If any prohibited lien or encumbrance is filed against the Property, the Trustor shall cause the same to be removed and discharged of record within thirty (30) days after the date of filing thereof.

(d) The Trustor shall obtain, upon request by the Beneficiary, from all persons hereafter having or acquiring any interest in or encumbrance on the Property or the said equipment or accessions, a writing duly acknowledged, and stating the nature and extent of such interest or encumbrance and that the same is subordinate to this Deed of Trust and no offsets or defenses exist in favor thereof against this Deed of Trust or the Note hereby secured, and deliver such writing to the Beneficiary.

1.11 Expenses. Unless otherwise agreed in writing, the Trustor will pay when due and payable all appraisal fees, recording fees, taxes, brokerage fees and commissions, abstract fees, title policy fees, escrow fees, attorneys' fees, court costs, fees of inspecting architect(s) and engineer(s) and all other costs and expenses of every character which have been incurred or which may hereafter be incurred by the Beneficiary in connection with: (a) the preparation and execution of the Loan Documents; (b) the funding of the Loan; (c) in the event an Event of Default occurs hereunder or under the Note or any of the Loan Documents, all costs, fees and expenses, including, without limitation, all reasonable attorneys' fees in connection with the enforcement under the Note or foreclosure under this Deed of Trust, preparation for enforcement of this Deed of Trust or any other Loan Documents, whether or not suit or other action is actually commenced or undertaken; (d) enforcement of this Deed of Trust or any other Loan Documents; (e) court or administrative proceedings of any kind to which the Beneficiary may be a party, either as plaintiff or defendant, by reason of the Note, the Deed of Trust or any other Loan Documents; (f) preparation for and actions taken in connection with the Beneficiary's taking possession of the Property; (g) negotiations with the Trustor, its beneficiary, or any of its agents in connection with the existence or cure of any Event of Default or default; (h) any proposed refinancing by the Trustor or any other person or entity of the debt secured hereby; (i) the transfer of the Property in lieu of foreclosure; (j) inspection of the Property pursuant to Section 1.15; and (k) the approval by the Beneficiary of actions taken or proposed to be taken by the Trustor, its beneficiary, or other person or entity which approval is required by the terms of this Deed of Trust or any other of the Loan Document. The Trustor will, upon demand by the Beneficiary, reimburse the Beneficiary or any takeout lender for all such expenses which have been incurred or which shall be incurred by either of them; and will indemnify and hold harmless the Beneficiary from and against, and reimburse it for, the same and for all claims, demands, liabilities, losses, damages, judgments, penalties, costs and expenses (including, without limitation, attorneys' fees) which may be imposed upon, asserted against, or incurred or paid by it by reason of, on account of or in connection with any bodily injury or death or property damage occurring in or upon or in the vicinity of the Property through any cause whatsoever or asserted against it on account of any act performed or omitted to be performed hereunder or on account of any transaction arising out of or in any way connected with the Property, or with this Deed of Trust or the Indebtedness.

1.12 The Beneficiary's Performance of Defaults. If the Trustor defaults in the payment of any tax, Assessment, encumbrance or other Imposition, in its obligation to furnish insurance hereunder, or in the performance or observance of any other covenant, condition, agreement or term in this Deed of Trust, the Note or in any of the Loan Documents, the Beneficiary may, without obligation to do so, to preserve its interest in the Property, perform or observe the same, and all payments made (whether such payments are regular or accelerated payments) and costs and expenses incurred or paid by the Beneficiary in connection therewith shall become due and payable immediately. The amounts so incurred or paid by the Beneficiary, together with interest thereon at the default rate, as provided in the Note, from the date incurred until paid by the Trustor, shall be added to the Indebtedness and secured by the lien of this Deed of Trust to the extent permitted by law. The Beneficiary is hereby empowered to enter and to authorize others to enter upon the Property or any part thereof for the purpose of performing or observing any such defaulted covenant, condition, agreement or term, without thereby becoming liable to the Trustor or any person in possession holding under the Trustor.

1.13 Financial Statements, Books, and Records. The Trustor will furnish to the Beneficiary, within thirty (30) days after a request therefor, a detailed statement in writing, covering the period of time specified in such request, showing all income derived from the operation of the Property, and all disbursements made in connection therewith, and containing a list of the names of all tenants and occupants of the Property, the portion or portions of the Property occupied by each such tenant and occupant, the rent and other charges payable under the terms of their leases or other agreements and the period covered by such leases or other agreements.

