2. Payment of any further sums advanced or loaned by Beneficiary to Grantor or any of Grantor's successors or assigns, or otherwise owed by Grantor to Beneficiary, together with interest thereon, if such sums, including reasonable costs and expenses incurred by Beneficiary are owing pursuant to this Deed of Trust, that certain Security Agreement entered into by and between Grantor and Beneficiary of even date herewith or any of the other documents executed by Grantor securing or otherwise relating to the Note or the loans evidenced thereby, whether executed prior to, contemporaneously with, or subsequent to this Deed of Trust, together with interest thereon at the rate set forth in the relevant document. 3. Performance of each agreement of Borrower or Grantor herein contained or contained in the Loan Agreements.

4. **Certain Obligations Unsecured.** Notwithstanding anything to the contrary set forth herein or in any of the Loan Documents, this Deed of Trust shall not secure the following obligations (the "Unsecured Obligations"): (a) any obligations evidenced by or arising under any environmental indemnity agreement that by its terms is not secured hereby (the "Indemnity Agreement"); (b) any other obligations in this Deed of Trust or in any of the other Loan Documents to the extent that such other obligations relate specifically to the presence on the project of hazardous material and are the same or have the same effect as any of the obligations evidenced by or arising under any Indemnity Agreement; (c) any guaranties executed in connection with the Loan (if any), including without limitation the Guaranty executed by Steve and Becky Studebaker (the "Guaranties"); and (d) all substantial equivalents of the foregoing. Any breach or default with respect to the Unsecured Obligations shall constitute an Event of Default hereunder, notwithstanding the fact that such Unsecured Obligations are not secured by this Deed of Trust. Nothing in this Section shall, in itself, impair or limit Beneficiary's right to obtain a judgment in accordance with applicable law after foreclosure for any deficiency in recovery of all obligations that are secured by this Deed of Trust following foreclosure.

GRANTOR REPRESENTS, WARRANTS, COVENANTS AND AGREES AS FOLLOWS:

ARTICLE I COVENANTS

1.1 Payment of Note and Performance of Deed of Trust.

Grantor will pay the principal, interest and all other charges payable under the Note according to its terms, and will perform and comply with each and every term, covenant and condition hereof, and of the Note and Loan Documents.

1.2 Warranty of Title

Grantor represents and warrants that at the time of the delivery of this Deed of Trust to Beneficiary: (i) Grantor is seized in fee simple title to all of the Real Property and owns outright every part thereof; (ii) there are no liens or encumbrances against or upon the Real Property except for those permitted by Beneficiary on its mortgagee's policy of title insurance insuring the lien of this Deed of Trust, and none will be created or suffered to be created by Grantor during the term of this Deed of Trust, except as have been disclosed to and approved by Beneficiary in writing and upon such terms and conditions as may be satisfactory to Beneficiary; (iii) Grantor has good right to make this Deed of Trust; (iv) Grantor has good and absolute title to all existing Personal Property, and has good right, full power and lawful authority to convey and encumber the same in the manner and form conveyed and encumbered hereby; (v) the Personal Property is free and clear of all liens, charges, and encumbrances whatsoever, including, security agreements, conditional sales contracts and anything of a similar nature, and none will be created or suffered to be created by Grantor; (vi) there is no financing statement covering the Property, or any part thereof, on file in any public office; (vii) the Real Property constitutes one or more tax parcels, each with a separate tax assessment independent of any land or improvements not covered by this Deed of Trust; (viii) the Real Property constitutes one or more legal lots capable of being conveyed without violation of any subdivision or platting laws or regulations; and (ix) Grantor will warrant and forever defend the title to the Property against the claims of all persons whomsoever.

1.3 Taxes, Liens and Other Charges.

Grantor will pay when due:

1.3.1 All taxes, assessments and other governmental or public charges affecting the Property, including any accrued interest, cost or penalty thereon and will submit receipts therefor to Beneficiary at least ten (10) days before delinquency;

1.3.2 All encumbrances, ground rents, liens or charges, with interest, on the Property or any part thereof, and all costs and fees related thereto (provided that nothing in this Paragraph 1.3.2 shall be construed as a consent by Beneficiary to any such encumbrances, ground rents, liens, or charges). Grantor shall have the right to contest the amount or validity, in whole or in part, of any such taxes, assessments, encumbrances, liens, or charges payable under Paragraph 1.3.1 or this Paragraph 1.3.2 by appropriate proceedings conducted in good faith and with due diligence, in which event, Grantor, upon prior written notice to Beneficiary, may postpone or defer payment of such encumbrance, lien, or charge, if and so long as:

