4. Protection of Security. To protect the security of this Deed of Trust, Grantor covenants and agrees:

4.1. To keep the Property in good condition and repair; to permit no waste thereof; to complete any building, structure or improvement thereon which may be damaged or destroyed; and to comply with all laws, ordinances, conditions and restrictions affecting the Property.,

4.2. To pay before delinquent all lawful taxes and assessments upon the Property; to keep the Property free and clear of all other charges, liens, or encumbrances impairing the security of this Deed of Trust.

4.3. To keep all buildings now or hereafter on the Property continuously insured against loss by fire or other hazards in an amount not less than the replacement cost of the Property. The amount collected under any insurance policy may be applied upon any indebtedness hereby secured in such order as the Beneficiary shall determine, subject to the rights of any senior lien-holder. Such application by the Beneficiary shall not cause discontinuance of any proceedings to foreclose this Deed of Trust. In the event of foreclosure, and subject to the rights of the Beneficiary or beneficiaries of any senior deed of trust, all rights of Grantor in insurance policies then in force shall pass to the purchaser at the foreclosure sale.

4.4. To defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and to pay all costs and expenses, including cost of title search and attorney's fees in a reasonable amount, in any such proceeding, and in any suit brought by Beneficiary to foreclose this Deed of Trust.

The payment of such sums by Beneficiary and addition of the amount thereof to the principal balance secured hereby shall not constitute a waiver of the default.

5. General Conditions. The parties hereto agree that:

5.1. In the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Grantor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefore, provided that (a) such proceeds are sufficient to keep the loan in balance and rebuild the Property in a manner that provides adequate security to the Beneficiary for repayment of the loan, or if such proceeds are insufficient to provide adequate security or to keep the loan in balance, then

RM

Grantor has funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and such approval shall not be unreasonably withheld, and (c) no material default then exists under the Note, this Deed of Trust or the Contract. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then such insurance and/or condemnation proceeds may be used for partial rebuilding and partial repayment of the loan in a manner that provides adequate security to the Beneficiary for repayment of the remaining balance of the loan.

5.2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.

5.3. The Trustee shall reconvey all or any part of the Property covered by this Deed of Trust to the person entitled thereto on written request of the Grantor and the Beneficiary, or upon satisfaction of the obligations secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.

5.4. Power of Sale. Pursuant to Chapter 61.24 of the Revised Codes of Washington and upon default by Grantor without timely cure and after written notice of thirty (30) days in the payment of any indebtedness secured hereby or in the performance of any agreement contained herein, all sums secured hereby shall immediately become due and payable. In such event and upon written notice of Beneficiary, the Property shall be sold, in accordance with the Deed of Trust Act of the State of Washington, at public auction to the highest bidder. Any person may bid at the Trustee's sale. Subject to the rights of the beneficiary or beneficiaries of any senior deed of trust, the proceeds of the sale shall be applied as follows: (1) to the expense of the sale, including a reasonable Trustee's fee and attorney's fee; (2) to the obligation secured by this Deed of Trust; (3) the surplus, if any, shall be distributed to the person or persons entitled thereto.

5.5. A Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the Property which Grantor had or had the power to convey at the time of the execution of this Deed of Trust, and such as Grantor may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of a bona fide purchaser for value.

5.6. The power of sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy; Beneficiary may cause this Deed of Trust to be foreclosed as a mortgage.

5.7. Beneficiary may at any time appoint or discharge the Trustee.

5.8. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto and their successors and assigns. The terms "Grantor," "Trustee," and "Beneficiary" include their successors and assigns.

6. Acceleration. If without Beneficiary's prior written consent, all or any part of the Property or any interest in it is not used as required in the Contract, Beneficiary may, at its option, require immediate payment in full of all sums secured by this Deed of Trust. However, this option shall not be exercised by Beneficiary if exercise is prohibited by federal law as of the date of this Deed of Trust. If Beneficiary exercises this option, Beneficiary shall give Grantor notice of acceleration. The notice shall provide a period of not less than thirty (30) days from the date the notice is delivered or mailed within which Grantor must pay all sums secured by this Deed of Trust. If Grantor fails to pay these sums prior to the expiration of this period, Beneficiary may invoke any remedies permitted by this Deed of Trust without further notice or demand on Grantor.

WITNESS the hand and seal of the Grantor on the day and year first written above.
