.

1.2 Address. The address of the Subject Property (if known) is: _____
Neither the failure to designate an address nor any inaccuracy in the address designated shall

affect the validity or priority of the lien of this Deed of Trust on the Subject Property as described on Exhibit A. In the event of any conflict between the provisions of Exhibit A and said address, Exhibit A shall control.

ARTICLE II. OBLIGATIONS SECURED

2.1 Obligations Secured. Grantor makes this grant and assignment for the purpose of securing the following obligations (each, a "Secured Obligation" and collectively, the "Secured Obligations"):

(a) payment to Beneficiary of all sums at any time owing and performance of all other obligations arising under or in connection with that certain Settlement Agreement of even date herewith between Grantor, James and Patricia Tosti, individually, and the marital community composed thereof, Beneficiary, and Plats Plus, Inc. (the "Settlement Agreement"), in the amount of Seventy Five Thousand Dollars (\$75,000.00), with interest as provided therein, together with the payment and performance of any other indebtedness or obligations incurred in connection with the credit accommodation evidenced by the Settlement Agreement, whether or not specifically referenced therein; and

(b) payment and performance of all obligations of Grantor under this Deed of Trust, together with all advances, payments or other expenditures made by Beneficiary or Trustee as or for the payment or performance of any such obligations of Grantor; and

(c) payment and performance of all obligations, if any, and the contracts under which they arise, which any rider attached to and recorded with this Deed of Trust recites are secured hereby; and

(d) payment and performance of all future advances and other obligations that the then record owner of the Subject Property may agree to pay and/or perform (whether as principal, surety or guarantor) for the benefit of Beneficiary, when any such advance or other obligation is evidenced by a writing which recites that it is secured by this Deed of Trust; and

2.2 Obligations. The term "obligations" is used herein in its most comprehensive sense and includes any and all advances, debts, obligations and liabilities heretofore, now or hereafter made, incurred or created, whether voluntary or involuntary and however arising, whether due or not due, absolute or contingent, liquidated or unliquidated, determined or undetermined, joint or several, including without limitation, all principal, interest, charges, including prepayment charges and late charges, and loan fees at any time accruing or assessed on any Secured Obligation.

2.3 Incorporation; Future Advances. All terms of the Secured Obligations are incorporated herein by this reference. All persons who may have or acquire an interest in the Subject Property are hereby deemed to have notice of the terms of the Secured Obligations and that this Deed of Trust secures future advances, and to have notice, if provided therein, that: (a) the Settlement Agreement or any other Secured Obligation may permit borrowing, repayment and reborrowing; and (b) the rate of interest on one or more of the Secured Obligations may vary from time to time.

ARTICLE III. ASSIGNMENT OF RENTS

N/A

ARTICLE IV. RIGHTS AND DUTIES OF THE PARTIES

4.1 Title. Grantor warrants that, except as disclosed to Beneficiary prior to the date hereof in a writing which refers to this warranty, Grantor lawfully possesses and holds fee simple title to or, if permitted by Beneficiary in writing, a leasehold interest in, the Subject Property without limitation on the right to encumber, as herein provided, and that this Deed of Trust is a valid lien on the Subject Property and all of Grantor's interest therein.

4.2 Taxes and Assessments. Subject to the right, if any, of Grantor to contest payment of the following pursuant to any other agreement between Grantor and Beneficiary, Grantor shall pay prior to delinquency all taxes, assessments, levies and charges imposed: (a) by any public or quasi-public authority or utility company which are or which may become a lien upon or cause a loss in value of the Subject Property or any interest therein; or (b) by any public authority upon Beneficiary by reason of its interest in any Secured Obligation or in the Subject Property, or by reason of any payment made to Beneficiary pursuant to any Secured Obligation; provided however, that Grantor shall have no obligation to pay any income taxes of Beneficiary. Promptly upon request by Beneficiary, Grantor shall furnish to Beneficiary satisfactory evidence of the payment of all of the foregoing. Beneficiary is hereby authorized to request and receive from the responsible governmental and non-governmental personnel written statements with respect to the accrual and payment of any of the foregoing.

