In accepting this Deed of Trust neither Beneficiary nor Trustee assumes any liability for the performance of any such Leases; and

1.7 Products and Proceeds. All products or proceeds of any of the foregoing described in this Section 1; and

1.8 Books and Records. All books and records of Grantor in any form relating to the foregoing described in this Section 1.

2. Security Agreement. To the extent any of the property described in Section 1 is personal property, Grantor, as debtor, grants to Beneficiary, as secured party, a security interest therein together with a security interest in all other personal property of whatsoever nature which is located on or used or to be used in connection with any of the property described in Section 1, and any products or proceeds of any thereof, pursuant to the Uniform Commercial Code of the state of Washington (the "UCC"), on the terms and conditions contained herein, except that where any provision hereof is in conflict with the UCC, the UCC shall control. Beneficiary hereby assigns such security interest to Trustee, in trust, for the benefit of Beneficiary to be dealt with as a portion of the "Property" except as otherwise specified herein. This Deed

of Trust shall be deemed to be a security agreement and a fixture filing with respect to all property subject to the UCC. Information concerning this security interest can be obtained from Beneficiary at the address set forth in Section 10.2. Grantor authorizes Beneficiary to file and/or record such financing statements as Beneficiary deems necessary or advisable to perfect the security interests herein granted.

3. Assignment of Leases and Rents.

3.1 Assignment. For purposes of securing the Secured Obligations (as defined below), Grantor does hereby absolutely and unconditionally grant, transfer, convey, sell, set over, and assign to Beneficiary all of Grantor's right, title and interest now existing and hereafter arising in and to the Leases, and hereby gives to and confers upon Beneficiary the immediate and continuing right to collect all the income, receipts, rents, revenues, issues, profits, royalties, and proceeds from the Leases and any business conducted on the Property and any and all prepaid rent and security deposits thereunder (collectively, the "Rents") now due or which may become due or to which Grantor may now or shall hereafter (including those Rents coming due during any redemption period) become entitled or may demand or claim, arising or issuing from or out of the Leases or from or out of the Property or any part thereof, including, but not limited to, minimum rents, additional rents, percentage rents, deficiency rents and liquidated damages following default, and all proceeds payable under any policy of insurance covering loss of rents resulting from untenability caused by destruction or damage to the Property, together with any and all rights and claims of any kind which Grantor may have against any tenant under the Leases or any subtenants or occupants of the Property, EXCEPTING THEREFROM, any sums which by the express provisions of any of the Leases are payable directly to any governmental authority or to any other person, firm or corporation other than the landlord under the Lease. Grantor irrevocably appoints Beneficiary its true and lawful attorney at the option of Beneficiary at any time to demand, receive and enforce payment, to give receipts, releases and satisfactions and to sue, either in the name of Grantor or in the name of Beneficiary, for all such Rents and apply the same to the Secured Obligations (as defined below).

3.2 Grantor's Representations and Warranties Re: Leases and Rents. Grantor represents and warrants that:

- (a) Grantor has good title to the Leases and Rents hereby assigned and good right to assign the same, and that no other person, firm, or corporation has any right, title or interest therein;
- (b) Grantor has fully and punctually performed all the terms, covenants, conditions and warranties of the Leases on Grantor's part to be kept, observed and performed;
- (c) the Leases are valid and unmodified and in full force and effect;
- (d) Grantor has not previously sold, assigned, transferred, mortgaged or pledged the Rents from the Property, whether now due or hereafter to become due;
- (e) except as permitted by Section 3.4(a) below, any of the Rents due and issuing from the Property or from any part thereof for any period subsequent to the date hereof have not been collected and that payment of any of same has not otherwise been anticipated, waived, released, discounted, set off, or otherwise discharged or compromised;
- (f) except as permitted by Section 3.4(a) below, Grantor has not received any funds or deposits from any tenant for which credit has not already been made on account of accrued Rents;

(g) the tenants under the Leases are not in default of any of the terms thereof, nor is any event existing that would through passage of time, the giving of notice, or the expiration of a period of grace constitute such a default; and

(h) none of the Leases contains a purchase option or first right of refusal to purchase all or any portion of the Premises.

3.3 Grantor's Covenants of Performance Re: Leases and Rents. Grantor covenants and agrees:

(a) to observe, perform and discharge, duly and punctually, all obligations, terms, covenants, conditions and warranties of the Note and Deed of Trust, of all existing and future Leases affecting the Property, on the part of Grantor to be kept, observed and performed, and to give prompt notice to Beneficiary of (i) any failure on the part of Grantor to observe, perform and discharge same, and (ii) any notice, demand or other document received by Grantor from any tenant or subtenant under the Leases specifying any default claimed to have been made by the Grantor under the Leases;

(b) to promptly deposit and maintain all security deposits or other deposits received by Grantor from tenants in a segregated trust account in a federally insured bank or savings and loan association and to notify and direct in writing each and every present or future tenant or occupant of the Property or of any part thereof that any security deposit or other deposits heretofore delivered to Grantor have been retained by Grantor or assigned and delivered to Beneficiary as the case may be;

(c) to strictly enforce or secure, by all available means, in the name of Beneficiary (upon notice to Beneficiary) the prompt and faithful performance of and compliance with each and every obligation, term, covenant, condition and agreement in the Leases by any tenant to be performed and complied with by such tenants, and to notify Beneficiary of the occurrence of any default under the Leases;

(d) to appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases or the obligations, duties, or liabilities of Grantor and any tenant thereunder, and upon request by Beneficiary, to do so in the name and on behalf of Beneficiary, but in all cases at the sole expense of Grantor;

(e) to pay all costs and expenses of Beneficiary, including attorneys' fees in a reasonable sum, in any action or proceeding in which Beneficiary may appear in connection herewith; and

(f) to neither create nor permit any lien, charge or encumbrance upon its interest as lessor of the Leases except the lien of this Deed of Trust or as permitted under this Deed of Trust.

3.4 Prior Approval For Actions Affecting or Relating to Leases. Grantor further covenants and agrees that it will not, without the prior written consent of Beneficiary (which consent may be withheld in Beneficiary's sole and absolute discretion:

(a) receive or collect any rents from any present or future tenant of the Property or any part thereof for a period of more than one (1) month in advance of the date on which such payment is due;

(b) pledge, transfer, mortgage, or otherwise encumber or assign future payments of Rents;

(c) waive, excuse, condone, discount, set off, compromise, or in any manner release or discharge any tenant under any Leases of the Property, of and from any obligations, covenants, conditions and agreements by the tenant to be kept, observed and performed, including the obligation to pay the Rents thereunder in the manner and at the place and time specified therein;

(d) cancel, terminate or consent to any surrender of any of the Leases, nor permit any of the aforementioned (other than in connection with a default by the tenant), nor exercise any right of recapture provided in any Leases, nor modify, or in any way alter the terms thereof; and

(e) lease any part of the Property nor amend, modify, renew, or extend the term of any existing Lease of the Property (unless an option therefor was originally so reserved by a tenant in its Lease for a fixed and definite rental). Grantor shall provide copies of all Leases upon request from Beneficiary.