1.14 Inspection. The Beneficiary, and any persons authorized by the Beneficiary, shall have the right, at the Beneficiary's option, to enter and inspect the Property upon reasonable notice and at all other reasonable times during the term of the Loan. The Trustor shall pay any professional fees and expenses, which may be incurred by the Beneficiary in connection with such inspection.

1.15 Loan to Value Covenant. If at any one or more time(s) during the term of the Note the then aggregate outstanding and committed principal amount of the Note, plus accrued interest and fees thereon, plus all amounts outstanding under any debts secured by prior liens on the Property, is greater than eighty percent (80%) of the value of the Property, as determined by the Beneficiary based upon the Beneficiary's review of any appraisal and such other factors as the Beneficiary may deem appropriate, then the Trustor shall within thirty (30) days following a request by the Beneficiary, prepay the Note by an amount sufficient to cause the then outstanding principal amount of the Note, plus accrued interest and fees thereon, to be reduced to an amount equal to or less than eighty percent (80%) of the value of the Property. The inability of the Trustor to reduce the principal balance of the Note within thirty (30) days following request by the Beneficiary shall be, at the Beneficiary's option, an Event of Default, hereunder.

1.16 No Occupancy by Trustor et al. None of (i) Trustor, (ii) any guarantor of Trustor, (iii) any person holding an equity or other ownership interest in Trustor or in any guarantor of Trustor or (iv) any member of the immediate family of the persons identified in (i), (ii), (iii) shall occupy or inhabit (or permit the occupancy or habitation of) any part of the Property, including without limitation any building, structure or other improvement located thereon.

ARTICLE TWO: DEFAULTS

2.01 Event of Default. The term "Event of Default" or "default" wherever used in this Deed of Trust, shall mean any one or more of the following events: (a) failure by the Trustor to pay any installment of principal and/or interest under the Note within five (5) days after the same becomes due and payable; (b) failure by the Trustor to observe or perform, or upon any default in, any other covenants, agreements or provisions herein, in the Note, or in any of the Loan Documents; (c) failure by the Trustor to pay any Imposition, Assessment, other utility charges on or lien against the Property; (d) failure by the Trustor to keep in force the insurance required in this Deed of Trust; (e) failure by the Trustor to either deliver the policies of insurance described in this Deed of Trust or to pay the premiums for such insurance as provided herein; (f) failure by the Trustor to pay any installment, which may not then be due or delinquent, of any Assessment for local improvements for which an official bill has been issued by the appropriate authorities and which may now or hereafter affect the Property, and may be or become payable in installments; (g) the actual or threatened waste, removal or demolition of, or material alteration to, any part of the Property,

except as permitted herein; (h) the vesting of title, or any sale, conveyance, transfer, leasing, assignment or further encumbrance in any manner whatsoever of any interest in the Property, or any part thereof, in or to anyone other than the present owner, or any change in title or ownership of the Property, or any part thereof, without the prior written consent of the Beneficiary; (i) all or a material portion of the Property being taken through condemnation, eminent domain, or any other taking such that the Beneficiary has reason to believe that the remaining portion of the Property is insufficient to satisfy the outstanding balance of the Note, or the value of the Property being impaired by condemnation, eminent domain or any other taking, (which term when used herein shall include, but not be limited to, any damage or taking by any governmental authority or any other authority authorized by the laws of any state or the United States of America to so damage or take, and any transfer by private sale in lieu thereof), either temporarily for a period in excess of thirty (30) days, or permanently; (j) the merger or dissolution of the Trustor or the death of any guarantor of the Note ("Guarantor"); (k) any representation or warranty of the Trustor or any Guarantor made herein or in any such guaranty or in any certificate, report, financial statement, or other instrument furnished in connection with the making of the Note, the Deed of Trust, or any such guaranty, shall prove false or misleading in any material respect; (l) Trustor makes or takes any action to make a general assignment for the benefit of its creditors or becomes insolvent or has a receiver, custodian, trustee in Bankruptcy, or conservator appointed for it or for substantially all or any of its assets; (m) the Trustor files, or becomes the subject of, a petition in bankruptcy, or upon the commencement of any proceeding or action under any bankruptcy laws, insolvency laws, relief of debtors laws, or any other similar law affecting the Trustor, provided however, that the Trustor shall have sixty (60) days from the filing of any involuntary petition in bankruptcy to have the same discharged and dismissed; (n) the Property becomes subject to (1) any tax lien which is superior to the lien of the Deed of Trust, other than a lien for local real estate taxes and assessments not due and payable or (2) any mechanic's, materialman's, or other lien which is, or is asserted to be, superior to the lien of the Deed of Trust and such lien shall remain undischarged for thirty (30) days, (o) the Trustor fails to promptly cure any violations of laws or ordinances affecting or which may be interpreted to affect the Property; (p) in the event of any material adverse change in the financial condition of the Trustor; or (q) any of the aforementioned events occur with respect to any Guarantor.