4.3 Performance of Secured Obligations. Grantor shall promptly pay and perform each Secured Obligation when due.

4.4 Liens, Encumbrances and Charges. Grantor shall immediately discharge any lien on the Subject Property not approved by Beneficiary in writing. Except as otherwise provided in any Secured Obligation or other agreement with Beneficiary, Grantor shall pay when due all obligations secured by or reducible to liens and encumbrances which shall now or hereafter encumber the Subject Property, whether senior or subordinate hereto, including without limitation, any mechanics' liens.

4.5 Insurance. Grantor shall carry a General Liability Policy with policy limits of not less than \$1 million single occurrence and \$2 million aggregate coverage. The policy shall name Beneficiary as an additional insured. Immediately upon any request by Beneficiary, Grantor shall deliver to Beneficiary the original of all such policies or certificates, with receipts evidencing annual prepayment of the premiums.

4.6 Tax and Insurance Impounds. N/A

4.7 Damages; Insurance and Condemnation Proceeds.

(a) (i) All awards of damages and all other compensation payable directly or indirectly by reason of a condemnation or proposed condemnation (or transfer in lieu thereof) for public or private use affecting the Subject Property; (ii) all other claims and awards for damages to or decrease in value of the Subject Property; (iii) all proceeds of any insurance policies payable by reason of loss sustained to the Subject Property; and (iv) all interest which may accrue on any of the foregoing, are all absolutely and irrevocably assigned to and shall be paid to Beneficiary. At the absolute discretion of Beneficiary, whether or not its security is or may be impaired, but subject to applicable law if any, and without regard to any requirement contained in any other Section hereof, Beneficiary may apply all or any of the proceeds it receives to its expenses in settling, prosecuting or defending any such claim and apply the balance to the Secured Obligations in any order, and release all or any part of the proceeds to Grantor upon any conditions Beneficiary may impose. Beneficiary may commence, appear in, defend or prosecute

any assigned claim or action, and may adjust, compromise, settle and collect all claims and awards assigned to Beneficiary; provided however, that in no event shall Beneficiary be responsible for any failure to collect any claim or award, regardless of the cause of the failure.

(b) At its sole option, Beneficiary may permit insurance or condemnation proceeds held by Beneficiary to be used for repair or restoration but may impose any conditions on such use as Beneficiary deems necessary.

4.8 Maintenance and Preservation of Subject Property. Subject to the provisions of any Secured Obligation, Grantor covenants:

- (a) to keep the Subject Property in good condition and repair;
- (b) except with Beneficiary's prior written consent, not to remove or demolish the Subject Property, nor alter, restore or add to the Subject Property, nor initiate or acquiesce in any change in any zoning or other land classification which affects the Subject Property;
- (c) to restore promptly and in good workmanlike manner any portion of the Subject Property which may be damaged or destroyed, unless Beneficiary requires that all of the insurance proceeds be used to reduce the Secured Obligations as provided in the Section hereof entitled Damages; Insurance and Condemnation Proceeds;
- (d) to comply with and not to suffer violation of any or all of the following which govern acts or conditions on, or otherwise affect the Subject Property: (i) laws, ordinances, regulations, standards and judicial and administrative rules and orders; (ii) covenants, conditions, restrictions and equitable servitudes, whether public or private; and (iii) requirements of insurance companies and any bureau or agency which establishes standards of insurability;
- (e) not to commit or permit waste of the Subject Property; and
- (f) to do all other acts which from the character or use of the Subject Property may be reasonably necessary to maintain and preserve its value.

4.9 Hazardous Substances; Environmental Provisions. Grantor represents and warrants to Beneficiary as follows:

(a) . To the best of the Grantor's knowledge, the Subject Property is not and has not been a site for the use, generation, manufacture, storage, treatment, disposal, release or threatened release, transportation or presence of any substances which are "hazardous substances," "hazardous wastes," "hazardous materials" or "toxic substances" under the Hazardous Materials Laws, as defined below, and/or other applicable environmental laws, ordinances and regulations (collectively, the "Hazardous Materials").