3.5 Rejection of Leases. In the event any lessee under the Leases should be the subject of any proceeding under the Federal Bankruptcy Act or any other federal, state or local statute which provides for the possible termination or rejection of the Leases assigned hereby, Grantor covenants and agrees that in the event any of the Leases is so rejected, no damages settlement shall be made without the prior written consent of the Beneficiary; and further that any check in payment of damages for rejection of any such Lease will be made payable both to the Grantor and Beneficiary; and Grantor hereby assigns any such payment to Beneficiary and further covenants and agrees that upon request of Beneficiary it will duly endorse to the order of Beneficiary any such check, the proceeds of which will be applied to any portion of the indebtedness secured by this Deed of Trust as Beneficiary may elect.

3.6 License to Collect Rents. So long as there shall exist no Event of Default under the Note or this Deed of Trust, Grantor shall have the right under a license granted hereby (but limited as provided in Section 3.7 below), to collect, but not prior to accrual, all of the Rents arising from or out of said Leases, or any renewals, extensions, and replacements thereof, or from or out of the Property or any part thereof; and Grantor shall receive such Rents and shall hold them, as well as the right and license to receive them, as a trust fund to be applied, and Grantor hereby covenants to so apply them, as required by Beneficiary, first, to the payment of taxes and assessments upon said Property before penalty or interest is due thereon; second, to the cost of insurance, maintenance and repairs required by the terms of this Deed of Trust; third, to the satisfaction of all obligations specifically set forth in the Leases; and fourth, to the payment of interest and principal becoming due on the Note and this Deed of Trust, before using any part of the same for any other purposes.

3.7 Termination of License. Upon an Event of Default under the Note or this Deed of Trust, Beneficiary, at its option and without notice, shall have the complete right, power and authority hereunder to exercise and enforce any or all of the following rights and remedies at any time:

(a) to terminate the license granted to Grantor to collect the Rents without taking possession of the Property, and to demand, collect, receive, sue for, attach and levy against the Rents in Beneficiary's own name; to give proper receipts, releases and acquittance therefor; and after deducting all necessary and proper costs and expenses of operation and collection as determined by Beneficiary, including reasonable attorneys' fees, to apply the net proceeds thereof, together with any funds of Grantor deposited with Beneficiary, upon any indebtedness secured hereby and in such order as Beneficiary may determine;

(b) to declare all sums secured hereby immediately due and payable and, at its option, exercise all or any of the rights and remedies contained herein or in the Note;

(c) without regard to the adequacy of the security or the solvency of Grantor, with or without any action or proceeding through any person or by agent, or by the Trustee, or by a receiver to be appointed by a court, and without regard to Grantor's possession, to enter upon, take possession of, manage and operate the Property or any part thereof; make, modify, enforce, cancel or accept surrender of any Leases now or hereafter in effect on said Property or any part thereof; remove and evict any tenant; increase or decrease Rents; decorate, clean and repair, and otherwise do any act or incur any costs or expenses as Beneficiary shall deem proper to protect the security hereof, as fully and to the same extent as Grantor could do if in possession; and in such event, to apply the Rents so collected in such order as Beneficiary shall deem proper to the operation and management of the Property, including the payment of reasonable management, brokerage and attorneys fees, payment of the indebtedness under the Note and this Deed of Trust, and payment to a reserve fund for replacements, which fund shall not bear interest; and

(d) require Grantor to transfer all security deposits to Beneficiary, together with all records evidencing such deposits.

Provided, however, that the acceptance by Beneficiary of this Deed of Trust, with all of the rights, powers, privileges and authority so created, shall not, prior to entry upon and taking possession of said Property by Beneficiary, be deemed or construed to constitute Beneficiary a "mortgagee in possession," nor thereafter or at any time or in any event obligate Beneficiary to appear in or defend any action or proceeding relating to the Leases or to the Property, or to take any action hereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Leases, or to assume any obligation or responsibility for any security deposits or other deposits delivered to Grantor by any lessees thereunder and not assigned and delivered to Beneficiary; nor shall Beneficiary be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the Property; and

Provided further, that the collection of the Rents and application as aforesaid and/or the entry upon and taking possession of the Property shall not cure or waive any default; or waive, modify or affect any notice of default required under the Note and Deed of Trust; or invalidate any act done pursuant to such notice. Although the original default be cured and the exercise of any such right or remedy be discontinued, the same or any other right or remedy hereunder shall not be exhausted and may be reasserted at any time and from time to time following any subsequent default. The rights and powers conferred on Beneficiary hereunder are cumulative of and not in lieu of any other rights and powers otherwise granted Beneficiary. A demand by Beneficiary of any tenant for payment of rents by reason of any default claimed by Beneficiary shall be sufficient direction to said tenant to make future payments of all rents to Beneficiary without the necessity for further consent by or notice to Grantor.

3.8 Appointment of Attorney-in-Fact. Grantor hereby constitutes and appoints Beneficiary Grantor's true and lawful attorney-in-fact, coupled with an interest of Grantor; and in the name, place and stead of Grantor, to subordinate at any time and from time to time, any Leases affecting the Property or any part thereof, to the lien of this Deed of Trust, or any other deed of trust encumbering the Property, or to any ground lease of the Property; and to request or require such subordination where such option or authority was reserved to Grantor under any such Leases, or in any case where Grantor otherwise would have the right, power or privilege so to do. This appointment is to be irrevocable and continuing and these rights, powers and privileges shall be exclusive in Beneficiary, its successors and assigns as long as any part of the indebtedness secured hereby shall remain unpaid. Grantor hereby warrants that it has not, at any time prior to the date hereof, exercised any right to subordinate any such lease to this Deed of Trust or to any other deed of trust, or ground lease, and further covenants not to exercise any such right.

