Each home must have a garage, attached or unattached, which shall be of such size as to accommodate at least one full size automobile. No Carports are allowed.

Section 1.2 Design Guidelines. In all instances, all homes shall comply with the building requirements of the City of Anacortes and any other governmental agency that has jurisdiction over the building process.

Section 1.3 Design Approval: Architectural building plans, landscaping plans and exterior roof and Structure colors shall be approved by 50% of the lot owners based on Design Guidelines defined in this document, or by an Architectural Committee designated by a vote of 50% or more of the lot owners. Plans shall be submitted to all of the lot owners or Architectural Committee with a two-week review timeline. The plan review approval shall be completed prior to submission to the City of Anacortes for a building permit. All exterior painting colors, roofing, siding, fencing and masonry choices shall be submitted with a two-week review timeline prior to application or construction. If review responses are not received back within a two-week time period of submission receipt, then the design submission shall be deemed approved and the lot owners may proceed with design choices.

Manufactured and/or mobile homes are not allowed in this project.

1.3.1 **Roofing:** All roof pitches to be 6/12 minimum. An exception on roof pitch will be made for covered porches and shed dormers to be a 1/12 minimum. ARTICLE 7
SEVERABILITY

The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity or enforceability of any other provision hereof, if the remainder complies with and furthers the common plan of this Community.

Parts of a Dwelling also may be used for a professional office or other low impact commercial use, provided that such use is consistent with all applicable laws, ordinances and regulations of any governmental authority, and so long as such use does not generate any appreciable levels of client or customer traffic, bulk shipping or receiving, noise or other disturbance to other lawful occupants of the Community.

10.1.2. Trees and Vegetation.

10.1.2.1 Following the construction of a Dwelling structure on a Lot, its Owner(s) shall preserve mature trees on the Lot and properly maintain any landscaping vegetation on the Lot, so as to enhance the appearance and value of the Lots in the Community and to prevent the spread of noxious weeds in addition to conforming with the requirements of the PUD. The Owner(s) shall also maintain and preserve those trees existing in the Native Growth Protection Areas on each individual lot consistent with the PUD and the decision of the Anacortes City Council.

10.1.2.2 **NGPE/NGPA Trees:** Within the Native Growth Protection Easement, and the 20-foot wide Native Growth Protection Area (NGPA) established along the western and northern property lines of the subject parcel, vegetation and tree removal, topping, or trimming is strictly prohibited unless first approved by the City. The owner of lot 13 or the HOA would need to submit an ISA certified arborist's report that states the tree is dead, diseased, dying or a hazard to an adjacent property/use along with a geological hazardous area critical area report to the City of Anacortes' Planning Department and Parks and Recreation Department for review and approval.

10.1.6.2 **No Parking on Private Roadway.**

No parking is permitted on other lot owners' private drives or lots except for lot 9 which shares parking with lots 10 and 11.

Bona fide Recreational Vehicles up to but not exceeding twenty-four (24) feet may be parked on the lot of a lot owner in a driveway area or other reasonable and aesthetically pleasing location such as an RV pad or garage that fits within the guidelines of this Declaration. A "Recreational Vehicle" shall be defined to include a motorhome, boat, trailer or 5th wheel. 10.1.7. **Signs.**

Initially, no other sign of any kind shall be displayed to the public view on or from any Lot or the Common Areas without the prior consent of the Declarant; provided that this section shall not apply to Declarant or Declarant's agents, nor shall it be deemed to prohibit the Owner of a Lot from displaying a sign for a period of time in which the Lot is for sale or rent.

10.1.8. **Underground Utilities.**

All utilities are required to be located underground prior to any excavation in the PUD.

10.1.9. **Uses by Declarant.**

Nothing in the Declaration of Covenants shall be construed to prohibit the Declarant or its designees from using any Lot owned by the Declarant (or any other Lot with the permission of the Owner thereof) or any portion of the Common Areas for promotional, marketing, display or customer service purposes (such as a visitors' center) or for the closing of sales of Lots. Further, the Declarant specifically reserves the right to operate a construction office or a rental, brokerage and management office at any time on Lots owned or leased by the Declarant (or any other Lot with the permission of the Owner thereof) and on any portion of the Common Areas, to the extent permitted by law. The Declarant may assign its rights under this subsection to or share such rights with one or more other persons, exclusively, simultaneously or consecutively with respect to the Common Areas and Lots owned or leased by the Declarant or such persons.

Section 11.3. Costs and Attorney's Fees. In connection with proceeding arising out of an alleged default by any Owner or Occupant, the prevailing party shall be entitled to recover the costs of the proceeding, or any appeal therefrom, and such reasonable attorney's fees as may be determined by the Court. The Court is strongly encouraged to make such an award, to protect the values of this Community.

Section 11.4. No Waiver of Rights. The failure of an Owner or other party to enforce any right, provision, covenant or condition which may be granted by this Declaration of Covenants shall not constitute a waiver of the right of any such party to enforce such right, provision, covenant or condition in the future.

ARTICLE 12
EASEMENTS AND SPECIAL DECLARANT RIGHTS

Section 12.1. Easements for Lots and Lot Owners.

