See Exhibit A, attached hereto and incorporated by reference.

NOW, THEREFORE, the parties hereto, in consideration of the above and the mutual covenants, terms, conditions and restrictions contained herein, agree as follows:

1. Grant of Easement Area. Owners of Parcel 2, Grantors, hereby convey to Grantees, Owners of Parcel 1, its successors and assigns, a permanent, non-exclusive easement over, under, along, across and through the Easement Area as described above on the terms and conditions set forth. This easement is for i) access (including but not limited to vehicle, pedestrian and equestrian); ii) installing, constructing, operating, maintaining, removing, repairing, and replacing water, telephone and electrical conduits or systems, gas mains and other utilities (collectively the "Utilities"); and iii) construction and maintenance of a gravel or asphalt roadway in accordance with applicable codes, ordinances and other regulations as may be imposed by the governing authority. All utilities shall be installed and maintained below the ground level or surface of the Easement Area except for such facilities (including transformers, vents, control boxes and stand pipes) which are required to be located above ground level by the applicable utility service company or governmental regulations.

2. Non-exclusive Rights. Grantee's use of, or activity on, above or under the Easement Area shall be non-exclusive. Grantor reserves the right to use the Area for any and all purposes which do not materially prevent Grantee's use of the Easement Area for the purposes stated herein and are not otherwise inconsistent with the rights herein contained.
3. No Dedication to the Public. Nothing contained herein shall be deemed to be a gift or dedication of any portion of the Easement Area to the general public or for the general public or for any public uses whatsoever other than those specifically granted herein, it being the intention of the parties hereto that this Easement Agreement shall be strictly limited to and for the purposes herein expressed.
4. Liability and Indemnification. Grantee, successors and assigns, shall indemnify, defend, and hold harmless the Grantor from any and all claims, suits, actions, losses, costs and reasonable attorney's fees and expenses, penalties, judgments, settlements and damages of whatsoever kind or nature arising out of, in connection with, or incident to exercise of the rights granted in this instrument.
5. Improvement of Easement Area. The Grantee, successors and assigns, shall not impair the Grantor's use of the Easement Area at any time without the prior consent of the Grantor. Construction material, waste and debris arising from the Grantee's improvements or use of the Easement Area shall be disposed of promptly at the expense of the Grantee, successor or assigns. The Grantee shall give reasonable advance notice to the Grantor of the Grantee's intent to improve the easement. The Grantee, its agents, or employees shall design, construct, and maintain slopes, cuts and fills and control surface water in such a manner that prevents erosion, sedimentation, or alterations of land outside the Easement Area. The Grantor does not warrant or guarantee the condition, suitability, or stability of any existing soil materials, cuts, fills, or natural slopes existing prior to or subsequent to the Grantee's improvement or use of the Easement Area, or the use of such materials for the Grantee's improvement of the Easement.
6. Repair and Maintenance of the Easement Area. The Grantee, its successors or assigns shall regularly maintain improvements made to the Easement Area by them in a manner such that the Grantor's use shall not be impaired. Any damage within the Easement Area or to any area outside the Easement Area caused by Grantee, its successors or assigns, or its agents, employees or invitees, shall be promptly restored by the Grantee, its successors or assigns. Any damage to the Easement Area caused by Grantor or its agents, employees or invitees shall be promptly restored by the Grantor. Damage to the Easement Area shall be restored to the same or better condition that existed prior to the damage, using commonly accepted standards of the industry.
7. Perpetual Duration. This easement shall run with the land and following any sale or transfer thereof all rights and obligations of the parties shall inure to the benefit of and be binding upon their respective successors and assigns.

8. Entire Agreement. This instrument sets forth the entire agreement of the parties with respect to the terms of this Easement and supersedes all prior discussions, negotiations, understandings, or agreements relating to the terms of this Easement, all of which merge herein.

9. Counterparts. This Easement may be executed in one or more counterparts, each of which shall be deemed an original. The signatures to this Easement may be executed and notarized on separate pages and when attached to this document shall constitute one complete document.

In Witness Whereof, the Grantor and Grantee, hereby accept the terms and conditions as set forth herein and, intending to legally bind themselves, have set their hands on the date first written above.

Dated this 11 day of May, 2018.
