Grantor and Grantee agree that the rights granted herein shall be subject to the following terms, provisions, and conditions applicable to Grantor, Grantee and their respective successors, assigns, heirs, and personal representatives:

1. Purpose.

(a) This Easement is granted for the purpose of using, maintaining and improving the Roads for ingress and egress to Grantee's property for all lawful residential, commercial, industrial, agricultural and silvicultural uses and developments. Grantee's property is more particularly described as Government Lots 7 and 10, and the Southeast $\frac{1}{4}$ of Section 21, Township 35 North, Range 7 East, W.M., except that certain 100 foot strip over and across said Government Lot 7 as conveyed to Puget Sound and Cascade Railway Company, a corporation, by deed dated May 15, 1923 and recorded January 10, 1927, under Auditor's File No. 204773; and except any portion lying within the present or former bed of the Skagit River; also except that portion thereof lying within the South Skagit Highway (the "Dominant Estate").

(b) Further, the easement granted herein is also for the purpose of constructing, reconstructing, using, maintaining and improving a utility transmission line over, under, along and across the Easement.

2. Reserved Rights. Grantor, for itself and its successors and assigns, reserves the right at all times and for any purpose to go upon, cross and recross, at any place on grade or otherwise, the Easement and to use the Roads in any manner and for any purpose that will not unreasonably interfere with the rights granted hereunder.

3. Third Parties. The Easement granted herein is non-exclusive, and Grantor may, in its sole discretion, grant to third parties the right to utilize the Easement or Roads for any purpose or purposes reserved to Grantor upon such terms as it chooses; provided, that use by such third party shall be subject to the terms and conditions of this Easement and shall not unreasonably interfere with the rights granted hereunder. Nothing herein contained shall be deemed a gift or dedication of any portion of the Easement or Roads to the general public, or for any public use or purpose whatsoever. Except as herein specifically provided, no rights, privileges, or immunities hereunder shall inure to the benefit of any third party, nor shall any third party be deemed to be a beneficiary of any of the provisions contained herein.

4. Maintenance and Improvement.

4.1 Maintenance.

(a) For purposes of this Agreement, "maintenance" is defined as the work normally necessary to preserve and keep the Roads and facilities appurtenant to the Roads (such as bridges, culverts, gates, ditches and brushing) as nearly as possible in their present condition or as hereafter improved, and shall include repairs, reconstruction, and resurfacing (except for repairs, reconstruction or resurfacing described in Paragraph 5.2 hereof) and noxious weed control. The cost of maintenance shall be allocated on the basis of respective uses of the Roads. When any party uses the Roads, or a portion thereof, that party shall perform or cause to be performed, or contribute or cause to be contributed, that share of the maintenance occasioned by such use as hereinafter provided. During periods when the Roads, or a portion thereof, is being used solely by one party, such party shall maintain that portion of the Roads so used to the standards existing at the time use is commenced, and shall follow all applicable laws, rules and regulations and Best Management Practices of the State of Washington available from the Washington Department of Natural Resources, Forestry Division, as the same may be amended from time to time (hereinafter, "BMPs") and the Sustainable Forestry Initiative 2015-2019 Standard (or any successor standard then in effect) as set forth by SFI, Inc. (hereinafter, "SFI").

(b) During periods when more than one party is using the Roads, or a portion thereof, each party's share of maintenance shall be pro rata in proportion to its intensity of use thereof. If necessary, and at the request of either party, the parties hereto shall meet and establish necessary maintenance provisions. Such provisions shall include, but shall not be limited to:

(i) The appointment of a maintainer, which may be one of the parties hereto or any third party, who will perform or cause to be performed, at a reasonable and agreed upon rate, the maintenance of the Roads or the portion thereof being used; and

(ii) A method of payment by which each party using the Roads or a portion thereof shall pay its pro rata share of the cost incurred by said maintainer in maintaining, the Roads or portion thereof.

4.2 Improvement. For the purposes of this Agreement, "improvement" is defined as the work necessary to surface, resurface, widen, recondition or replace the Roads and facilities appurtenant to the Roads (such as bridges, culverts, gates, ditches and brushing) to a higher or greater standard than that prevailing on the date of this Agreement. Any improvement shall be at the sole cost and expense of the improving party. When any existing or planned use of lands accessed by the Roads described herein will result in use of the Roads in excess of its current design elements, design standards, and/or road maintenance standards, the party responsible for such existing or planned use shall likewise be responsible for any additional costs that are necessary to meet design elements, design standards, and/or road maintenance standards that can accommodate such existing or planned use (as well as other existing uses).