(b) The Subject Property is in compliance with all laws, ordinances and regulations relating to Hazardous Materials (collectively, the "Hazardous Materials Laws"), including without limitation, the Clean Air Act, the Federal Water Pollution Control Act, the Federal Resource Conservation and Recovery Act of 1976, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, the Superfund Amendments and Reauthorization Act of 1986, the Federal Toxic Substances Control Act and the Occupational Safety and Health Act, as any of the same may be amended, modified or supplemented from time to time, and any other applicable federal, state or local environmental laws, and any rules or regulations adopted pursuant to any of the foregoing.

(c) There are no claims or actions pending or threatened against Grantor or the Subject Property by any governmental entity or agency, or any other person or entity, relating to any Hazardous Materials or pursuant to any Hazardous Materials Laws.

(d) Grantor hereby agrees to defend, indemnify and hold harmless Beneficiary, its directors, officers, employees, agents, successors and assigns, from and against any and all losses, damages, liabilities, claims, actions, judgments, court costs and legal or other expenses (including without limitation, attorneys' fees and expenses) which Beneficiary may incur as a direct or indirect consequence of the use, generation, manufacture, storage, treatment, disposal, release or threatened release, transportation or presence of Hazardous Materials in, on, under or about the Subject Property. Grantor shall pay to Beneficiary immediately upon demand any amounts owing under this indemnity, together with interest from the date of demand until paid in full at the highest rate of interest applicable to any Secured Obligation. GRANTOR'S DUTY AND OBLIGATION TO DEFEND, INDEMNIFY AND HOLD HARMLESS BENEFICIARY SHALL SURVIVE THE CANCELLATION OF THE SECURED OBLIGATIONS AND THE RELEASE, RECONVEYANCE OR PARTIAL RECONVEYANCE OF THIS DEED OF TRUST.

(e) Grantor shall immediately advise Beneficiary in writing upon Grantor's discovery of any occurrence or condition on the Subject Property or on any real property adjoining or in the vicinity of the Subject Property that does or could cause all or any part of the Subject Property to be contaminated with any Hazardous Materials or otherwise be in violation of any Hazardous Materials Laws, or cause the Subject Property to be subject to any restrictions on the ownership, occupancy, transferability or use thereof under any Hazardous Materials Laws.

4.10 Protection of Security. Grantor shall, at Grantor's sole expense: (a) protect, preserve and defend the Subject Property and Grantor's title and right to possession of the Subject Property against all adverse claims; (b) if Grantor's interest in the Subject Property is a leasehold interest or estate, pay and perform in a timely manner all obligations to be paid and/or performed by the lessee or tenant under the lease or other agreement creating such leasehold interest or estate; and (c) protect, preserve and defend the security of this Deed of Trust and the rights and powers of Beneficiary and Trustee under this Deed of Trust against all adverse claims. Grantor shall give Beneficiary and Trustee prompt notice in writing of the assertion of any claim, the filing of any action or proceeding, or the occurrence of any damage, condemnation offer or other action relating to or affecting the Subject Property and, if Grantor's interest in the Subject Property is a leasehold interest or estate, of any notice of default or demand for performance under the lease or other agreement pursuant to which such leasehold interest or estate was created or exists.

4.11 Acceptance of Trust; Powers and Duties of Trustee. Trustee accepts this trust when this Deed of Trust is executed. From time to time, upon written request of Beneficiary and, to the extent required by applicable law presentation of this Deed of Trust for endorsement, and without affecting the personal liability of any person for payment of any indebtedness or performance of any of the Secured Obligations, Beneficiary, or Trustee at Beneficiary's direction, may, without obligation to do so or liability therefor and without notice: (a) reconvey all or any part of the Subject Property from the lien of this Deed of Trust; (b) consent to the making of any map or plat of the Subject Property; and (c) join in any grant of easement or any declaration of covenants and restrictions with respect to the Subject Property, or any extension agreement or any agreement subordinating the lien or charge of this Deed of Trust. Trustee or Beneficiary may from time to time apply to any court of competent jurisdiction for aid and direction in the execution of the trusts and the enforcement of its rights and remedies available under this Deed of Trust, and may obtain orders or decrees directing, confirming or approving acts in the execution of said trusts and the enforcement of said rights and remedies. Trustee has

no obligation to notify any party of any pending sale or any action or proceeding (including, but not limited to, actions in which Grantor, Beneficiary or Trustee shall be a party) unless held or commenced and maintained by Trustee under this Deed of Trust. Trustee shall not be obligated to perform any act required of it under this Deed of Trust unless the performance of the act is requested in writing and Trustee is reasonably indemnified against all losses, costs, liabilities and expenses in connection therewith.