12.1.1 In General.

Each Lot has an easement in and through each other Lot and the Common Areas for utilities and for lateral and/or subjacent support.

12.1.2 Specific Easement Shown on PUD.

Easements shown on the PUD are hereby confirmed. Any easement shown on the PUD which benefits one or more Lots in the Community, or which benefits any third parties or any real property not included within the Project, confers various rights and benefits upon such third parties or owner(s) of any such real property. Reference should be made to the PUD.

ARTICLE 13
PRIVATE ROADS

Section 13.1 Several groups of lots in the PUD are served by private roads. The groups of lots are as follows: Lots 1 through 4; Lots 5 through 8; Lots 9 through 11; and Lots 12 and 13.

Section 13.2 In addition to the regular contribution to the Shared Driveway Funds, each group of lot owners shall be responsible for the reasonable and necessary upkeep and maintenance of the private road serving their particular group of lots or for extraordinary expenses that may

arise. The percentage of responsibility for upkeep and maintenance shall be divided equally among the lot owners served by the Shared Driveway and the funds for upkeep and maintenance of the private road shall come from the Lot owners served by the Shared Driveway.

Section 13.3 For enforcement of this provision each lot owner shall follow the guidelines given in Articles 5 and 11 of this Declaration.

ARTICLE 14

AMENDMENT OF DECLARATION OF COVENANTS

Section 14.1. Procedure for Amendment of Declaration of Covenants. Amendments to the Declaration of Covenants shall be made by an instrument in writing entitled "Amendment to Declaration of Covenants" which sets forth the entire amendment. Except in cases of amendments that may be adopted by the Declarant unilaterally pursuant to Section 14.3 hereof, amendments may be adopted only if at least 66.6% of the Owners execute and approve an instrument in writing containing such amendment.

Section 14.2. Recordation Required. Every amendment to the Declaration of Covenants must be recorded with the County Auditor and is effective only upon recording. An amendment shall be indexed in the name of the Community and shall contain a cross-reference by recording number to the Declaration of Covenants and each previously recorded amendment thereto.

Section 14.3 Amendments by Declarant. The Declarant may unilaterally adopt and file amendments to the Declaration of Covenants for so long as the Declarant is the Owner of any Lot in the Community or until the expiration of the time limit for the exercise of any Special Declarant Rights reserved by the Declarant.

ARTICLE 15

FUNDS MAINTENANCE AND DISTRIBUTION

Section 15.1 Trust Account. A Trust Account shall be established to hold funds for the maintenance of the fence and the common areas of the PUD defined in Section 9.1, as well as any other and additional HOA financial commitment of the PUD owners as a whole. Additional Trust Accounts shall be opened for the driveway fund for Lots 1-4, Lots 5-8, Lots 9-11 and Lots 12 and 13. Lot owners shall initially contribute the following amounts to the two trust funds: Lots 1 through 4 shall contribute \$15.00 a month to the HOA fund, and \$5.00 a month to the Lot 1 through 4 shared driveway fund; Lots 5 through 8 shall contribute \$15.00 a month to the HOA fund, and \$5.00 a month to the Lot 5 through 8 shared driveway fund; Lots 9 through 11 shall contribute \$15.00 a month to the HOA fund and \$50.00 a month to the Lot 9 through 11 shared driveway fund; and Lots 12 and 13 shall \$15.00 a month to the HOA fund, and \$5.00 a month to the Lot 12 and 13 shared driveway fund. The amount of the contribution to the HOA shall be adjusted each year as necessary by the HOA through the operation of a positive vote of 50% or more of the members. The amount of the contribution to the Shared Driveway Fund shall be adjusted each year as necessary by the owners impacted by the specific driveway through the operation of a positive vote of 50% or more of the members. The payments to the HOA and to the Shared Driveway fund shall be made by separate checks. For example, Lot 1 shall write one check to the HOA for \$15.00 and a separate check to the Lot 1-4 shared driveway fund for \$5.00.

15.2.1 The HOA Trust Account shall not be comingled with funds for partial maintenance areas such as the private roads that serve various portions of the PUD and not the PUD as a whole.

15.2.2 The funds in the HOA and Shared Driveway Fund Trust Accounts shall be held in a Washington Bank and managed by two individuals jointly. The Trust Fund Managers shall be elected or removed by a 50% vote of the Lot Owners in the PUD or the Lot owners on the shared driveway. The Trust Account managers shall provide an annual accounting to the members of the HOA or the shared driveway lot owners. If a Manager resigns, is removed or is no longer able to serve for any reason, a meeting of the HOA or Shared Driveway lot owners shall be called as soon as practical to replace said manager.

15.2.3 The HOA shall maintain liability insurance in the amount of \$1,000,000 per event and \$300,000 per claim for incidents occurring in all common areas and easement areas or other and additional areas where the HOA may encounter liability. The insurance shall be paid from the HOA Trust Account. The owner of Lot 13, as a Lot burdened by the NGPE, shall be named and maintained as an additional insured on the HOA insurance policy once the Plat is completed. In the interim, the Declarant shall pay the sum of \$250.00 a year to the Lot 13 owners to obtain insurance coverage as anticipated in this paragraph.