3.9 Indemnification. Grantor (the "Indemnitor") hereby agrees to indemnify and hold Beneficiary harmless from any and all liability, loss, damage or expense which Beneficiary may incur under or by reason or in defense of any and all claims and demands whatsoever which may be asserted against Beneficiary arising out of the Leases, including, but not limited to, any claims by any tenants of credit for rental for any period under any Leases, or for any security deposit, paid to and received by Grantor, but not delivered to Beneficiary. Should Beneficiary incur any such liability, loss, damage, or expense, the amount thereof (including reasonable attorneys' fees) with interest thereon at the Default Rate specified in the Note, shall be jointly and severally payable by the Indemnitor immediately and without demand, and shall be secured as a lien by this Deed of Trust.

3.10 Records. Until the Secured Obligations shall have been paid in full, Grantor shall, at the request of Beneficiary, deliver to Beneficiary executed copies of any and all renewals of existing leases and all future leases upon all or any part of the Property, and Grantor will transfer and assign such Leases to Beneficiary upon the same terms and conditions as herein contained, provided, however, that the foregoing shall not be construed as detracting from the validity of this instrument as a valid assignment of any and all existing and future Leases. Grantor hereby covenants and agrees to make, execute and deliver unto Beneficiary upon demand and at any time any and all assignments and other records and instruments, including, but not limited to, rent rolls and books of account sufficient for the purpose that Beneficiary may deem to be advisable for carrying out the purposes and intent of this Deed of Trust.

3.11 Merger. It is understood and agreed that (i) the fact the Leases or the leasehold estates created thereby may be held, directly or indirectly, by or for the account of any person or entity which shall have an interest in the fee estate of the Property, or (ii) any other event, shall not merge any Leases or the leasehold estates created thereby with the fee estate in the Property as long as any of the indebtedness secured hereby shall remain unpaid, unless Beneficiary shall consent in writing to such merger.

4. Obligations Secured. This Deed of Trust is given for the purpose of securing (collectively, the "Secured Obligations");

4.1 Performance and Payment. The performance of the obligations and payment of all amounts contained herein and in that certain Loan Agreement which has been executed and delivered by Grantor concurrently herewith (the "Loan Agreement"), which provides for the acquisition financing of the Property and related improvements (together with those improvements described in Section 1.2 above, the "Improvements") as more particularly described in the Loan Agreement, and any extensions, modifications, supplements and consolidations thereof, and the payment of **TWO HUNDRED SIXTY NINE THOUSAND NINE HUNDRED THIRTY THREE** Dollars (**\$269,933.00**), with interest thereon, according to the terms of a Promissory Note of even date herewith made by Grantor, payable to Beneficiary or order, and any and all extensions, renewals, modifications, or replacements thereof, whether the same be in greater or lesser amounts (the "Note"); and

4.2 Future Advances. The repayment of any and all sums disbursed or advanced or expenditures made by Beneficiary subsequent to the execution of this Deed of Trust (i) for the maintenance or preservation of the Property (including, without limitation, payment of taxes, special assessments, utilities, and insurance on the Property), (ii) pursuant to any provision of this Deed of Trust and/or the Loan Agreement (including, without limitation, for the enforcement of the Note, this Deed of Trust, and Loan Agreement and any remedies hereunder), in each case, together with interest thereon; and

5. Unsecured Obligations. Notwithstanding anything to the contrary set forth herein or in any other document which has been executed in connection with the loan secured hereby, this Deed of Trust does

not and shall not secure: (i) the obligations of Grantor under those certain Certificate and Indemnity Agreement Regarding Hazardous Substances executed in connection with the loan secured hereby (the "*Environmental Indemnity Agreement*"), and (ii) any provision of this Deed of Trust or any agreement secured by this Deed of Trust that would be considered the "substantial equivalent" of the obligations described in subparagraph (i) above for purposes of RCW Ch. 61.24. All of such obligations (and substantial equivalents thereof) shall constitute the separate, unsecured recourse obligations of Grantor and such other parties and shall not be evidenced by the Note or secured by this Deed of Trust.

6. Warranties and Covenants of Grantor. Grantor warrants, covenants, and agrees:

6.1 Warranties.

- (a) Grantor has full power and authority to grant the Property to Trustee.
- (b) Grantor has a good and marketable fee simple title in and to the Property, subject only to those matters listed on Schedule B of that certain title insurance policy approved by, and issued to, Beneficiary in connection with this Deed of Trust and thereafter such other title exceptions as Beneficiary may elect, in its sole discretion, to approve in writing.
- (c) None of the Property is presently, or will during the term of this Deed of Trust, be used principally or at all for agricultural or farming purposes.
- (d) The Property is free from damage and no matter has come to Grantor's attention (including, but not limited to, knowledge of any construction defects or nonconforming work) that would materially impair the value of the Property as security.
- (e) No work of any nature whatsoever has or will be commenced on the Property or materials delivered to the site prior to the recordation of this Deed of Trust.
- (f) The loan evidenced by the Note and secured by this Deed of Trust and the proceeds thereof is exclusively for commercial, industrial or business purposes and is not for personal, family or household purposes.

6.2 Preservation of Lien. Grantor will, at its sole cost and expense, preserve and protect the priority of this Deed of Trust as a first lien on the Property and all portions thereof, and will take all actions, and execute and deliver to Beneficiary all documents that Beneficiary may require in order to perfect the liens and security interests granted in this Deed of Trust or in any other Loan Document. Grantor shall promptly discharge any lien, encumbrance, or other charge, whether superior or inferior to this Deed of Trust, which may be claimed against the Property; provided that Grantor shall have the right to contest the amount or validity in whole or in part of any lien, encumbrance or other charge against the Property by appropriate proceedings conducted in good faith and with due diligence, in which event Grantor, upon prior written notice to Beneficiary, may postpone or defer payment of such lien, encumbrance or other charge so long as (i) such proceedings shall operate to prevent the collection of the lien, encumbrance or other charge; (ii) neither the Property nor any part thereof will, by reason of such postponement or deferment, be in danger of being forfeited or lost; and (iii) Grantor, before the date such lien, encumbrance or other charge becomes delinquent, gives such reasonable security as may be requested by Beneficiary to ensure payment thereof and prevent any forfeiture or loss of the Property or any part thereof.

6.3 Repair and Maintenance of Property. Grantor will keep the Property in good condition and repair, which duty shall include but is not limited to continual cleaning, painting, landscaping,

repairing and refurbishing of the Property; will complete and not remove or demolish, alter, or make additions to any building or other improvement which is part of the Property, or construct any new structure on the Property, without the express written consent of Beneficiary except as contemplated and permitted under this Agreement; will underpin and support when necessary any such building or other improvement and protect and preserve the same; will complete or restore promptly and in good and workmanlike manner any such building or other improvement which may be damaged or destroyed and pay when due all claims for labor performed and materials furnished therefor; will not commit, suffer or permit any act upon the Property in violation of law; and will do all other acts which from the character or use of the Property may be reasonably necessary for the continued operation of the Property in a safe and legal manner, the specific enumerations herein not excluding the general.

