### **III. TERMINATION OF PRIOR AGREEMENTS**

CHRIS ODOM & BARB ODOM, husband and wife; DANIEL H. FOLKERS & BETH FOLKERS, husband and wife; PADILLA VIEW, LLC, a Washington limited liability company; OVERVIEW PROPERTIES LLC, a Washington limited liability company, hereby agree that the following easements and agreements are hereby terminated, effective immediately:

1. Easement dated February 29, 2000 and recorded March 1, 2000 under Skagit County Auditor's File Number 200003010069; and
2. Declaration of Easement and Road Maintenance Association dated July 16, 2002 and recorded July 17, 2002 under Skagit County Auditor's File Number 200207170115.

### **IV. OBLIGATIONS FOR COST SHARING**

1. Agreement is Appurtenant. CHRIS ODOM & BARB ODOM, husband and wife; DANIEL H. FOLKERS & BETH FOLKERS, husband and wife; PADILLA VIEW, LLC, a Washington limited liability company; OVERVIEW PROPERTIES LLC, a Washington limited liability company (collectively the "Lots Owners") hereby agree that the Odom Lot, the Folkers Lot, the Padilla Lot, the Overview Lot – P19783 and the Overview Lot – P19694 (collectively the "Lots") are, and will be, held, sold and conveyed subject to and burdened by this Agreement, which is for the purpose of enhancing and protecting the value, desirability and attractiveness of the Lots, and that this Agreement shall be binding upon all parties having or acquiring any right, title or interest in the Lots or any part thereof, and shall inure to the benefit of the owner(s) thereof and shall otherwise in all respects be regarded as appurtenant to and running with the Lots. The use of the term "Lot" in this Agreement shall refer to any one of the Lots or any portion thereof. The use of the term "Lot Owner" in this Agreement shall refer to all Grantors, Grantees, and their successors in interest.
2. Decisions Concerning Maintenance. Any decision to take action to construct, maintain, repair and/or replace ("Maintain" or "Maintenance") the road, utilities, and/or any other associated improvements in the Easement Area, must be approved by the Lot Owners. Approval of a decision to maintain the Improvements shall consist of the written consent of the Lot Owners who hold a majority of the Eligible Votes, as defined herein. The total Eligible Votes shall be equal to the total number of buildable lots located within the Lots. A

buildable lot is any portion of a Lot which has a unique Skagit County Assessor's Tax Parcel Number and on which a permanent residential, commercial, industrial or other similar structure could be constructed under applicable Skagit County Code. A Lot Owner shall have one vote for each buildable lot owned by the Lot Owner and the total of all such votes shall be the total Eligible Votes. If a Lot is owned by more than one person, the vote for that Lot shall be cast by them in a manner as is determined by the owners of the Lot.

3. Allocation of Costs. Any costs incurred in Maintenance of the Improvements shall be divided into equal shares, with each Lot Owner receiving one share for each buildable lot owned by the Lot Owner.

Notwithstanding anything to the contrary, no share of Maintenance cost shall be allocated to a vacant buildable lot if the Lot Owner did not cast a vote on behalf of the vacant buildable lot for such Maintenance. A vacant buildable lot is a buildable lot which contains no structures.

Notwithstanding anything to the contrary, no share of Maintenance cost shall be allocated to a buildable lot if the buildable lot does not utilize the improvement subject to the Maintenance at the time such Maintenance occurs. In the event that a buildable lot is subsequently connected to the Improvement, then the buildable lot shall be allocated a share of any Maintenance cost incurred after the buildable lot is connected to the Improvement. For example, if a buildable lot is not connected to a water line placed within the easement area identified in Section II above at the time the maintenance occurs, then no share of the Maintenance cost related to the water line will be allocated to the buildable lot. If the buildable lot is subsequently connected to the water main, then a share of the cost of any Maintenance performed after the date of the connection will be allocated to the building lot.

No share of Maintenance cost shall be allocated to a lot that is not a buildable lot.

4. Damage to Improvements. In the event that a Lot Owner causes identifiable damage to the Improvements (for example: through the installation of utilities or other improvements, or through the use of heavy equipment or abuse of the Improvements) then that Lot Owner shall, as soon as is reasonably possible, immediately restore the Improvements to as good or better condition than the Improvements were prior to the damage by the Lot Owner. If the Lot Owner does not reasonably comply with the provisions of this Section within ninety (90) days of receipt of a written demand to repair such damage, then the other Lot Owners, after majority approval of the Eligible Votes excluding the Lot Owner that caused the damage, shall have the right to repair the damage and assess a lien against the Lot(s) of the Lot Owner that caused the damage for the full cost of the repairs.

