- (4) A Certification of Trust need not contain the dispositive terms of a trust.
- (5) A recipient of this Certification of Trust may require the Trustee to furnish copies of those excerpts from the original trust instrument and later amendments which designate the Trustee and confer upon the Trustee the power to act in the pending transaction or any other reasonable information.
- (6) A person who acts in reliance upon this Certification of Trust without knowledge that the representations contained therein are incorrect is not liable to any person for so acting and may assume without inquiry the existence of the facts contained in the Certification.