6.4 Insurance.

(a) Coverages Required. Grantor will keep the following insurance coverages in effect with respect to the Property by an insurance company chosen by Grantor, subject to Beneficiary's approval of the insurance company, which approval will not be unreasonably withheld:

(i) Insurance against loss by fire, vandalism, malicious mischief and such other hazards as may now or hereafter be embraced by the standard "all risk" or "special form" policy of insurance, in an amount equal at all times to the current replacement value of all improvements then located on the Property. All such insurance coverage shall (1) contain a "replacement cost endorsement," without deduction for depreciation, (2) if Beneficiary deems it applicable, "law and ordinance" coverage, and (3) if Beneficiary deems it applicable, equipment breakdown coverage. All such insurance coverage and endorsements shall contain a deductible of not more than Ten Thousand Dollars (\$10,000) per occurrence.

(ii) At all times, flood risk insurance in the maximum amount of insurance coverage available or the full replacement cost of all improvements on the Property, whichever is less, if the Property is now or hereafter designated as being located within a special flood hazard area under the Flood Disaster Protection Act of 1973, as previously or hereafter amended, and if flood insurance is available.

(iii) At all times, commercial general public liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Property (including coverage for elevators and escalators, if any, on the Property), with the coverage being in an amount of not less than Two Million Dollars (\$2,000,000) combined single-limit liability coverage per occurrence, or in such greater amount(s) as Beneficiary may reasonably require. All such insurance coverage shall contain a deductible of not more than Ten Thousand Dollars (\$10,000) per occurrence.

(iv) Insurance (excluding, however, earthquake insurance, if permitted to be excluded in Beneficiary's sole discretion) against such similar or other hazards, casualties, liabilities and contingencies, in such forms and amounts, as Beneficiary may from time to time reasonably require.

(b) Policies. Each insurance policy will be in form and content reasonably acceptable to Beneficiary, and will be issued by a company reasonably acceptable to Beneficiary, which company shall, among other things, be (i) duly authorized to provide such insurance in the state in which the Property is located, and (ii) rated "A" or better with a size rating of "VIII" or larger by A.M. Best Company in its most recent publication of ratings (provided, however, that if A.M. Best Company changes its designations, the basis for its ratings or ceases to provide ratings, Beneficiary shall be entitled to select replacement ratings in the exercise of its reasonable business judgment). Each hazard insurance policy will

include a Form 438BFU or equivalent mortgagee endorsement in favor of and in form acceptable to Beneficiary, and which endorsement provides that the policy to which it relates will survive foreclosure of this Deed of Trust. Each liability insurance policy will name Beneficiary as an additional insured. An "agreed amount endorsement" will be included in any policy containing a co-insurance clause, and Grantor agrees that any and all co-insurance clauses and "agreed amount endorsements" must be satisfactory to Beneficiary. If any required property insurance coverage is furnished as part of a "blanket policy," either the blanket policy will include an "agreed value endorsement" or "agreed amount endorsement," or Grantor will furnish to Beneficiary a copy of the insurer's "statement of value" for the Property. All required policies will provide for at least thirty (30) days' written notice to Beneficiary prior to the effective date of any cancellation or material amendment, which term shall include any reduction in the scope or limits of coverage. Grantor shall furnish to Beneficiary (x) the complete original of each required insurance policy, or (y) a certified copy thereof (including all declaration pages, policy forms and endorsements), which shall include an original signature of an authorized officer or agent of the insurer, or (z) an uncertified memorandum copy thereof (including all declaration pages, policy forms and endorsements), together with an original evidence of insurance or certificate of insurance setting forth the coverage, the limits of liability, the carrier, the policy number and the expiration date. As security for the indebtedness secured by this Deed of Trust, Grantor hereby assigns to Beneficiary all required insurance policies, together with all monies and proceeds thereof, rights thereto and all unearned premiums returnable upon cancellation (all such assigned items constituting part of the "Property" for purposes of this Deed of Trust).

(c) **Payment; Renewals.** Grantor shall promptly furnish to Beneficiary all renewal notices relating to insurance policies. Except as the same may otherwise be paid under Section 6.14 below, Grantor will pay all premiums on insurance policies directly to the carrier. At least thirty (30) days prior to the expiration date of each such policy, Grantor shall furnish to Beneficiary a renewal policy in a form acceptable to Beneficiary, together with evidence that the renewal premium has been paid.

(d) **Insurance Proceeds.**

(i) In the event of any loss, Grantor will give prompt written notice thereof to the insurance carrier and Beneficiary. Grantor hereby grants Beneficiary a power of attorney, which power of attorney is coupled with an interest and is irrevocable, to make proof of loss, to adjust and compromise any claim, to commence, appear in and prosecute, in Beneficiary's or Grantor's name, any action relating to any claim, and to collect and receive insurance proceeds; provided, however, that Beneficiary shall have no obligation to do so. If no Event of Default has occurred and is continuing, the immediately preceding sentence shall apply except that Beneficiary shall not be entitled to act as Grantor's attorney-in-fact and Grantor shall be entitled to participate jointly with Beneficiary in adjusting and compromising any claim, and appearing in any proceeding.

(ii) Beneficiary shall apply any insurance proceeds received hereunder first to the payment of the costs and expenses incurred in the collection of the proceeds and shall then apply the balance (the "**Net Proceeds**"), in its absolute discretion and without regard to the adequacy of its security, to:

(A) The payment of indebtedness secured hereby, whether then due and payable or not. Any such application of proceeds to principal on the Note shall be without the imposition of any prepayment fee otherwise payable under the Note, but shall not extend or postpone the due dates of the installment payments under the Note, or change the amounts thereof; or

(B) The reimbursement of Grantor, under Beneficiary's prescribed disbursement control procedures set forth in the Loan Agreement, for the cost of restoration or

repair of the Property. No insurance proceeds at any time assigned to or held by Beneficiary shall be deemed to be held in trust, and Beneficiary may commingle such proceeds with its general assets and shall not be liable for the payment of any interest thereof. Beneficiary shall in no case be obligated to see to the proper application of any amount paid over to Grantor. Beneficiary may, at its option, condition the reimbursement on Beneficiary's approval of the plans and specifications of the reconstruction, contractor's cost estimates, construction budgets and schedules, architects' certificates, waivers of liens, sworn statements of mechanics and materialmen, and such other evidence of costs, percentage completion of construction, application of payments, satisfaction of liens and such other terms and conditions as set forth in the Loan Agreement or as Beneficiary may otherwise reasonably require.

