To this end the provisions of this Security Instrument and the Note are declared to be severable.

6. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law.