4.12 Compensation; Exculpation; Indemnification.

(a) Grantor shall pay all Trustee's fees and reimburse Trustee for all expenses in the administration of this trust, including reasonable attorneys' fees. Grantor shall pay Beneficiary reasonable compensation for services rendered concerning this Deed of Trust, including without limitation, the providing of any statement of amounts owing under any Secured Obligation. Beneficiary shall not directly or indirectly be liable to Grantor or any other person as a consequence of: (i) the exercise of any rights, remedies or powers granted to Beneficiary in this Deed of Trust; (ii) the failure or refusal of Beneficiary to perform or discharge any obligation or liability of Grantor under this Deed of Trust or any Lease or other agreement related to the Subject Property; or (iii) any loss sustained by Grantor or any third party as a result of Beneficiary's failure to lease the Subject Property after any Default or from any other act or omission of Beneficiary in managing the Subject Property after any Default unless such loss is caused by the willful misconduct or gross negligence of Beneficiary; and no such liability shall be asserted or enforced against Beneficiary, and all such liability is hereby expressly waived and released by Grantor.

(b) Grantor shall indemnify Trustee and Beneficiary against, and hold them harmless from, any and all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees and other legal expenses, costs of evidence of title, costs of evidence of value, and other expenses which either may suffer or incur: (i) by reason of this Deed of Trust; (ii) by reason of the execution of this trust or the performance of any act required or permitted hereunder or by law; (iii) as a result of any failure of Grantor to perform Grantor's obligations; or (iv) by reason of any alleged obligation or undertaking of Beneficiary to perform or discharge any of the representations, warranties, conditions, covenants or other obligations contained in any other document related to the Subject Property, including without limitation, the payment of any taxes, assessments, rents or other lease obligations, liens, encumbrances or other obligations of Grantor under this Deed of Trust. Grantor's duty to indemnify Trustee and Beneficiary shall survive the payment, discharge or cancellation of the Secured Obligations and the release or reconveyance, in whole or in part, of this Deed of Trust.

(c) Grantor shall pay all indebtedness arising under this Section immediately upon demand by Trustee or Beneficiary, together with interest thereon from the date of demand until paid in full at the highest rate per annum payable under any Secured Obligation. Beneficiary may, at its option, add any such indebtedness to any Secured Obligation.

4.13 Substitution of Trustees. From time to time, by a writing signed and acknowledged by Beneficiary and recorded in each Office in which this Deed of Trust is recorded, Beneficiary may appoint another trustee to act in the place and stead of Trustee or any successor. Such writing shall set forth the recordation date and any recording or other information required by law. The recordation of such instrument of substitution shall discharge Trustee herein named and shall appoint the new trustee as the trustee hereunder with the same effect as if originally named Trustee herein. A writing recorded pursuant to the provisions of this Section shall be conclusive proof of the proper substitution of such new Trustee.

4.14 Due on Sale or Encumbrance. Except as permitted by the provisions of any Secured Obligation or applicable law, if the Subject Property or any interest therein shall be sold, transferred (including without limitation, where applicable, through sale or transfer of a majority or controlling interest of the corporate stock, or any general partnership, limited liability company or other similar interests, of Grantor), mortgaged, assigned, encumbered or leased, whether voluntarily, involuntarily or by operation of law (each of which actions and events is called a "Transfer"), without Beneficiary's prior written consent, then Beneficiary may, at its sole option, declare all Secured Obligations immediately due and payable in full. Grantor shall notify Beneficiary in writing of each Transfer within ten (10) days of the date thereof.

4.15 Releases, Extensions, Modifications and Additional Security. Without notice to or the consent, approval or agreement of any persons or entities having any interest at any time in the Subject Property or in any manner obligated under any Secured Obligation (each, an "Interested Party"), Beneficiary may, from time to time, release any Interested Party from liability for the payment of any Secured Obligation, take any action or make any agreement extending the maturity or otherwise altering the terms or increasing the amount of any Secured Obligation, accept additional security, and enforce, waive, subordinate or release all or a portion of the Subject Property or any other security for any Secured Obligation. None of the foregoing actions shall release or reduce the personal liability of any Interested Party, nor release or impair the priority of the lien of this Deed of Trust upon the Subject Property.