(iii) Except to the extent, if any, that insurance proceeds are applied to payment of the indebtedness secured hereby, nothing herein contained shall be deemed to excuse Grantor from restoring, repairing or maintaining the Property as provided in Section 6.3, regardless of whether there are insurance proceeds available or whether any such proceeds are sufficient in amount. Grantor shall be responsible for any uninsured losses and any deductibles.

6.5 Right of Inspection. Grantor shall permit Beneficiary or its agents or independent contractors (including, but not limited to, accountants, appraisers, property inspectors and environmental consultants), at all reasonable times, to enter upon and inspect, examine and audit the Property and the books and records for the Property.

6.6 Preservation of Licenses, Etc. Grantor shall observe and comply with all requirements necessary to the continued existence and validity of all rights, licenses, permits, privileges, franchises and concessions relating to any existing or presently contemplated use of the Property, including but not limited to any zoning variances, special exceptions and nonconforming use permits.

6.7 Further Assurances. Grantor will, at its expense, from time to time execute and deliver any and all such instruments of further assurance and other instruments and do any and all such acts, or cause the same to be done, as Trustee or Beneficiary deems necessary or advisable to grant to Trustee the Property or to carry out more effectively the purposes of this Deed of Trust.

6.8 Legal Actions. Grantor will appear in and defend any action or proceeding before any court or administrative body purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and will pay all costs and expenses (the repayment thereof shall be secured hereby), including, without limitation, cost of evidence of title and any attorneys' fees incurred by Beneficiary and Trustee, in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary or Trustee to foreclose this Deed of Trust.

6.9 Taxes, Assessments and Other Liens. Grantor will pay not later than when due all taxes, assessments, encumbrances, charges, and liens with interest, on the Property or any part thereof, which at any time appear to be or are alleged to be prior and superior hereto, including but not limited to any tax on or measured by rents of the Property, the Note, this Deed of Trust, or any obligation or part thereof secured hereby. Grantor acknowledges that Beneficiary may retain a tax registration service in order to monitor the payment of all real estate taxes and assessments and Grantor shall pay a one-time fee to Beneficiary for the cost of such service.

6.10 Trust Expenses. Grantor will pay all costs, fees and expenses incurred by Beneficiary in connection with this Deed of Trust including all such costs, fees and expenses incident to any default hereunder, including attorneys' fees (and the repayment thereof shall be secured hereby).

6.11 Repayment of Expenditures. Grantor will pay immediately and without demand all sums expended hereunder by Beneficiary or Trustee with interest from date of expenditure at the Default Rate of interest specified in the Note (the repayment thereof shall be secured hereby).

6.12 Sale, Transfer, or Encumbrance. Grantor will not, without the prior written consent of Beneficiary, which consent may be given or denied in Beneficiary's sole discretion, sell, transfer or otherwise convey the Property or any interest therein, further encumber the Property or any interest therein, (each, a "Sale or Encumbrance") or agree to do any Sale or Encumbrance without first repaying in full the Note and all other sums secured hereby. In connection with any Sale or Encumbrance to which Beneficiary is asked to consent, Grantor agrees to pay to Beneficiary, all costs and expenses incurred by Beneficiary in reviewing and evaluating such matter, whether or not such consent is granted, including, without limitation: (i) a non-refundable fee of \$1,500, which amount shall be paid by Grantor to Beneficiary upon delivery of Grantor's request for Beneficiary's consent, and (ii) Beneficiary's reasonable attorneys' fees incurred in reviewing and evaluating such matter. Any such consent by Beneficiary shall be subject to such terms and conditions as Beneficiary shall require in its sole and absolute discretion. Consent to any one such occurrence shall not be deemed a waiver of the right to require consent to any future occurrences. If any Sale or Encumbrance occurs without the prior written consent of Beneficiary, or Grantor agrees to any Sale or Encumbrance without the prior written consent of Beneficiary, the Note shall, at the option of the Beneficiary, be immediately due and payable, and an Event of Default shall be deemed to have occurred under this Deed of Trust and the Note.

6.13 Additional Information. Grantor agrees to furnish such information and confirmations as may be required from time to time by Beneficiary (including in connection with any potential loan participations or assignments). Grantor agrees to adjust in this Deed of Trust, the Note, and the other documents evidencing or securing the loan secured hereby to accommodate any loan participant's requirements, provided that such requirements do not substantially vary the economic terms of the loan secured hereby.

6.14 Tax and Insurance Reserves. In addition to the payments required by the Note, if requested by Beneficiary, Grantor agrees to pay Beneficiary, on the same date as payments of principal and/or interest are due under the Note or otherwise at Beneficiary's request, such sums as Beneficiary may from time to time estimate will be required to pay, at least thirty (30) days before due, the next due taxes, assessments, insurance premiums, and similar charges affecting the Property, less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such taxes, assessments and premiums will become delinquent, such sums to be held by Beneficiary without interest or other income to the Grantor to pay such taxes, assessments and premiums. Should this estimate as to taxes, assessments and premiums prove insufficient, the Grantor upon demand agrees to pay Beneficiary such additional sums as may be required to pay them before delinquent. If the total of the foregoing payments in any one year shall exceed the amounts actually paid by Beneficiary for taxes, assessments and premiums, such excess may be credited by Beneficiary on subsequent payments under this section. If there shall be an Event of Default hereunder for which Beneficiary elects to realize upon this Deed of Trust, then at the time of the Trustee's sale or final decree of foreclosure, Beneficiary shall apply any balance of funds it may hold pursuant to this Section 6.14 first to interest on and then to the principal of the Note. If Beneficiary acquires the Property in lieu of realizing on this Deed of Trust, the balance of funds it holds shall become the property of Beneficiary. Any transfer in fee of all or a part of the Property shall automatically transfer to the grantee all or a proportionate part of Grantor's rights and interest in the fund accumulated hereunder.

