EXHIBIT B

20-8163-TJ

1. Any and all offers of dedications, conditions, restrictions, easements, fence line/boundary discrepancies and encroachments, notes, provisions and/or any other matters as disclosed and/or delineated on the face of the following plat/short plat/survey named Cascade River Park Division No. 3 recorded June 14, 1966 as Auditor's File No. 684135.

The company calls attention to provisions contained in Washington Uniform Common Interest Ownership Act, Senate Bill 6175 providing that Plats recorded after July 1, 2018, and older Plats that have opted in, that meet the requirements under Senate Bill 6175 will require delivery to the Proposed Purchaser of either a "Public Offering Statement" or "Resale Certificate".

2. Provisions and restrictive covenants as set forth in deed through which title is claimed:

"Purchasers covenant and agree that the above described real estate shall be subject to the charges and assessments as provided for in, and for the purposes set forth in the Articles of Incorporation and the By-Laws of the Cascade River Community Club, Inc., a nonprofit and nonstock Washington corporation and that said corporation shall have a valid first lien against the above described real estate for said charges and assessments; and, in addition to the remedies set forth in said Articles of Incorporation and By-Laws, that if said charges and assessments levied by said corporation shall not be paid within four (4) months after they shall become due and payable, then said corporation may proceed by appropriate action to foreclose its lien together with such sum as the court may adjudge reasonable attorney's fees in such action. This provision is a covenant running with the land and is binding on the purchasers, their heirs, successors and assigns.

Use of said property for residential purposes only."

3. Reservations, provisions and/or exceptions contained in instrument executed by Cascade River Community Club, a nonprofit corporation, recorded May 30, 1979 as Auditor's File No. 7905300013.

4. Any adverse claim by reason of any change in the location of the boundaries of said premises which may have resulted from any change in the location of the Cascade River, or its banks, or which may result from such change in the future.

5. Right of the general public to the unrestricted use of all the waters of a navigable body of water, not only for the primary purposes of navigation, but also for corollary purposes, including (but not limited to) fishing, boating, bathing, swimming, water skiing and other related recreational purposes, as those waters may affect the tidelands, shorelands, or adjoining uplands and whether the level of the water has been raised naturally or artificially to a maintained or fluctuating level, all as further defined by the decisional law of this state. (Affects all of the premises subject to such submergence.)