ARTICLE THREE: REMEDIES

In the event that an Event of Default or default shall have occurred, the remedies available to the Beneficiary include, but are not limited to, any and all rights and remedies available hereunder, any and all rights and remedies available at law, in equity, or by statute. Without limiting the foregoing, the rights and remedies available to the Beneficiary shall include, but not be limited to, any one or more of the following:

3.01 Acceleration of Maturity. If an Event of Default shall have occurred, the Beneficiary may, at its option, declare without demand or notice all of the outstanding Indebtedness to be due and payable immediately, and upon such declaration such Indebtedness shall immediately become and be due and payable without demand or notice.

3.02 The Beneficiary's Right to Enter and Take Possession. If an Event of Default shall have occurred, the Trustor, upon demand on the Beneficiary, shall forthwith surrender to the Beneficiary

the actual possession of the Property and the Beneficiary itself, or by such officers or agents as it may appoint, may enter and take possession of the Property, collect and receive the rents and income therefrom, and to apply so much of said rents and income as may be required in the necessary expenses of running said Property, including reasonable attorneys' fees, management agents' fees, and if the Beneficiary manages the Property with its own employees, an amount equal to the customary management agents' fees charged for similar property in the area where the Property are located, and to apply the balance of said rents and income to the payment of the amounts due upon said Note, or in payment of taxes assessed against the Property, or both. And for this purpose, and in case of such default, the Trustor hereby assigns, transfers, and sets over to the Beneficiary the rents and income accruing from said Property. Nothing contained in the foregoing provisions shall impair or affect any right or remedy which the Beneficiary might now or hereafter have, were it not for such provisions, but the rights herein given shall be in addition to any others which the Beneficiary may have hereunder.

3.03 Receiver. If an Event of Default shall have occurred, the Beneficiary, to the extent permitted by law and without regard to the value or occupancy of the security, shall be entitled to apply for the appointment of a receiver of the rents and profit of the Property without notice, and shall be entitled to the appointment of such a receiver as a matter of right, without consideration of the value of the Property as security for the amounts due the Beneficiary, or the solvency of any person or limited liability company liable for the payment of such amounts.

3.04 Trustee's Sale. If any Event of Default occurs, Beneficiary is authorized and empowered, without further notice, to execute or cause the Trustee to execute a written notice of default and of election to cause the Property to be sold as required by law or as otherwise provided herein, and the Trustee shall file such notice for record in each county wherein the Property or any part thereof is situated. After such filing, the Trustee may lawfully foreclose and shall foreclose the lien of this Deed of Trust, and sell and dispose of the Property in masse or in separate parcels (as Beneficiary may elect) and all the right, title, and interest of Trustor therein, at a public auction at any place then authorized by law as may be specified in the notice of such sale, for the price permitted by law (the "Trustee's Sale"), legally required public notice having previously been given of the time and place of such sale. The Trustee, without demand on Trustor, shall sell the Property on the date and at the time and place designated in the notice of sale, either as a whole or in separate parcels, and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which such Property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause he deems expedient in accordance with applicable law, postpone the sale from time to time until it shall be completed and, in every case, notice of postponement shall be given as required by law. Trustee shall execute and deliver to the purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale to payment of (1) the costs and expenses of exercising the power of sale and of the sale, including the payment of the Trustee's and attorneys' fees; (2) cost of any evidence of title procured in connection with such sale; (3) all sums expended under the terms hereof, not then repaid, with accrued interest as provided herein from date of expenditure; (4) all other sums then secured hereby; and (5) the remainder, if any, to the person or persons legally entitled thereto, or the Trustee, in its

discretion, may deposit the balance of such proceeds with the County Clerk of the county in which the sale took place.