6.15 Hazardous Substances.

(a) For purposes of this Deed of Trust, "**Hazardous Substance**" means any hazardous or toxic substances, materials or wastes, including, but not limited to, those substances, materials, and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 CFR 172.101) or by the Environmental Protection Agency as hazardous substances (40 CFR Part 302) and amendments thereto, or such substances, materials and wastes which are or become regulated under any applicable local, state or federal law including, without limitation, any material, waste or substance which is (i) petroleum, (ii) asbestos, (iii) mold, (iv) poly-chlorinated biphenyls, (v) defined as a "hazardous waste," "extremely hazardous waste," "restricted hazardous waste" or "hazardous substance" under RCW Chapter 70.105 (Hazardous Waste Management), RCW Chapter 70.105D (Hazardous Waste Cleanup-Model Toxics Control Act), or any other similar terms under any other applicable state laws, (vi) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. §1251 et seq. (33 U.S.C. §1321) or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. §1317), (vii) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §6903, or (viii) defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §9601, et seq. (42 U.S.C. §9601), all as amended, replaced or succeeded, and any other substance or matter defined as a toxic or hazardous substance or material or pollutant or contaminant under any other federal, state or local laws, ordinances or regulations or under any reported decision of a state or federal court, or any substance or matter imposing liability for clean-up costs or expenses on any person or entity under any statutory or common law theory.

(b) Grantor represents and warrants to Beneficiary that: (i) to the best of Grantor's knowledge, no asbestos has ever been used in the construction, repair or maintenance of any building, structure or improvement now or heretofore located on the Property; (ii) no Hazardous Substance is currently being generated, manufactured, refined, transported, treated, stored, handled or disposed of, transferred, produced or processed on, under or about the Property, except in compliance with all applicable federal, state and local statutes, ordinances, rules, regulations and other laws; (iii) neither Grantor nor, to the best of Grantor's knowledge, any other person or entity has ever caused or permitted any Hazardous Substance to be generated, manufactured, refined, transported, treated, stored, handled or disposed of, transferred, produced or processed on, under or about the Property, except in compliance with all applicable federal, state and local statutes, ordinances, rules, regulations and other laws; (iv) Grantor has not received any notice of, nor is Grantor aware of, any actual or alleged violation with respect to the Property of any federal, state or local statute, ordinance, rule, regulation or other law pertaining to Hazardous Substances; and (v) neither Grantor nor the Property is subject to any governmental or judicial claim, order, judgment or lien with respect to the clean-up of Hazardous Substances at or with respect to the Property. Grantor further represents and warrants to Beneficiary that the foregoing representations and warranties contained in this Section 6.15(a) are made after and are based upon inspection of the Property by Grantor and due inquiry by Grantor as to the prior uses of the Property.

(c) Grantor will not cause or permit the Property to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process any Hazardous Substance, except in compliance with all applicable federal, state and local statutes, ordinances, rules, regulations and other laws, nor shall Grantor cause or permit, as a result of any intentional or unintentional act or omission on the part of Grantor or any tenant, subtenant or other user or occupier of the Property, a releasing, spilling, leaking, pumping, pouring, emitting, emptying or dumping of any Hazardous Substance onto the Property or any other property or into any waters, except in compliance with all such laws.

(d) Grantor will immediately notify Beneficiary if Grantor becomes aware of (i) any Hazardous Substance problem or liability with respect to the Property, (ii) any actual or alleged violation with respect to the Property of any federal, state or local statute, ordinance, rule, regulation or other law pertaining to Hazardous Substances, or (iii) any lien or action with respect to any of the foregoing.

Grantor will, at its sole expense, take all actions as may be necessary or advisable for the clean-up of Hazardous Substances on or with respect to the Property, including, without limitation, all removal, containment and remedial actions in accordance with all applicable laws and in all events in a manner satisfactory to Beneficiary, and shall further pay or cause to be paid all clean-up, administrative and enforcement costs of governmental agencies with respect to Hazardous Substances on or with respect to the Property if obligated to do so by contract or by law.

(e) For the purposes of inspecting the Property to ascertain the accuracy of all representations and warranties in this Deed of Trust relating to Hazardous Substances, and the observance of all covenants contained in this Section 6.15, (i) Beneficiary is hereby authorized to enter and inspect the Property, including the interior of any structures, at reasonable times and after reasonable notice; and (ii) if and at any time Hazardous Substances are being handled on the Property, Grantor shall furnish Beneficiary with such information and documents as may be reasonably requested by Beneficiary to confirm that such Hazardous Substances are being handled in compliance with all applicable federal, state and local statutes, ordinances, rules, regulations and other laws. Grantor shall reimburse Beneficiary upon demand for all costs and expenses, including, without limitation, attorneys' fees, incurred by Beneficiary in connection with any such entry and inspection and the obtaining of such information and documents.

(f) All of the representations, warranties, covenants, rights, and remedies in this Section 6.15 shall be in addition to and not limit any representations, warranties, covenants, rights, and/or remedies in the Environmental Indemnity Agreement.

(g) Notwithstanding anything to the contrary set forth herein or in any other document which has been executed in connection with the loan secured hereby, (i) this Deed of Trust does not secure the obligations and liabilities of Grantor under this Section 6.15, and (ii) the representations, warranties, covenants, rights, and remedies in this Section 6.15 shall survive the repayment of the Note and satisfaction and reconveyance of the lien of this Deed of Trust and shall not be affected by Beneficiary's acquisition of any interest in the Property, whether by foreclosure or otherwise.

6.16 Financial Statements; Books and Records. Grantor shall keep accurate books and records of account of the Property and Grantor's own financial affairs sufficient to permit the preparation of financial statements therefrom in accordance with general accepted accounting principles (GAAP). Beneficiary and its duly authorized representatives and independent contractors shall have the right to examine copy and audit Grantor's records and books of account at all reasonable times. So long as this Deed of Trust continues in effect, Grantor shall provide to Beneficiary, in addition to any other financial statements required hereunder or under the Loan Agreement, all financial statements and other information regarding the Property and the construction of the Improvements.

7. Default.

7.1 Definition. Any of the following shall constitute an "*Event of Default*" under this Deed of Trust, the Note and the other Loan Documents (as defined below):

- (a) An occurrence of any "Event of Default" (as defined in the Note);
- (b) Any representation or warranty made by or for the benefit of Grantor herein or elsewhere in connection with the loan secured hereby, including, but not limited to, any representations in connection with the security therefor, shall prove to have been incorrect or misleading in any material respect;

- (c) Grantor shall fail to pay when due any indebtedness secured hereby;
- (d) Grantor shall default in the performance of any other covenant or agreement contained in this Deed of Trust, the Note, the Loan Agreement, or any other agreement securing or evidencing the indebtedness secured hereby;
- (e) Grantor shall become unable or admit in writing Grantor's inability to pay Grantor's debts as they mature, or file, or have filed against Grantor, a voluntary or involuntary petition in bankruptcy, or make a general assignment for the benefit of creditors, or be adjudicated bankrupt or insolvent;
- (f) A tax, charge or lien shall be placed upon or measured by the Note, this Deed of Trust, or any obligation secured hereby which Grantor does not or may not legally pay in addition to the payment of all principal and interest as provided in the Note; or
- (g) There shall occur a default under the Environmental Indemnity Agreement.