(1) such proceedings shall operate to prevent the collection of the encumbrance, lien, or charge;

(2) neither the Property nor any part thereof would by reason of such postponement or deferment be in danger of being forfeited or lost; and

(3) Grantor, before the date such encumbrance, lien, or charge becomes delinquent, gives such reasonable security as may be requested by Beneficiary to insure payment of such encumbrance, lien, or charge and prevent any forfeiture or loss of the Property or any part thereof;

1.3.3 All charges for utilities or services, including, but not limited to, electricity, gas, garbage, sewer and water; and

1.3.4 All costs, fees and expenses of this Deed of Trust, including cost of evidence of title, Trustee's fees and attorneys' fees required to be paid herein.

1.4 Further Taxes.

In the event of the passage, after the date of this Deed of Trust, of any law deducting from the value of the Property for the purposes of taxation, any lien thereon, or changing in any way the laws now in force for the taxation of deeds of trust or debts secured by deeds of trust, or the manner of the collection of any such taxes, so as to affect the Beneficiary's interest in this Deed of Trust, or imposing payment of the whole or any portion of any taxes, assessments or other similar charges against the Property upon Beneficiary, the indebtedness secured hereby shall immediately become due and payable at the option of Beneficiary; provided, however, that such election by Beneficiary shall be ineffective if such law either (a) shall not impose a tax upon Beneficiary nor increase any tax now payable by Beneficiary, or (b) shall impose a tax upon Beneficiary or increase any tax now payable by Beneficiary and prior to the due date of such tax: (i) Grantor is permitted by law and can become legally obligated to pay such tax or the increased portion thereof (in addition to all interest, and other charges payable hereunder and under the Note) without exceeding the limits imposed by applicable interest rate laws; (ii) Grantor does pay

such tax or increased portion; and (iii) Grantor agrees with Beneficiary in writing to pay, or reimburse Beneficiary for the payment of, any such tax or increased portion thereof when thereafter levied or assessed against the Property or any portion thereof. The obligations of Grantor under such agreement shall be secured hereby.

1.5 Insurance.

Grantor will at all times provide, maintain and keep in force, or cause to be provided, maintained and kept in force:

1.5.1 Fire and insurance on the Improvements on the Real Property and on all Personal Property, including endorsements of extended coverage, vandalism and malicious mischief. Such policies shall be in an amount sufficient to prevent Beneficiary or Grantor from becoming a co-insurer under the terms of the applicable policies, but in any event in an amount not less than one hundred percent (100%) of the then full replacement cost of the Improvements (exclusive of the cost of excavations, foundations and footings below the lowest basement floor) without deduction for physical depreciation. Such policies shall contain agreed amount, replacement cost and inflation guard endorsements.

1.5.2 Flood insurance upon the Property in the event that the Property is located in a designated flood plain and such insurance is available pursuant to the provisions of the Flood Disaster Protection Act of 1973 or other applicable legislation (Beneficiary reserves the right to require that Grantor secure flood insurance in excess of the amount provided by the Flood Disaster Protection Act of 1973, if such insurance is commercially available, up to the amount of insurance required in Paragraph 1.5.1 hereof), or, in the alternative, a certificate from the appropriate agency as evidence the Property is not located in a flood hazard area as defined by the U.S. Department of Housing and Urban Development pursuant to the Flood Disaster Protection Act of 1973.

1.5.3 Comprehensive general public liability insurance against claims for bodily injury or death or for damage or injury to property occurring upon, in, or about the Property, in such amount as may be required by Beneficiary but in no event less than an aggregate amount of \$2,000,000, with an occurrence limit of not less than \$1,000,000.

1.5.4 Such other insurance, and in such amounts, as may from time to time be reasonably required by Beneficiary against the same or other insurable hazards which at the time are commonly insured against in the case of premises similarly situated, due regard being given to the height and type of buildings thereon and their construction, use and occupancy.