3.05 Attorneys' Fees. If this Deed of Trust is foreclosed by the Trustee, the Trustee shall allow a reasonable amount of attorneys' fees for services rendered in the supervision of such foreclosure proceedings as a part of the cost of foreclosure. If the foreclosure proceedings are made through court proceedings, attorneys' fees in an amount determined by the court to be reasonable shall be taxed by the court as a part of the cost of such foreclosure proceedings.

3.06 Waiver of Appraisal, Valuation, Stay, Exemption, and Redemption Laws, etc.; Marshaling. The Trustor agrees to the full extent permitted by law that after an Event of Default neither the Trustor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, exemption, moratorium, or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust, and the Trustor, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, any and all right to have the assets comprising the Property marshaled upon any foreclosure hereof. To the extent permitted by applicable law, Borrower expressly waives all benefits, claims, rights and defenses Borrower may have or acquire that are based on: (A) any statutory or common law provision limiting the liability of or requiring the discharge or exoneration of the guarantor or surety; (B) suretyship or impairment of collateral, including any benefits, claims, right or defenses Guarantor may have or acquire pursuant to sections 3-419 and 3-605 of the Uniform Commercial Code as adopted and amended from time to time by any states; (C) any statutory or common law provisions that releases, discharges, or limits the liability of a remaining obligor following the release of a joint obligor; (D) homestead or exemption laws and any rights thereunder with respect to any collateral taken as security for the indebtedness; (E) any "one action" "anti-deficiency" or other statutory or common law provision limiting the right of Lender to obtain a judgment against or otherwise proceed against any person or entity obligated for payment of the indebtedness (including Trustor, if that is the case), whether before or after the foreclosure, sale or other disposition of any collateral taken as security for the indebtedness; and (F) any legal or equitable doctrine or principle of marshalling. Lender shall not be required to sell or dispose of collateral in inverse order of alienation or in any other particular order. Without affecting or lessening Lender's rights under this instrument, Lender may do or not do any of the following with respect to the Indebtedness or Note without Trustor's knowledge, consent, or joinder: (1) grant extensions of time for payment, (2) grant renewals, (3) permit modifications of payment terms or conditions, (4) permit assumptions of the Indebtedness or Note, (5) release one or more borrowers or guarantors from liability, and (6) exchange or release any collateral or other security.

3.07 Suits to Protect the Property. The Beneficiary shall have the power and authority to institute and maintain any suits and proceedings as the Beneficiary may deem advisable in order to (a) prevent any impairment of the Property, (b) foreclose this Deed of Trust, (c) preserve and protect its interest in the Property, and (d) to restrain the enforcement of, or compliance with, any legislation or other governmental enactment, rule, or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order might impair the security hereunder or be prejudicial to the Beneficiary's interest.

3.08 Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial case or proceeding affecting the Trustor, its creditors or its property, the Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have its claims allowed in such case or proceeding for the entire Indebtedness at the date of the institution of such case or proceeding, and for any additional amounts which may become due and payable by the Trustor after such date.

3.09 Application of Monies by the Beneficiary. After the occurrence of an Event of Default, any monies collected or received by the Beneficiary shall be applied in such priority as the Beneficiary may determine in its sole and absolute discretion, to such matters including, but not limited to, the payment of compensation, expenses and disbursements of the agents, attorneys and other representatives of the Beneficiary, to deposits for Impositions and Insurance and insurance premiums due, to the cost of insurance, Impositions, Assessments, and other charges and to the payment of the Indebtedness.

3.10 No Waiver. Notwithstanding any course of dealing or course of performance, neither failure nor delay on the part of the Beneficiary to exercise any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power, or privilege.

