sewer systems for this subdivision and other property, together with the right to enter upon said easements at all times for the purposes stated. Structures shall not be constructed upon any area reserved for these easements. Following any use, the City shall restore the easements as near as possible to the original condition. Upon the dedication of any portion of this easement area as a public right-of-way, said portion of this easement shall automatically terminate and self-extinguish.

C. An easement is hereby reserved for and granted to Public Utility District No. 1 of Skagit County under and upon Tract AU-1 to install, maintain, replace, repair and operate water systems, mains, and appurtenances for this subdivision and other property together with the right to enter upon said easement at all times for the purposes stated. Structures shall not be constructed upon any area within this easement. Following any use grantee shall restore the easement as near as possible to the original condition.

D. Easements for the purpose of conveying local storm water runoff are hereby granted in favor of all abutting lot owners in the areas designated as private drainage easements. The maintenance of private drainage easements established and granted herein shall be the responsibility of the lot owners of the benefiting private lots and their heirs, personal representatives and assigns. The City of Mount Vernon is hereby granted the right to enter said easements for emergency purposes at its own discretion.

All lots shall be subject to an easement 2.5 feet in width parallel with and abutting all interior lot lines and a minimum of 5.0 feet in width parallel with and abutting all rear lot lines for the purpose of private storm drainage. In the event lot lines are adjusted after the recording of the plat, the easement shall move with the adjusted lot lines. Maintenance of all private storm drainage easements on this plat shall be the responsibility of the lots deriving benefits from said easement. No structures other than fences or yard drains shall be constructed within these easements.

22. Native Growth Protection Area information on the face of said plat as follows:

Dedication of a native growth protection area tract (NGPA) conveys to the public a beneficial interest in the land within the tract. This interest includes the preservation of existing vegetation for all purposes that benefit the public health, safety and welfare, including control of surface water and erosion, maintenance of slope stability, visual and aural buffering and protection of plant and animal habitat. The NGPA imposes upon all present and future owners and occupiers of the NGPA the obligation, enforceable on behalf of the public or the City of Mount Vernon, to leave undisturbed all trees and other vegetation within the tract. The vegetation within the tract may not be cut, pruned, covered by fill, removed or damaged without the express permission from the City of Mount Vernon, which permission must be obtained in writing. Before beginning and during the course of any grading, building construction or other development activity on a lot or development site subject to the NGPA, the common boundary between the NGPA and the area of development activity must be monumented.