4.16 Reconveyance. Upon Beneficiary's written request, and solely to the extent required by applicable law upon surrender of this Deed of Trust and every note or other instrument setting forth any Secured Obligations to Trustee for cancellation, Trustee shall reconvey, without warranty, the Subject Property, or that portion thereof then covered hereby, from the lien of this Deed of Trust. The recitals of any matters or facts in any reconveyance executed hereunder shall be conclusive proof of the truthfulness thereof. To the extent permitted by law, the reconveyance may describe the grantee as "the person or persons legally entitled thereto." Neither Beneficiary nor Trustee shall have any duty to determine the rights of persons claiming to be rightful grantees of any reconveyance. When the Subject Property has been fully reconveyed, the last such reconveyance shall operate as a reassignment of all future Rents to the person or persons legally entitled thereto. Upon Beneficiary's demand, Grantor shall pay all costs and expenses incurred by Beneficiary in connection with any reconveyance.

4.17 Subrogation. Beneficiary shall be subrogated to the lien of all encumbrances, whether released of record or not, paid in whole or in part by Beneficiary pursuant to this Deed of Trust or by the proceeds of any Secured Obligation.

4.18 Grantor Different From Obligor ("Third Party Grantor"). As used in this Section, the term "Obligor" shall mean each person or entity obligated in any manner under any of the Secured Obligations; and the term "Third Party Grantor" shall mean (1) each person or entity included in the definition of Grantor herein and which is not an Obligor under all of the Secured Obligations, and (2) each person or entity included in the definition of Grantor herein if any Obligor is not included in said definition.

(a) **Representations and Warranties.** Each Third Party Grantor represents and warrants to Beneficiary that: (i) this Deed of Trust is executed at an Obligor's request; (ii) this Deed of Trust complies with all agreements between each Third Party Grantor and any Obligor regarding such Third Party Grantor's execution hereof; (iii) Beneficiary has made no representation to any Third Party Grantor as to the creditworthiness of any Obligor; and (iv) each Third Party Grantor has established adequate means of obtaining from each Obligor on a continuing basis financial and other information pertaining to such Obligor's financial condition. Each Third Party Grantor agrees to keep adequately informed from such means of any facts, events or circumstances which

might in any way affect such Third Party Grantor's risks hereunder. Each Third Party Grantor further agrees that Beneficiary shall have no obligation to disclose to any Third Party Grantor any information or material about any Obligor which is acquired by Beneficiary in any manner. The liability of each Third Party Grantor hereunder shall be reinstated and revived, and the rights of Beneficiary shall continue if and to the extent that for any reason any amount at any time paid on account of any Secured Obligation is rescinded or must otherwise be restored by Beneficiary, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, all as though such amount had not been paid. The determination as to whether any amount so paid must be rescinded or restored shall be made by Beneficiary in its sole discretion; provided however, that if Beneficiary chooses to contest any such matter at the request of any Third Party Grantor, each Third Party Grantor agrees to indemnify and hold Beneficiary harmless from and against all costs and expenses, including reasonable attorneys' fees, expended or incurred by Beneficiary in connection therewith, including without limitation, in any litigation with respect thereto.

(b) Waivers.

(i) Each Third Party Grantor waives any right to require Beneficiary to: (A) proceed against any Obligor or any other person; (B) marshal assets or proceed against or exhaust any security held from any Obligor or any other person; (C) give notice of the terms, time and place of any public or private sale or other disposition of personal property security held from any Obligor or any other person; (D) take any other action or pursue any other remedy in Beneficiary's power; or (E) make any presentment or demand for performance, or give any notice of nonperformance, protest, notice of protest or notice of dishonor hereunder or in connection with any obligations or evidences of indebtedness held by Beneficiary as security for or which constitute in whole or in part the Secured Obligations, or in connection with the creation of new or additional obligations.