3.11 No Waiver of One Default to Affect Another. No waiver of any Event of Default hereunder shall extend to or affect any subsequent or any other Event of Default then existing, or impair any rights, powers or remedies consequent thereon. If the Beneficiary (a) grants forbearance or an extension of time for the payment of any of the Indebtedness; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted in the Note, this Deed of Trust or any other of the Loan Documents; (d) releases any part of the Property from the lien of this Deed of Trust or any other of the Loan Documents or releases or any party liable under the Note; (e) consents to the filing of any map, plat or replat of the Land; (f) consents to the granting of any easement on the Land; or (g) makes or consents to any agreement changing the terms of this Deed of Trust or subordinating the lien or any charge hereof, no such act or omission shall release, discharge, modify, change or affect the original liability under this Deed of Trust or otherwise of the Trustor, or any subsequent purchaser of the Property or any part thereof or any trustor, co-signer, endorser, surety or guarantor. No such act or omission shall preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in case of any Event of Default then existing or of any subsequent Event of Default nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary, shall the lien of this Deed of Trust be altered thereby.

3.12 Remedies Cumulative. No right, power or remedy conferred upon or reserved to the Beneficiary by the Note, this Deed of Trust or any other of the Loan Documents is exclusive of any other right, power and remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or under the Note or any other of the Loan Documents, or now or hereafter existing at law, in equity or by statute.

3.13 Interest after Event of Default; Default Rate. If an Event of Default shall have occurred, all sums outstanding and unpaid under the Note and this Deed of Trust shall, at the Beneficiary's option, bear interest at the default rate set forth in the Note.

3.14 Indemnification of Trustee. Except for gross negligence or willful misconduct, Trustee shall not be liable for any act or omission or error of judgment. Trustee may rely on any document believed by Trustee in good faith to be genuine. All money received by Trustee shall, until used or applied as herein provided, be held in trust, but need not be segregated (except to the extent required by law), and Trustee shall not be liable for interest thereon. Trustor shall indemnify Trustee against all liability and expenses which Trustee may incur in the performance of Trustee's duties hereunder.

3.15 Substitute Trustee. Beneficiary may appoint a substitute Trustee **(a)** if Trustee herein named or any substitute Trustee shall die, resign, or fail, refuse or be unable, for any reason, to make any such sale or to perform any of the trusts herein declared; or **(b)** at the option of Beneficiary from time to time as often and whenever Beneficiary prefers and with or without any reason or cause. Each appointment shall be in writing, but without the necessity of recordation, notice to Trustor, or any other action or formality. Each substitute Trustee so appointed shall thereupon by such appointment become Trustee and succeed to all the estates, titles, rights, powers, trusts and duties of predecessor Trustee. Any such appointment may be executed by Beneficiary or any authorized representative of Beneficiary, and such appointment shall be presumed conclusively to have been executed with due and proper authority. Without limiting the generality of the foregoing, if Beneficiary is a corporation, bank or association, of any type or character, such appointment may be executed in its behalf by any officer of Beneficiary and shall be presumed conclusively to have been executed with due and proper authority without necessity of proof of any action by the board of directors or any superior officer. Wherever herein the word "Trustee" is used, the same shall mean the duly appointed trustee or substitute trustee hereunder at the time in question. Trustee may resign by written notice to Beneficiary.

3.16 Provisional Remedies: Foreclosure And Injunctive Relief: Nothing shall be deemed to apply to limit the right of Trustee to: (a) exercise self-help remedies, (b) foreclose judicially or non-judicially against any real or personal property collateral, or to exercise judicial or non-judicial power of sale rights, (c) obtain from a court provisional or ancillary remedies (including, but not limited to, injunctive relief, a writ of possession, prejudgment attachment, a protective order or the appointment of a receiver) or (d) pursue rights against Trustor or any other party in a third party proceeding in action brought against Beneficiary (including, but not limited to, actions in bankruptcy court). Beneficiary may exercise the rights set forth in the foregoing clauses (a) through (d), inclusive, before, during, or after the pendency of any proceeding.

ARTICLE FOUR: ASSIGNMENT OF LEASES AND RENTS.

4.1 Assignment. Trustor hereby irrevocably, absolutely, presently and unconditionally assigns to Beneficiary all of Trustor's right, title and interest in and to all Leases and Rents, and confers upon Beneficiary the right to collect such Rents with or without taking possession of the Property. In the event that anyone establishes and exercises any right to develop, bore for or mine for any water, gas, oil or mineral

on or under the surface of the Property, any sums that may become due and payable to Trustor as bonus or royalty payments, and any damages or other compensation payable to Trustor in connection with the exercise of any such rights, shall also be considered Rents assigned under this Section. THIS IS AN ABSOLUTE ASSIGNMENT, NOT AN ASSIGNMENT FOR SECURITY ONLY.