7.2 Beneficiary's and Trustee's Right to Perform. Upon the occurrence of any Event of Default, Beneficiary or Trustee, but without the obligation so to do and without notice to or demand upon Grantor and without releasing Grantor from any obligations hereunder, may: make any payments or do any acts required of Grantor hereunder in such manner and to such extent as either may deem necessary to protect the security hereof (including, without limitation, obtaining insurance and/or paying any premiums or charges for insurance required to be carried under this Deed of Trust), Beneficiary or Trustee being authorized to enter upon the Property for such purposes; commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien in accordance with the following paragraph; and in exercising any such powers, pay necessary expenses, employ counsel and pay a reasonable fee therefor. All sums so expended shall be payable on demand by Grantor, and be secured hereby (except that advances made under this Section 7.2 to cure any default under the Environmental Indemnity Agreement shall not be secured by this Deed of Trust), and bear interest at the Default Rate specified in the Note from the date advanced or expended until repaid. For clarification, if Beneficiary makes any advances pursuant to this Section 7.2 to cure any default under the Environmental Indemnity Agreement, any such advances are made on an unsecured basis under the Environmental Indemnity Agreement.

Beneficiary or Trustee in making any payment herein and hereby authorized, in the place and stead of the Grantor, in the case of a payment of taxes, assessments, water rates, sewer rentals and other governmental or municipal charges, fines, impositions or liens asserted against the Property, may make such payment in reliance on any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of the bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof; in the case of any apparent or threatened adverse claim of title, lien, statement of lien, encumbrance, deed of trust, claim or charge Beneficiary or Trustee, as the case may be, shall be the sole judge of the legality or validity of same; and in the case of a payment for any other purpose herein and hereby authorized, but not enumerated in this paragraph, such payment may be made whenever, in the sole judgment and discretion of Trustee or Beneficiary, as the case may be, such advance or advances shall be necessary or desirable to protect the full security intended to be created by this instrument; provided further, that in connection with any such advance, Beneficiary at its option may and is hereby authorized to obtain a continuation report of title and/or an appropriate endorsement prepared by a title insurance company, the cost and expenses of which shall be repayable by the Grantor without demand and shall be secured hereby.

Without restricting the generality of the foregoing and for the purposes aforesaid in this Section 7.2, Grantor hereby appoints and constitutes Beneficiary as Grantor's true and lawful attorney-in-fact with full power of substitution to perform, without notice to Grantor, any and all of the foregoing acts in this Section 7.2 on Grantor's behalf, if and at the times when Beneficiary in its sole discretion may so choose; it being understood and agreed that this power of attorney shall be a power coupled with an interest and cannot be revoked and will not be affected by any disability of Grantor.

The above notwithstanding, Beneficiary may not make advances secured by this Deed of Trust to cure defaults under the Environmental Indemnity Agreement executed in connection with the loan secured hereby.

7.3 Remedies on Default. Upon the occurrence of any Event of Default all sums secured hereby shall become, at the option of Beneficiary, immediately become due and payable, without notice or demand, and Beneficiary may:

- (a) Have a receiver appointed as a matter of right, without regard to the Property or any other security having sufficient value to pay the indebtedness secured hereby;
- (b) Foreclose this Deed of Trust as a mortgage or otherwise realize upon the Property;
- (c) Cause Trustee to exercise the power of sale granted to Trustee under this Deed of Trust;
- (d) Sue on the Note according to law;
- (e) To the extent permitted by applicable law, seek and obtain a deficiency judgment following the completion of a judicial foreclosure or a trustee's sale of all or a portion of the security for the obligations secured by this Deed of Trust; and/or
- (f) Exercise any other remedy permitted by this Deed of Trust, the Note, the Loan Agreement, other Loan Documents and/or applicable law.

7.4 No Waiver. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare an Event of Default for failure to do so.

8. Condemnation. Grantor will promptly notify Beneficiary of any action or proceeding relating to any condemnation, eminent domain or other taking (including, without limitation, any change in the grade of the Property), whether direct or indirect, of the Property or part thereof or interest therein, and Grantor shall appear in and prosecute any such action or proceeding unless otherwise directed by Beneficiary in writing. Grantor grants Beneficiary a power of attorney, which power of attorney is coupled with an interest and is irrevocable, to commence, appear in and prosecute, in Beneficiary's or Grantor's name, any action or proceeding relating to any such condemnation or other taking, and to settle or compromise any claim in connection with such condemnation or other taking; provided however, that Beneficiary shall have no obligation to do so. All awards, payments, damages, direct, consequential and otherwise, claims, and proceeds thereof, in connection with any past or future condemnation or other taking, or for conveyances in lieu of condemnation, are hereby assigned to Beneficiary (all such assigned items constituting part of the "Property" for purposes of this Deed of Trust), and all proceeds of any such awards, payments, damages or

claims shall be paid to Beneficiary. Beneficiary shall apply any such proceeds in the manner and upon the terms and conditions set forth in Section 6.4(d)(ii) relating to the application of insurance proceeds. No condemnation award at any time assigned to or held by Beneficiary shall be deemed to be held in trust, and Beneficiary may commingle such award with its general assets and shall not be liable for the payment of any interest thereon.

9. Trustee.

9.1 General Powers and Duties of Trustee. At any time or from time to time, without liability therefor and without notice and without affecting the liability of any person for the payment of the indebtedness secured hereby, upon written request of Beneficiary, payment of its own fees and presentation of this Deed of Trust and the Note for endorsement (in case of full reconveyance, for cancellation or retention), Trustee may:

- (a) Consent to the making of any map or plat of the Property;
- (b) Join in granting any easement or creating any restriction thereon;
- (c) Join in any subordination or other agreement affecting this Deed of Trust or the lien or charge thereof; or
- (d) Reconvey, without warranty, all or any part of the Property.

9.2 Reconveyance. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust and the Note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the Property then held hereunder. The recitals in any reconveyance executed under this Deed of Trust of any matters of fact shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." In the event Trustee shall properly reconvey the Property under this Section 9.2, the assignment of Leases and Rents hereunder shall be void and of no effect.

