Situate in Skagit County, Washington.

Which is, Assessor Tax Parcel No. P48021; and

WHEREAS, Grantor wishes to grant Grantee an easement over, under and across a portion of the Property for ingress, egress, road, and utility purposes to access the Property and the parcels north of the Property, which portion is described and depicted on Exhibit A; and

WHEREAS, the Grantor and Grantee agree that this easement supersedes the previous 50-foot easement recorded May 1, 1974 under Skagit County Auditor's File Number 800130, which is hereby vacated, and

WHEREAS, the foregoing recitals are a material part of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

I. EASEMENT

1.1 Perpetual Easement Grant. Grantor, for valuable consideration receipt of which is hereby acknowledged, does by these presents grant and convey unto CMCC:

A perpetual, non-exclusive easement ("Easement") fifty feet (50') in width for the placement, installation, construction, operation, maintenance, improvement, replacement, and repair of water utility infrastructure, and for a road which shall be open for motorized and non-motorized vehicular, bicycle, equestrian, and pedestrian use by the CMCC and all CMCC members, invitees, and guests, all of which shall be through, under, over, and across the following portion of the Property depicted and described on Exhibit A.

1.2 Purpose. The Easement shall provide CMCC, its agents and contractors with the perpetual right to enter upon the Easement without incurring any legal obligation or liability therefore, for all purposes relating to water utility infrastructure or the road. Grantor shall not take any action to interfere with or impair the use and enjoyment of the road by the CMCC and CMCC members, invitees, and guests.

1.3 Restoration of Easement Area. The Grantee covenants that all construction and other work done by the Grantee on the Easement shall be performed with only reasonably necessary damage to the Easement area. Except for the surface area of the road, the Grantee shall reasonably grade and mulch or plant grass seed on surfaces disturbed by construction and shall restore landscaping to as near the condition existing prior to the commencement of the work as is reasonably feasible; provided that, Grantor shall not be obliged to replace damaged landscaping with trees or vegetation exceeding four (4) feet in height.

1.4 Warranty of Title. The Grantor warrants that the Grantor has good title to that portion of the Property for which the Easement is conveyed. The Easement is conveyed based on the Grantor's warranty of good right, title, and interest Grantor now has in that portion of the Property described and depicted in Exhibit A as the Easement.

1.5 Removal of Obstructions. The Grantor shall retain the right to use that portion of the Grantor's Property within the Easement, so long as said use does not interfere with Grantee's use of the Easement and so long as no permanent building or structures are erected on the Easement. Grantor shall make no use of the road surface portion of Easement except for that use and enjoyment available to all CMCC members as described in Section 1.1. Further, Grantor shall not dig, tunnel, or

conduct other forms of construction activity on the Easement or on Grantor's Property which would disturb, damage, unearth, or endanger the lateral support to the road or water utility infrastructure. CMCC shall have the right to remove any building, structure, concrete, paving, decking or other improvement of any kind which is erected or placed on the Easement, at the sole expense of Grantor. CMCC shall have the further right to remove trees, bushes, undergrowth, and other obstructions interfering with the location, construction and maintenance of the Easement, without liability to Grantor.

1.6 Road Maintenance. Grantor shall initially construct a road running the entire length of the Easement, except where a road meeting its needs and the needs of CMCC is already present. CMCC shall maintain and repair the constructed road within the Easement, however, it shall not be responsible for maintaining, repairing, or otherwise constructing any portion of the road within the Easement where CMCC access is restricted by locked gate or otherwise.

II. GENERAL PROVISIONS

2.1 Run with the Land. This Agreement entered into by the Parties, and the Easement granted herein, shall be deemed to touch and concern the land, and shall, therefore, run with the land in perpetuity. The rights and obligations of the Parties shall inure to the benefit of and be binding upon their heirs, successors and assigns.

2.2 Indemnity.

2.2.1 Grantee Obligation. Grantee expressly agrees to appear, defend, indemnify and hold harmless the Grantor and those persons who were, are now, or shall be contractors, subcontractors, employees or agents thereof, from and against any and all claims, losses, liabilities, judgments and expenses (including reasonable attorneys' fees) and arising wholly or partially out of any negligent act, action, omission or default on the part of Grantee, its contractors, subcontractors, employees and agents which pertain to the use of the Easement; except that, Grantee's indemnification and hold harmless obligation shall be proportionally reduced by any negligent act, omission, or default on the part of the Grantor, or Grantor's contractors, subcontractors, employees or agents.

2.2.2 Grantor Obligation. Grantor expressly agrees to appear, defend, indemnify and hold harmless the Grantee and those persons who were, are now, or shall be contractors, subcontractors, employees or agents thereof, from and against any and all claims, losses, liabilities, judgments and expenses (including reasonable attorneys' fees) and arising wholly or partially out of any negligent act, action, omission or default on the part of Grantor, its contractors, subcontractors, employees and agents which pertain to the use of the Easement; except that, Grantor's indemnification and hold harmless obligation shall be proportionally reduced by any negligent act, omission, or default on the part of the Grantee, or Grantee's contractors, subcontractors, employees or agents.

2.3 Expenses and Attorneys' Fees. The prevailing Party in any action brought to enforce any terms and conditions of this Agreement shall be entitled to the recovery of their reasonable attorney's fees, costs and expenses.

2.4 Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. Venue for any lawsuit filed shall lie exclusively in Skagit County Superior Court.

2.5 Nonwaiver of Breach. Failure of either Party at any time to require performance of any provision of this Agreement shall not limit such Party's right to enforce such provision, nor shall any waiver of any breach of any provision of this Agreement constitute a waiver of any succeeding breach of such provision or a waiver of such provision itself.

2.6 Complete Agreement – Modification Must be in Writing. This Agreement constitutes the entire agreement between the Parties as to the matters contained herein. No oral or written statements made by either Party prior to or following entry of this Agreement shall be considered a part of this Agreement unless expressly incorporated herein in writing. This Agreement may be modified in writing only, upon mutual agreement of the Parties.

2.7 Counterparts. This Agreement may consist of two or more separately ratified counterparts, each of which shall constitute a duplicate original of this Agreement.

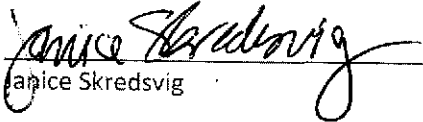

2.8 Severability. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first above written.