(ii) Each Third Party Grantor waives any defense to its obligations hereunder based upon or arising by reason of: (A) any disability or other defense of any Obligor or any other person; (B) the cessation or limitation from any cause whatsoever, other than payment in full, of any Secured Obligation; (C) any lack of authority of any officer, director, partner, agent or any other person acting or purporting to act on behalf of any Obligor which is a corporation, partnership or other type of entity, or any defect in the formation of any such Obligor; (D) the application by any Obligor of the proceeds of any Secured Obligation for purposes other than the purposes represented by any Obligor to, or intended or understood by, Beneficiary or any Third Party Grantor; (E) any act or omission by Beneficiary which directly or indirectly results in or aids the discharge of any Obligor or any portion of any Secured Obligation by operation of law or otherwise, or which in any way impairs or suspends any rights or remedies of Beneficiary against any Obligor; (F) any impairment of the value of any interest in any security for the Secured Obligations or any portion thereof, including without limitation, the failure to obtain or maintain perfection or recordation of any interest in any such security, the release of any such security without substitution, and/or the failure to preserve the value of, or to comply with applicable law in disposing of, any such security; (G) any modification of any Secured Obligation, in any form whatsoever, including without limitation the renewal, extension, acceleration or other change in time for payment of, or other change in the terms of, any Secured Obligation or any portion thereof, including increase or decrease of the rate of interest thereon; or (H) any requirement that Beneficiary give any notice of acceptance of this Deed of Trust. Until all Secured Obligations shall have been paid in full, no Third Party Grantor shall have any right of subrogation, and each Third Party Grantor waives any right to enforce any remedy which Beneficiary now has or may hereafter have against any Obligor or any other person, and waives any benefit of, or any right to participate in, any security now or hereafter held by Beneficiary. Each Third Party Grantor further waives all rights and defenses it may have arising out of: (1)

any election of remedies by Beneficiary, even though that election of remedies, such as a non-judicial foreclosure with respect to any security for any portion of the Secured Obligations, destroys such Third Party Grantor's rights of subrogation or such Third Party Grantor's rights to proceed against any Obligor for reimbursement; or (2) any loss of rights any Third Party Grantor may suffer by reason of any rights, powers or remedies of any Obligor in connection with any anti-deficiency laws or any other laws limiting, qualifying or discharging any Obligor's obligations, whether by operation of the Washington Deed of Trust Act at Ch. 61.24 RCW as from time to time amended, or otherwise, including any rights any Third Party Grantor may have to a fair market value hearing to determine the size of a deficiency following any trustee's foreclosure sale or other disposition of any security for any portion of the Secured Obligations.

(iii) If any of said waivers is determined to be contrary to any applicable law or public policy, such waiver shall be effective to the extent permitted by applicable law or public policy.

ARTICLE V. DEFAULT PROVISIONS

5.1 Default. The occurrence of any of the following shall constitute a "Default" under this Deed of Trust: (a) Grantor shall fail to observe or perform any obligation or agreement contained herein; (b) any representation or warranty of Grantor herein shall prove to be incorrect, false or misleading in any material respect when made; or (c) any default in the payment or performance of any obligation, or any defined event of default, under any provisions of the Settlement Agreement or any other contract, instrument or document executed in connection with, or with respect to, any Secured Obligation.

5.2 Rights and Remedies. Upon the occurrence of any Default, and at any time thereafter, Beneficiary and Trustee shall have all the following rights and remedies:

(a) With or without notice, to declare all Secured Obligations immediately due and payable in full.

(b) With or without notice, without releasing Grantor from any Secured Obligation and without becoming a mortgagee in possession, to cure any Default of Grantor and, in connection therewith, no sooner than September 30, 2017,: (i) to enter upon the Subject Property and to do such acts and things as Beneficiary or Trustee deems necessary or desirable to protect the security of this Deed of Trust, including without limitation, to appear in and defend any action or proceeding purporting to affect the security of this Deed of Trust or the rights or powers of Beneficiary or Trustee hereunder; (ii) to pay, purchase, contest or compromise any encumbrance, charge, lien or claim of lien which, in the judgment of either Beneficiary or Trustee, is senior in priority to this Deed of Trust, the judgment of Beneficiary or Trustee being conclusive as between the parties hereto; (iii) to obtain, and to pay any premiums or charges with respect to, any insurance required to be carried hereunder; and (iv) to employ counsel, accountants, contractors and other appropriate persons to assist them.