4.2 Grant of License. Notwithstanding the provisions of Section 4.1, Beneficiary hereby confers upon Trustor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default shall exist and be continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of the security for the Indebtedness.

4.3 Effect of Assignment. The foregoing irrevocable and absolute assignment shall not cause Beneficiary to be: (a) a mortgagee in possession; (b) responsible or liable for the control, care, management or repair of the Property or for performing any of the terms, agreements, undertakings, obligations, representations, warranties, covenants and conditions of the Leases; or (c) responsible or liable for any waste committed on the Property by the lessees under any of the Leases or any other parties; for any dangerous or defective condition of the Property; or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any lessee, licensee, employee, invitee or other person. Beneficiary and Trustee shall not directly or indirectly be liable to Trustor or any other person as a consequence of: (i) the exercise or failure to exercise by Beneficiary or Trustee, or any of their respective employees, agents, contractors or subcontractors, any of the rights remedies or powers granted to Beneficiary or Trustee hereunder; or (ii) the failure or refusal of Beneficiary to perform or discharge any obligation, duty or liability of Trustor arising under the Leases.

4.4 Representations and Warranties. Trustor represents and warrants that: (a) it has provided to Beneficiary a true, correct and complete list of all Leases, if any, (b) all existing Leases, if any, are in full force and effect and are enforceable in accordance with their respective terms subject to applicable laws affecting creditors' rights and principles of equity, (c) no breach or default, or event which would constitute a breach or default after notice or the passage of time, or both, exists under any existing Leases on the part of Trustor or, to the best of Trustor's knowledge, any other party; (d) no rent or other payment under any existing Lease has been paid by any lessee for more than one (1) month in advance; and (e) none of the lessor's interests under any of the Leases has been transferred or assigned.

4.5 Covenants. Trustor shall (i) fulfill or perform each and every term, covenant and provision of the Leases to be fulfilled or performed by the lessor thereunder; (ii) give prompt notice to Beneficiary of any notice received by Trustor of default thereunder or of any alleged default or failure of performance that could become a default thereunder, together with a complete copy of any such notice; and (iii) enforce, short of termination thereof, the performance or observance of each and every material term, covenant and provision of each Lease to be performed or observed by the lessees and tenants thereunder. Trustor, without the prior written consent of Beneficiary, shall not: (i) cancel, materially modify or alter, or accept the surrender of, any Lease; (ii) assign, transfer, pledge or encumber, the whole or any part of the Leases and Rents to anyone other than Beneficiary; (iii) accept any Rents more than one month in advance of the accrual thereof; (iv) do or permit anything to be done, the doing of which, or omit or refrain from doing anything, the omission of which, could be a breach or default under the terms of any Lease or a basis for termination thereof; or (v) enter in to any new tenant leases. Without in any way limiting Beneficiary's other rights pursuant to this Agreement, Trustor shall, within three days of any demand by Beneficiary, sign any document reasonably requested by Beneficiary to confirm Trustor's assignment and Beneficiary's license grant as described in this Agreement.

4.6 Beneficiary's Right to Proceeds. Without in any way limiting the requirement of Beneficiary's consent hereunder, any sums received by Trustor in consideration of any termination (or the release or discharge of any lessee), modification or amendment of any Lease shall be paid over to Beneficiary and applied to reduce the outstanding Indebtedness and any such sums received by Trustor shall be held in trust by Trustor for such purpose.

ARTICLE FIVE: MISCELLANEOUS PROVISIONS

Whenever one of the parties hereto is named or referred to herein, the heirs, successors and assigns of such party shall be included and all covenants and agreements contained in this Deed of Trust, by or on behalf of the Trustor or the Beneficiary shall bind and inure to the benefit of their respective heirs, successors and assigns, whether so expressed or not.

FURTHER, THE TRUSTOR HEREBY WAIVES, TO THE EXTENT PERMITTED BY LAW, THE BENEFITS OF ALL PRESENT AND FUTURE VALUATION, APPRAISAL, HOMESTEAD, EXEMPTION, STAY, REDEMPTION AND MORATORIUM LAWS.