9.3 Powers and Duties on Default. Upon written request therefor by Beneficiary specifying the nature of the default, or the nature of the several defaults, and the amount or amounts due and owing, Trustee shall execute a written notice of breach and of its election to cause the Property to be sold to satisfy the obligation secured hereby, and shall cause such notice to be recorded and otherwise given according to law.

Notice of sale having been given as then required by law and not less than the time then required by law having elapsed after recordation of such notice of sale, Trustee, without demand on Grantor, shall sell the Property at the time and place of sale specified in the notice, all as provided by applicable law, either as a whole or in separate parcels and in such order as it may determine, at public auction to the highest and best bidder for cash in lawful money of the United States, payable at time of sale. Grantor agrees that such a sale (or a sheriff's sale pursuant to judicial foreclosure) of all the Property as real estate constitutes a commercially reasonable disposition thereof, but that with respect to all or any part of the Property which may be personal property, Trustee shall have and exercise, at Beneficiary's sole election, all the rights and remedies of a secured party under the UCC. Whenever notice is permitted or required hereunder or under the UCC, ten (10) days advanced notice of any sale shall be deemed reasonable notice. Trustee may postpone sale of all or any portion of the Property, and from time to time thereafter may postpone such sale, as provided by applicable law. Trustee shall deliver to the purchaser its deed and bill of sale conveying the Property so sold, but without any covenant or warranty, express or implied. The recital in such deed and bill of sale (if

applicable) of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person or entity other than Trustee, including Grantor or Beneficiary, may purchase at such sale, except if prohibited by applicable law.

After deducting all costs, fees and expenses of Trustee and of this trust, including the cost of evidence of title search and reasonable counsel fees in connection with the sale, Trustee shall apply the proceeds of sale to payment of: all sums expended by Beneficiary and/or Trustee under the terms hereof not then repaid, with accrued interest at the Default Rate specified in the Note; all other sums then secured hereby; and the remainder, if any, in the manner provided by applicable law.

9.4 Reassignment of Security Interest. At the request of Beneficiary, to the extent required by applicable law, Trustee shall reassign to Beneficiary the security interest created hereby and after such reassignment Beneficiary shall have the right, upon the occurrence or continuance of any Event of Default, to realize upon the personal property subject to this Deed of Trust, independent of any action of Trustee, pursuant to the UCC. In that regard, Beneficiary shall have the right to collect all accounts and accounts receivable that are encumbered by this Deed of Trust directly from the obligors at any time after the occurrence of an Event of Default hereunder.

9.5 Acceptance of Trust. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto except Beneficiary of pending sale under any other deed of trust or of any action or proceeding in which Grantor, Beneficiary or Trustee shall be a party unless brought by Trustee.

9.6 Reliance. Trustee, upon presentation to it of an affidavit signed by Beneficiary setting forth facts showing a default by Grantor under this Deed of Trust, is authorized to accept as true and conclusive all facts and statements therein, and to act thereon hereunder.

9.7 Replacement of Trustee. Beneficiary may, from time to time, as provided by statute, appoint another trustee in place and stead of Trustee herein named, and thereupon Trustee herein named shall be discharged and the trustee so appointed shall be substituted as Trustee hereunder, with the same effect as if originally named Trustee herein.

9.8 No Impairment of Right to Pursue Unsecured Obligations. The foreclosure of this Deed of Trust or sale by Trustee of the Property through the exercise of its power of sale granted hereunder shall not preclude or impair any action to collect or enforce any obligation of Grantor or any guarantor or other party liable for any of the obligations secured by this Deed of Trust, or the substantial equivalent of such obligation, which obligation is not secured by this Deed of Trust, including, without limitation, the obligations of Grantor under the Environmental Indemnity Agreement. All of such obligations (and all substantial equivalents of such obligations) shall constitute separate recourse obligations of Grantor and shall not be deemed to be evidenced by the Note or secured by this Deed of Trust.

10.4 Waiver of Notice. The giving of notice may be waived in writing by the person or persons entitled to receive such notice, either before or after the time established for the giving of such notice.

11. Modifications. Upon written request of any party then liable for any sum secured hereby, Beneficiary reserves the right to extend the term, or otherwise modify the terms, hereof or of the Note as Beneficiary and such person may from time to time deem appropriate and any such change shall not operate to release, in any manner, the liability of the original Grantor or Grantor's successors in interest.

12. Successors and Assigns. The terms, covenants, conditions, and warranties contained herein and the powers granted hereby shall run with the land and shall inure to the benefit of and bind all parties hereto and their respective heirs, successors and assigns; all tenants and their subtenants and assigns; and all subsequent owners of the Property and subsequent holders of all or any portion of the Note.

13. Governing Law; Severability. This Deed of Trust was negotiated in the State of Washington, and made by Grantor and accepted by Beneficiary in the State of Washington, and the proceeds of the Note secured hereby were disbursed from the State of Washington, which state the parties agree has a substantial relationship to the underlying transaction embodied hereby, and in all respects, including, without limiting the generality of the foregoing, matters of construction, validity and performance, this Deed of Trust and the obligations arising hereunder shall be governed by, and construed in accordance with, the laws of the State of Washington applicable to contracts made and performed in such state (without regard to principles of conflicts of laws) and any applicable law of the United States of America, except that at all times the provisions for the creation, perfection and enforcement of the liens and security interests created pursuant hereto and pursuant to the other Loan Documents other than with respect to liens and security interests in property whose perfection and priority is covered by Article 9 of the UCC (including, without limitation, the

accounts, which shall be governed by the law of the jurisdiction applicable thereto in accordance with Article 9 of the UCC) shall be governed by and construed according to the law of the state in which the Property is located, it being understood that, to the fullest extent permitted by the law of such state, the law of the State of Washington shall govern the construction, validity and enforceability of all Loan Documents, including, without limitation, the enforcement of any environmental indemnity following foreclosure of this Deed of Trust, and all of the obligations hereunder or thereunder. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, the conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Deed of Trust and the Note are declared to be severable.

THE EFFECTIVE DATE OF COVERAGE MAY BE THE DATE YOUR PRIOR COVERAGE LAPSED OR THE DATE YOU FAILED TO PROVIDE PROOF OF COVERAGE.

THE COVERAGE BENEFICIARY PURCHASES MAY BE CONSIDERABLY MORE EXPENSIVE THAN INSURANCE YOU CAN OBTAIN ON YOUR OWN AND MAY NOT SATISFY ANY NEED FOR PROPERTY DAMAGE COVERAGE OR ANY MANDATORY LIABILITY INSURANCE REQUIREMENTS IMPOSED BY APPLICABLE LAW.