(c) To commence and maintain an action or actions in any court of competent jurisdiction, no sooner than September 30, 2017, to foreclose this Deed of Trust as a mortgage or to obtain specific enforcement of the covenants of Grantor under this Deed of Trust, and Grantor agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy. For the purposes of any suit brought under this subsection, Grantor waives the defenses of laches and any applicable statute of limitations.

(d) To apply to a court of competent jurisdiction for and obtain appointment of a receiver of the Subject Property as a matter of strict right and without regard to: (i) the adequacy

of the security for the repayment of the Secured Obligations; (ii) the existence of a declaration that the Secured Obligations are immediately due and payable; or (iii) the filing of a notice of default, and Grantor consents to such appointment.

(e) To take and possess all documents, books, records, papers and accounts of Grantor or the then owner of the Subject Property; to make or modify Leases of, and other agreements with respect to, the Subject Property upon such terms and conditions as Beneficiary deems proper; and to make repairs, alterations and improvements to the Subject Property deemed necessary, in Trustee's or Beneficiary's judgment, to protect or enhance the security hereof.

(f) To execute or cause Trustee to execute a written notice of such Default and of its election to cause the Subject Property to be sold in accordance with the Washington Deed of Trust Act at Ch. 61.24 RCW to satisfy the Secured Obligations. Trustee shall give and record such notice as the law then requires as a condition precedent to a trustee's sale, no sooner than September 30, 2017. When the minimum period of time required by law after such notice has elapsed, Trustee, without notice to or demand upon Grantor, except as otherwise required by law, shall sell the Subject Property at the time and place of sale fixed by it in the notice of sale, at one or several sales, either as a whole or in separate parcels and in such manner and order, all as directed by Beneficiary in its sole discretion, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale. Except as required by law, neither Grantor nor any other person or entity shall have the right to direct the order in which the Subject Property is sold. Subject to requirements and limits imposed by law, Trustee may postpone any sale of the Subject Property by public announcement at such time and place of sale, and from time to time may postpone such sale by public announcement at the time and place fixed by the preceding postponement. Trustee shall deliver to the purchaser at such sale a deed conveying the Subject Property or portion thereof so sold, but without any covenant or warranty, express or implied. The recitals in said deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustee, Grantor or Beneficiary, may purchase at such sale.

(g) To resort to and realize upon the security hereunder and any other security now or later held by Beneficiary concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken non-judicial proceedings, or both, and to apply the proceeds received in accordance with the Section hereof entitled Application of Foreclosure Sale Proceeds, all in such order and manner as Beneficiary shall determine in its sole discretion.

(h) Upon sale of the Subject Property at any judicial or non-judicial foreclosure, Beneficiary may credit bid (as determined by Beneficiary in its sole discretion) all or any portion of the Secured Obligations. In determining such credit bid, Beneficiary may, but is not obligated to, take into account all or any of the following: (i) appraisals of the Subject Property as such appraisals may be discounted or adjusted by Beneficiary in its sole underwriting discretion; (ii) expenses and costs incurred by Beneficiary with respect to the Subject Property prior to foreclosure; (iii) expenses and costs which Beneficiary anticipates will be incurred with respect to the Subject Property after foreclosure, but prior to resale, including without limitation, costs of structural reports and other due diligence, costs to carry the Subject Property prior to resale, costs of resale (e.g., commissions, attorneys' fees, and taxes), Hazardous Materials clean-up and monitoring, deferred maintenance, repair, refurbishment and retrofit, and costs of defending or settling litigation affecting the Subject Property; (iv) declining trends in real property values generally and with respect to properties similar to the Subject Property; (v) anticipated discounts upon resale of the Subject Property as a distressed or foreclosed property; (vi) the existence of additional collateral, if any, for the Secured Obligations; and (vii) such other factors or matters that Beneficiary deems appropriate. Grantor acknowledges and agrees that: (A) Beneficiary is not required to use any or all of the foregoing factors to determine the amount of its credit bid;

(B) this Section does not impose upon Beneficiary any additional obligations that are not imposed by law at the time the credit bid is made; (C) the amount of Beneficiary's credit bid need not have any relation to any loan-to-value ratios specified in any agreement between Grantor and Beneficiary or previously discussed by Grantor and Beneficiary; and (D) Beneficiary's credit bid may be, at Beneficiary's sole discretion, higher or lower than any appraised value of the Subject Property. .