Grantor shall furnish Beneficiary with certificates evidencing each policy required to be provided by Grantor hereunder and certified copies of each policy. All policies for such insurance shall be issued by companies approved by Beneficiary (which shall have a Best's Key Rating of at least A), shall be on forms approved by Beneficiary, shall be subject to the approval of Beneficiary as to amount, content, form, and expiration date, and shall provide that they may not be cancelled without ten (10) days prior written notice to Beneficiary. All policies for such insurance shall also name Beneficiary as an additional insured. Upon Beneficiary's request, Grantor shall provide Beneficiary with evidence of the replacement cost of the Property.

At least ten (10) days before expiration of any policy required to be provided by Grantor hereunder, Grantor shall furnish Beneficiary proof of issuance of a policy continuing in force the insurance covered by the policy so expiring. Grantor shall furnish Beneficiary receipts for the payment of premiums on such insurance policies or other evidence of such payment reasonably satisfactory to Beneficiary. In the event that Grantor does not deposit with Beneficiary evidence of renewal of expiring insurance and evidence of payment of premium thereon at least ten (10) days before expiration of any policy, then Beneficiary may, but shall not be obligated to, procure such insurance and pay the premiums therefor. In such event, Grantor agrees to repay to Beneficiary the premiums thereon promptly on demand, and until such repayment is received, interest thereon shall accrue at the rate of default specified in the Note.

1.6 Casualty.

Grantor hereby assigns to Beneficiary all insurance proceeds that Grantor may be entitled to receive, and such proceeds shall be delivered to and held by Beneficiary to be applied first, towards reimbursement of all reasonable costs and expenses of Beneficiary in connection with recovery of same. Thereafter, if the amount of the remaining insurance proceeds are less than \$20,000, and an Event of Default is not on-going, Grantor shall immediately restore any portion or all of the Improvements to their original condition and, in that event, Beneficiary shall make the insurance proceeds available to Grantor as such restoration progresses. If, however, the amount of insurance proceeds equals or exceeds \$20,000 then such proceeds shall be applied either, as mutually agreed by Grantor and Beneficiary; to the reduction of the indebtedness secured hereby; or for Grantor to immediately restore any portion or all of the Improvements to their original condition and, in that event, Beneficiary shall make the insurance proceeds available to Grantor as restoration progresses. If for any reason Grantor and Beneficiary can not reasonably agree as to the application of such insurance proceeds, Beneficiary shall determine such application. The application of insurance proceeds to the reduction of the principal balance outstanding on the Note shall not serve to cure any existing default. If the proceeds are sufficient to pay in full the indebtedness and other sums secured hereby, then any excess proceeds shall be paid over to Grantor.

In the event of the foreclosure of this Deed of Trust or other transfer of the title to the Property in extinguishment, in whole or in part, of the indebtedness secured hereby, all right, title and interest of Grantor in and to any insurance policy, or premiums or payments in satisfaction of claims or any other rights thereunder then in force shall pass to the purchaser or grantee notwithstanding the amount of any bid at such foreclosure sale.

Nothing contained herein shall prevent accrual of interest as provided in the Note until such proceeds are actually received and applied to the outstanding principal balance of the Note.

After the happening of any casualty, whether or not required to be insured against under the policies to be provided by Grantor hereunder, Grantor shall give prompt written notice thereof to Beneficiary.

1.7 Condemnation.

If the Property or any part thereof is taken or damaged by reason of any public improvement, condemnation proceeding, or conveyance in lieu thereof, or in any other manner, Beneficiary shall be entitled to all compensation, awards and other payments or relief therefor, and shall, be entitled, at its option, to commence, appear in and prosecute in its own name any action or proceeding, or to make any

compromise or settlement in connection with such taking or damage. All such compensation, awards, damages, rights of action and proceeds (the "Proceeds") are hereby assigned to Beneficiary who shall deduct therefrom all its reasonable expenses. Thereafter, if the remaining Proceeds are less than \$20,000, Beneficiary shall make the remaining Proceeds available as needed for the restoration of the Property. If the remaining Proceeds are equal or exceed \$20,000 Beneficiary and Grantor shall mutually agree to use the Proceeds to either reduce the indebtedness or, if reasonable, to restore the Property. If for any reason Grantor and Beneficiary cannot agree as to the application of the proceeds, Beneficiary shall determine the application. The application of a condemnation award to the reduction of the outstanding principal balance of the Note shall not serve to cure any existing default.

Nothing contained herein shall prevent the accrual of interest as provided in the Note until such Proceeds are actually received and applied to the outstanding principal balance of the Note.