## V. ENFORCEMENT

1. Authorization of Lien; Personal Obligation. Each Lot Owner and each subsequent owner of any Lot or portion thereof, by virtue of this Agreement, or a subsequent acceptance of a deed therefor, whether or not it shall be expressed in such deed, agrees to participate in the payment for Maintenance of the Improvements as provided herein by means of assessments

as may be established by the majority vote of the Eligible Votes and further agrees to comply with all conditions of this Agreement as set forth herein. Each assessment, together with interest, costs and reasonable attorneys' fees required for any enforcement, shall also be a personal obligation of the person(s) who was/were the owner(s) of such Lot(s) at the time the assessment fell due. In addition, any Lot Owner who is the prevailing party in any litigation against defaulting Lot Owner, shall have the right to assess a lien against the Lot(s) owned by a defaulting Lot Owner for any and all sums, including attorney fees, incurred by a Lot Owner in enforcing this Agreement, if the defaulting Lot Owner has not cured any default under this Agreement within thirty (30) days of written notice of such default.

2. Priority of Lien for Assessments. All sums expressed as against any Lot pursuant to this Agreement, together with interest, costs and reasonable attorney's fees, as provided herein, shall be a charge upon the Lots and shall be a continuing lien upon the subject Lots. The lien shall be for the benefit of all Lot Owners who contributed their share of the costs of the Maintenance giving rise to the lien. Such lien shall be superior to all other liens and encumbrances on such lot, except for (a) liens of ad valorem taxes or (b) liens for all sums on an unpaid first mortgage.

All other persons acquiring liens or encumbrances on any Lot after the date of this Agreement shall have been recorded shall take subject to this Agreement and such liens or encumbrances shall be inferior to all future liens for assessments, as provided herein, whether or not consent is specifically set forth in the instruments creating such liens or encumbrances.

3. Effect of Non-Payment; Remedies. Any amounts assessed under this Agreement which are not paid when due shall become delinquent. If the assessment(s) are not paid within sixty (60) days, a lien as herein provided shall attach, and, in addition, the lien shall include interest from the due date of the assessment at the lesser of: (i) twelve percent (12%); or (ii) the maximum legal rate on the principal amount due, all costs of collection, reasonable attorney's fees, and all other amounts permitted by law. In the event the assessment remains unpaid after sixty (60) days, any Lot Owner who is current on all of his/her/its assessments may institute suit to collect such amounts or to foreclose the lien. All payments shall be applied first to costs and attorney's fees, then to interest, then to delinquent assessments. Foreclosure shall be by the same process provided for the foreclosure of liens under RCW Chapter 60.04 and as hereafter amended.

## **VI. GENERAL PROVISIONS**

1. This Agreement and the easements granted herein shall be non-exclusive and shall remain in effect in perpetuity, until terminated by the mutual written and recorded agreement of the Lot Owners, or by operation of law.
2. The Grantee of each Easement hereby agrees to indemnify and hold harmless the Grantor of each Easement, and its successors and assigns, from any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses (including, without limitation any and all sums paid for settlement, claims, attorneys' fees, consulting and expert fees) which in any way relate to or arise out of the use of the Easement Area by Grantee and/or Grantee's

4. The failure of any party to insist upon strict performance of any of the provisions of this Agreement, or to exercise any option herein conferred in any one or more instances, shall not be construed to be a waiver but the same shall be and remain in full force and effect.

6. The subject headings of the paragraphs of this document are included for purposes of convenience only and shall not affect the construction or interpretation of any of its provisions.
7. This Agreement shall be construed and governed by the laws of the State of Washington.

Each party to this Agreement has had the opportunity to review this Agreement with legal counsel. No interpretation of this Agreement shall be made based upon which party drafted all or any portion of this Agreement, and the doctrine of construing language against the drafter shall not apply.
11. If by reason of any breach or default on the part of either party hereto it becomes necessary for the other party hereto to employ an attorney, then the non-breaching party shall have and recover against the other party in addition to costs allowed by law, reasonable attorneys' fees and litigation-related expenses. The non-breaching party shall be entitled to recover reasonable attorneys' fees and costs and expenses, as provided above, regardless of whether litigation is actually commenced, including fees and costs and expenses relating to bankruptcy, appeal or post-judgment matters.

- b. *Mediation.* In the event that the parties do not resolve their differences after a facilitated meeting with a professional engineer, the parties agree to mediate this dispute by means of a half-day mediation using a mediator to be selected by the parties through the following process: (i) each Lot Owner shall have the right to propose a mediator, and (ii) the Lot Owners shall vote on a mediator using the provisions of Section IV(2) herein. The mediator receiving the most votes shall be the mediator for the purposes of this paragraph.