5. Structures and Gates. Neither of the parties may construct any structures, including, without limitation, gates or fences (each, a "Gate" and collectively, the "Gates"), along or across the Easement without the prior written permission of the other party. Upon mutual written consent, and at least five (5) business days prior to constructing a Gate, the party constructing a Gate shall ensure that the other party has a key or access code to such Gate. Both parties agree that each Gate will be closed and locked at all times to prevent unauthorized vehicle traffic on the Roads; provided, however, that the parties may, from time to time leave Gates (if any) on the Roads open for reasonable extended periods during regular business hours in order to facilitate active timber harvest and other commercial operations of the parties.

6. Road Damage. Each party using any portion of the Roads shall repair or cause to be repaired at its sole cost and expense that damage to the Roads occasioned by it which is in

excess of that which it would cause through normal and prudent usage of the Roads. 8. Condition and Use of Easement. Grantor makes no warranties as to the current state of the Easement or the Roads, or likely future condition of the Easement or Roads. Grantee acknowledges that the Roads will be used for a wide range of activities, including but not limited to, the use of heavy vehicles and for logging activities. All parties using the Easement or Roads do so at their own risk, and nothing in this Agreement shall be construed to impose any liability for injuries to persons or property against Grantor by reason of neglect or failure to maintain the Easement or the Roads located thereon. Grantee shall comply with all governmental laws, ordinances, rules and regulations, BMPs and SFIs applicable to the construction, reconstruction, maintenance, repair, improvement, or use of the Easement.

9. Right-of-Way Timber. Grantor reserves to itself and its successor and assigns all timber now on or hereafter growing within the Easement, which Grantor may harvest and remove at any time. Upon prior written notice to Grantor, Grantee shall have the right to cut timber within the Easement to the extent necessary for maintaining or improving the Road. Timber so cut shall, unless otherwise agreed to, be cut into logs of lengths specified by Grantor and decked along the Road for disposal or removal by Grantor.

No such cancellation, modification or change shall affect Grantee's obligation to maintain the insurance coverages required by this Agreement.

v. All liability coverages must be on an "occurrence" basis as opposed to "claims made."

vi. All such insurance shall be in a form and company acceptable to Grantor sufficient to protect Grantee, its contractors and their subcontractors, to the extent that they are involved in the work, and Grantor against the claims of third persons, and to cover claims by Grantor against Grantee, its contractor and their subcontractors for which Grantee has assumed liability under this Agreement.

contained shall not be construed as covering personal injury to or death of persons, or damage to or destruction of property resulting from the sole or contributory negligence of Grantor.

13. Liens. Grantee shall keep the Easement and the Servient Estate free from liens arising in any manner out of the activities of Grantee and shall promptly discharge any such liens that are asserted.

14. Taxes. Grantee shall pay all taxes and/or assessments that may become chargeable against this easement, if separately assessed by statute.

Grantor shall have the right to dedicate all or any portion of the Road to the state, county or municipality as a public road, in which event the Easement on the portion so dedicated shall terminate.

16. Default. Failure of Grantee to perform any of its obligations hereunder shall constitute a default. Upon default, Grantor shall notify Grantee in writing, describing the nature of such default and the action necessary to cure the default. Grantee shall have thirty (30) days following its receipt of a notice to cure the default, unless it appears that Grantee has commenced to cure the default in good faith and has diligently continued to pursue such curing, but has been unable to complete the same within said 30-day time period due to the nature of the default or other causes beyond the control of Grantee, in which case the time period shall be extended accordingly; provided, however, that no extension shall be afforded for a default in the payment of a monetary obligation. In the event Grantee fails to cure the breached obligation during the prescribed cure period, as the same may be extended, Grantor shall be entitled to exercise all rights and remedies available to it at law or equity, including but not limited to specific performance pursuant to the terms of this Agreement without the necessity of posting a bond, or termination of this Agreement and the Easement.

17. Rights and Obligations. The rights and obligations hereunder shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto. The Easement is an easement appurtenant to the Dominant Estate, and may not be transferred separately from, or severed from, title to the Dominant Estate. Furthermore, the benefits of the Easement shall not be extended to any properties other than the Dominant Estate without the consent of the owner of the fee simple interest of the Servient Estate.

18. Invalidity. In the event any portion of this Agreement should be held to be invalid, illegal, or unenforceable by any court of competent jurisdiction, such holding shall not affect the remaining provisions hereof unless the court's ruling includes a determination that the principal purpose and intent of this Agreement is thereby defeated.