1.8 Care of the Property.

Grantor will:

1.8.1 Keep the Property in good condition and repair and not commit or permit any waste or deterioration of the Property or suffer any act or occurrence that would impair the security for the debt secured hereby;

1.8.2 Comply with all laws, ordinances, rules, regulations and orders of governmental authorities now or hereafter affecting the Property or requiring any alterations or improvements to be made thereon, and perform all of its obligations under any covenant, condition, restriction or agreement of record affecting the Property, and deliver to Beneficiary copies of any permits, approvals or disapprovals issued by any governmental authority relating to the Property within ten (10) days of receipt thereof;

1.8.3 Not commit, suffer or permit any act to be done in, upon or to the Property in violation of any law or ordinance or any covenant, condition or restriction affecting the Property;

1.8.4 Do any and all acts which, from the character or use of the Property, may be reasonably necessary to protect and preserve the security of Beneficiary, the specific enumerations herein not excluding the general;

1.8.5 Perform all of Grantor's obligations or covenants under any encumbrance affecting the Property, including without limitation, leases, declarations, covenants, conditions, restrictions or other agreements relating to or affecting the Property;

1.8.6 Not create, suffer or permit any lien or encumbrance against or affecting the Property without Beneficiary's prior written consent;

1.8.7 Not take or permit to be taken any actions that might invalidate any insurance carried on the Property;

1.8.8 Not initiate or acquiesce in any change in the use or nature of the occupancy of the Property (including any conversion to condominiums) or in any zoning or other land use

classification affecting the Property without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld;

1.8.9 Insure that at all times the Property constitutes one or more legal lots capable of being conveyed without violation of any subdivision or platting laws, ordinances, rules or regulations, or other laws regulating the dimension or separation of real property;

1.8.10 Not use or occupy or permit the use or occupancy of the Property in connection with the use, sale, possession, cultivation, manufacture, distribution or marketing of any controlled substances or other contraband, including without limitation marijuana.

1.8.11 Not permit any new building or additions to existing structures to be erected on the Property without the prior written consent of Beneficiary, and not construct any improvements on the Property or undertake any site development work unless approved by Beneficiary, which consent shall not be unreasonably withheld;

1.8.12 Not remove, demolish or substantially alter any portion of the Property or permit or suffer such to be done, without Beneficiary's prior written consent (except for demolition or construction of tenant improvements and such alterations as may be required by laws, ordinances or regulations of governmental authorities);

1.8.13 Promptly notify Beneficiary of any litigation pending or, to Grantor's knowledge, threatened against the Property whether or not such amount is covered by insurance.

1.9 Further Assurances.

If required by Beneficiary at any time during the term of this Deed of Trust, Grantor will execute, acknowledge and deliver to Beneficiary, in form satisfactory to Beneficiary, such chattel mortgages, security agreements or other similar security instruments, in form and substance reasonably satisfactory to Beneficiary, covering all property of any kind whatsoever situated on the Property owned by Grantor or in which Grantor has any interest which, in the reasonable opinion of Beneficiary, is essential to the operation of the Real Property covered by this Deed of Trust. Grantor shall further, from time to time, within fifteen (15) days after request by Beneficiary, execute, acknowledge and deliver any financing statement, renewal, affidavit, certificate, continuation statement or other document as Beneficiary may reasonably request and is necessary to perfect, preserve, continue, extend or maintain the security interest under and the priority of this Deed of Trust and any such chattel mortgage or other security instrument. Grantor further agrees to pay to Beneficiary on demand all costs and expenses incurred by Beneficiary in connection with the preparation, execution, recording, filing and refiling of any such instrument or document including the charges for examining title and obtaining the appropriate title update. However, neither a request so made by Beneficiary nor the failure of Beneficiary to make such request shall be construed as a release of the Property, or any part thereof, from the conveyance of title by this Deed of Trust, it being understood and agreed that this covenant and any such chattel mortgage, security agreement or other similar security instrument, delivered to Beneficiary, are cumulative and given as additional security. Any breach of such security agreement shall constitute an Event of Default under this Deed of Trust.