5.8 Effects of Changes and Laws Regarding Taxation. In the event of an enactment of any law deducting from the value of the Property any Deed of Trust lien thereon, or imposing upon the Beneficiary the payment of any or part of the Impositions, charges, or Assessments previously paid by the Trustor pursuant to this Deed of Trust, or change in the law relating to the taxation of Deed of Trusts, debts secured by Deed of Trusts or the Beneficiary's interest in the Property so as to impose new incidents of taxes on the Beneficiary, then the Trustor shall pay such Impositions or Assessments or shall reimburse the Beneficiary therefor; provided that, however, if in the opinion of counsel to the Beneficiary such payment cannot lawfully be made by the Trustor, then the Beneficiary may, at the Beneficiary's option, declare all of the sums secured by this Deed of Trust to be immediately due and payable without prior notice to the Trustor, and the Beneficiary may invoke any remedies permitted by applicable law.

5.9 Purpose of Loan. The Trustor represents and warrants that the proceeds from this Loan are to be used solely for business and commercial purposes and not at all for any personal, family, household, or other noncommercial or farming or agricultural purposes. The Trustor acknowledges that the Beneficiary has made this Loan to the Trustor in reliance upon the above representation. Said representation will survive the closing and repayment of the Loan. The Trustor acknowledges that the Federal and California Truth in Lending disclosures are not required for loans that are given solely for business and commercial purposes.

5.10 Duplicate Originals. This Deed of Trust may be executed in any number of duplicate originals and each such duplicate original shall be deemed to be an original.

5.11 Usury Laws. This Deed of Trust, the Note, and the other Loan Documents are subject to the express condition that at no time shall the Trustor be obligated or required to pay interest on the debt at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate permitted by applicable law. If, by the terms of this Deed of Trust, the Note, or any of the Loan Documents, the Trustor is at any time required or obligated to pay interest on the debt at a rate in excess of such maximum rate, the rate of interest under the same shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note.

5.12 Construction. This Deed of Trust and the Note shall be construed without regard to any presumption or other rule requiring construction against the party causing this Deed of Trust and the Note to be drafted.

5.13 Release and Reconveyance. If all of Trustor's obligations under the Loan Documents are paid in full in accordance with the terms of the Loan Documents, no Default then exists hereunder and no Event of Default then exists under any other Loan Document, and if Trustor shall well and truly perform all of Trustor's covenants contained herein, then this conveyance shall become null and void and be released, and the Property shall be reconveyed to Trustor, at Trustor's request and expense.

5.14 Entire Agreement. This Deed of Trust, together with the other Loan Documents executed in connection herewith, constitutes the entire agreement and understanding among the parties relating to the subject matter hereof and supersedes all prior proposals, negotiations, agreements, and understandings relating to such subject matter. In entering into this Deed of Trust, Trustor acknowledges that it is not relying on any representation, warranty, covenant, promise, assurance, or other statement of any kind made by the Beneficiary or by any employee or agent of the Beneficiary.

5.15 Protection of Lender's Security; Instrument Secures Future Advances. If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Property, Lender's security, or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws (as defined in Subsection 5.15(A) of this Instrument), fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following: (i) payment of attorney's fees and costs; (ii) enter upon the Property to make repairs or secure the Property; (iii) pay any amounts which Borrower has failed to pay under this Instrument, the Loan Agreement, or any of the Loan Documents; (iv) perform any of Borrower's obligations under the Loan Agreement; (v) make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a lien on the Property. Any amounts disbursed by Lender under this Section 5.15 or under any other provision of this Instrument that treats such disbursement as being made under this Section 5.15, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Rate (as defined in the Note.) Nothing in this Section 5.15 will require Lender to incur any expense or take any action. The provisions in Section 5.15, including the obligation to indemnify the Lender, shall survive the payment of the indebtedness and the satisfaction and conveyance of the lien of this Instrument and shall not be affected by Lender's acquisition of any interest in the Property, whether by foreclosure or otherwise.

NOW, THEREFORE, If the Note and any Indebtedness secured by this Deed of Trust shall be well and truly paid according to their tenor and if all the terms, covenants, conditions, and agreements of the Trustor contained herein and in the Note and Loan Documents, shall be fully and faithfully performed, observed, and complied with, then this Deed of Trust deed shall be void, but shall otherwise remain in full force and effect.