5.3 Application of Foreclosure Sale Proceeds. After deducting all costs, fees and expenses of Trustee, and of this trust, including costs of evidence of title and attorneys' fees in connection with a sale, all proceeds of any foreclosure sale shall be applied first, to payment of all Secured Obligations (including without limitation, all sums expended by Beneficiary under the terms hereof and not then repaid, with accrued interest at the highest rate per annum payable under any Secured Obligation) in such order and amounts as Beneficiary in its sole discretion shall determine; and the remainder, if any, to the person or persons legally entitled thereto.

5.4 Application of Other Sums. All Rents or other sums received by Beneficiary or any agent or receiver hereunder, less all costs and expenses incurred by Beneficiary or such agent or receiver, including reasonable attorneys' fees, shall be applied to payment of the Secured Obligations in such order as Beneficiary shall determine in its sole discretion; provided however, that Beneficiary shall have no liability for funds not actually received by Beneficiary.

5.5 No Cure or Waiver. Neither Beneficiary's, Trustee's or any receiver's entry upon and taking possession of the Subject Property, nor any collection of Rents, insurance proceeds, condemnation proceeds or damages, other security or proceeds of other security, or other sums, nor the application of any collected sum to any Secured Obligation, nor the exercise of any other right or remedy by Beneficiary, Trustee or any receiver shall impair the status of the security of this Deed of Trust, or cure or waive any breach, Default or notice of default under this Deed of Trust, or nullify the effect of any notice of default or sale (unless all Secured Obligations and any other sums then due hereunder have been paid in full and Grantor has cured all other Defaults), or prejudice Beneficiary or Trustee in the exercise of any right or remedy, or be construed as an affirmation by Beneficiary of any tenancy, lease or option of the Subject Property or a subordination of the lien of this Deed of Trust.

5.6 Costs, Expenses and Attorneys' Fees. Grantor agrees to pay to Beneficiary immediately upon demand the full amount of all payments, advances, charges, costs and expenses, including court costs and reasonable attorneys' fees (to include outside counsel fees and all allocated costs of Beneficiary's in-house counsel), expended or incurred by Trustee or Beneficiary pursuant to this Article V, whether incurred at the trial or appellate level, in an arbitration proceeding or otherwise, and including any of the foregoing incurred in connection with any bankruptcy proceeding (including without limitation, any adversary proceeding, contested matter or motion brought by Beneficiary or any other person) relating to Grantor or in any way affecting any of the Subject Property or Beneficiary's ability to exercise any of its rights or remedies with respect thereto. All of the foregoing shall be paid by Grantor with interest from the date of demand until paid in full at the highest rate per annum payable under any Secured Obligation.

5.7 Power to File Notices and Cure Defaults. Grantor hereby irrevocably appoints Beneficiary and its successors and assigns as Grantor's true attorney-in-fact to perform any of the following powers, which agency is coupled with an interest: (a) to execute and/or record any notices of completion, cessation of labor, or any other notices that Beneficiary deems appropriate to protect Beneficiary's interest; and (b) upon the occurrence of any event, act or omission which with the giving of notice or the passage of time, or both, would constitute a Default, to perform any obligation of Grantor hereunder; provided however, that Beneficiary, as such attorney-in-

fact, shall only be accountable for such funds as are actually received by Beneficiary, and Beneficiary shall not be liable to Grantor or any other person or entity for any failure to act under this Section.

5.8 Remedies Cumulative; No Waiver. All rights, powers and remedies of Beneficiary and Trustee hereunder are cumulative and are in addition to all rights, powers and remedies provided by law or in any other agreements between Grantor and Beneficiary. No delay, failure or discontinuance of Beneficiary in exercising any right, power or remedy hereunder shall affect or operate as a waiver of such right, power or remedy; nor shall any single or partial exercise of any such right, power or remedy preclude, waive or otherwise affect any other or further exercise thereof or the exercise of any other right, power or remedy.