1.10 Leases and Other Agreements Affecting the Property; Assignment.

1.10.1 Grantor will fully and promptly keep, observe, perform and satisfy each obligation, condition, covenant and restriction affecting the Property or imposed on Grantor under any agreement between Grantor and a third party relating to the Property (including, without limitation, any leases or rental agreements for any portion of the Property (the "Leases") and any contracts relating to the construction, maintenance or management of the Property (the "Contracts") so that there will be no default thereunder and so that the persons obligated thereon shall be and remain at all times obligated to perform thereunder. Grantor will not permit to exist any condition, event or fact which could allow or serve as a basis or justification for any such person to avoid such performance. All right, title and interest of Grantor in the Leases and the Contracts, are hereby assigned to Beneficiary absolutely and irrevocably and not as additional security. Grantor expressly agrees that it is the intention of Grantor and Beneficiary that such assignment is absolute and shall entitle Beneficiary to collect, subject to the license granted in Paragraph 2.2 hereof, Rents (as defined in Paragraph 2.1) due under the Leases without the taking of any additional steps by Beneficiary (including, but not limited to, the taking of possession of the Property or the appointment of a receiver). Notice of such assignment shall be given to the tenant or tenants thereunder as may be required by Beneficiary.

Without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld Grantor shall not:

- (1) accept prepayments of rent under the Leases exceeding one month in addition to a security deposit;
- (2) modify or amend any such Leases except to allow extensions of the existing term for periods not to exceed a total of 12 months or, except where the lessee is in default, cancel or terminate the same or accept a surrender of the leased premises;
- (3) grant any options to renew for a term greater than 12 months;
- (4) create or permit any lien or encumbrance which upon foreclosure, would be superior to any such Leases; or
- (5) in any other manner impair Beneficiary's rights and interest with respect to the rents received from the Leases or the Contracts.

1.10.2 All Leases and Contracts shall be subject to the prior written approval of Beneficiary, which approval shall not be unreasonably withheld, and at Beneficiary's option may be made subordinate to this Deed of Trust. Notice of such assignment shall be given to the tenants or parties thereunder as may be required by Beneficiary.

1.11 Expenses.

1.11.1 Upon an Event of Default, Beneficiary or Trustee shall have the right to employ an attorney in connection with their rights under the Loan Documents and Grantor shall pay all reasonable attorneys' fees, costs and expenses, including expenses of retaking, holding, preparing for sale or selling (including cost of evidence or search of title and the costs and expenses of an

investigation of the Property for Hazardous Waste (as defined below) and other environmental characteristics) in connection with any action or actions that may be brought for the foreclosure of this Deed of Trust, possession of the Property, the protection of or the defense of the priority of the lien provided for hereby, the appointment of a receiver, or the enforcement of any and all covenants or rights contained in or secured by this Deed of Trust.

1.11.2 Grantor will pay within thirty (30) days of written demand all sums expended or expense incurred by Trustee or Beneficiary, including, without limitation, reasonable attorneys' fees, under any of the terms of this Deed of Trust. If such sums are not so paid within thirty (30) days of written notice, such sums shall thereafter bear interest at the rate of default specified in the Note.

1.12 Books, Records and Accounts.

Grantor will keep and maintain, or cause to be kept and maintained proper and accurate books, records and accounts reflecting all items of income and expense in connection with the operation of the Property or in connection with any services, equipment or furnishings provided in connection with the operation of the Property. After notice to Grantor, Beneficiary or its designee shall have the right from time to time at all times during normal business hours to examine such books, records and accounts at the office of Grantor or other person or entity maintaining such books, records and accounts and to make copies or extracts thereof as Beneficiary or its designee shall desire.

1.13 Subrogation.

Beneficiary will be subrogated for further security to the lien of and to all rights of any beneficiary, mortgagee or lienholder under any encumbrance, whether or not released of record, paid out of the proceeds of the loan secured by this Deed of Trust or advanced pursuant to the terms hereof and any of the other Loan Documents.

1.14 Inspection of Property.

After notice and accompanied by a representative of Grantor or its property manager, Beneficiary is authorized, for itself, its agents or employees to enter at any reasonable time during normal business hours upon any part of the Property for the purpose of inspecting the same, determining Grantor's compliance with the provisions of this Deed of Trust and for the purpose of performing any of the acts Grantor is authorized to perform under the terms of this Deed of Trust. Grantor agrees to cooperate with Beneficiary to facilitate such inspections.

Upon notice to Grantor, Beneficiary shall also be entitled to examine all records and documents relating to the Property, or the operations or conduct of any activities thereon, whether such records are in the possession of or under the control of Grantor, the Property manager, governmental agencies or entities having jurisdiction over the Property or otherwise. To the extent that such records and documents are not under the control of Grantor, Grantor shall cooperate with Beneficiary to facilitate such examination.

1.15 Property Compliance.

1.15.1 Any Improvements constructed after the date hereof and their use shall comply fully with (and no notices of violation have been received in connection with) environmental, air

quality, zoning, flood plain, planning, subdivision, building, health, labor, discrimination, fire, traffic, safety, wetlands, shoreline and other governmental or regulatory rules, laws, ordinances, statutes, codes and requirements applicable to the Property, including, without limitation, the Fair Housing Act of 1988 (as amended) and the Americans with Disabilities Act of 1990 (collectively, the "Building Laws"). Grantor shall use its best effort to insure receipt of such final certificates as may be required or customary to evidence compliance with all building codes and permits, and approval of full occupancy of the Improvements and of all installations therein. Grantor shall cause the Property to be continuously in compliance with all Building Laws (as the same may be amended from time to time). The Property is the only property required to operate the Improvements as constructed in compliance with all Building Laws.

1.15.2 Grantor agrees to protect, defend, indemnify and hold Beneficiary harmless from and against all liability threatened against or suffered by Beneficiary by reason of a breach by Grantor of the foregoing representations and warranties contained in the preceding subparagraph 1.15.1. The foregoing indemnity shall include the cost of all alterations to the Property (including architectural, engineering, legal and accounting costs), all fines, fees and penalties, and all legal and other expenses (including attorneys' fees), incurred in connection with Improvements constructed after the date hereof being in violation of any Building Law and for the cost of collection of the sums due under the indemnity. In the event that Beneficiary shall become the owner of the Property by foreclosure or deed in lieu of foreclosure of the Deed of Trust, the foregoing indemnification obligation shall survive such foreclosure or deed in lieu of foreclosure.

1.16 Collateral Security Instruments.

Grantor covenants and agrees that if Beneficiary at any time holds additional security for any obligations secured hereby, Beneficiary shall have the right to enforce the terms thereof or otherwise realize upon the same, at its option, either before or concurrently herewith or after a sale is made hereunder, and may apply the proceeds upon the indebtedness secured hereby without affecting the status of or waiving any right to exhaust all or any other security, including the security hereunder, and without waiving any breach or default or any right of power whether exercised hereunder or contained herein or in any such other security.

1.17 Suits Affecting Property.

Grantor agrees to appear in and defend any action or proceeding purporting to affect the Property or this Deed of Trust or any other security for the obligations secured hereby, the interest of Beneficiary or the rights, powers or duties of Trustee hereunder. Grantor agrees to notify Beneficiary before Grantor commences any action or proceeding relating to any part of the Property or the security of this Deed of Trust (except actions to terminate month-to-month tenancies or evict tenants thereunder to the extent permitted by Paragraph 1.10 hereof). Grantor agrees to pay all costs and expenses, including the cost of evidence of title and reasonable attorneys' fees in any action or proceeding in which Beneficiary or Trustee may appear or be made a party, including, but not limited to, foreclosure or other proceeding commenced by those claiming a right to any part of the Property under any prior or subordinate liens, any forfeiture proceeding, in any action to partition or condemn all or part of the Property, and in any action concerning the disposition or availability of insurance proceeds relating to the Property, whether or not such proceedings are pursued to final judgment. Grantor hereby assigns to Beneficiary all proceeds payable by third parties arising from claims or events of impairment or loss to the Property, and agrees

that Beneficiary may require that such amount be paid directly to Beneficiary. In any claim, action or proceeding affecting the Property or Beneficiary's security in which Beneficiary appears (including any claim on the title insurance policy insuring the lien of this Deed of Trust), Grantor fully waives any rights to privacy or nondisclosure Grantor may have with regard to information provided to Beneficiary in connection with the loan secured hereby.

1.18 Beneficiary's Right to Defend Action and Cure Certain Defaults.

Beneficiary shall have the right to appear in and defend any action or proceeding at law or in equity or in bankruptcy purporting to affect the Property or any security for the obligations secured hereby. Beneficiary shall be allowed and paid all Beneficiary's costs, charges and expenses, including cost of evidence of title and reasonable attorneys' fees incurred in such action or proceeding in which Beneficiary may appear in the event Beneficiary reasonably determines that Grantor is not adequately protecting Beneficiary's interests.

If Grantor fails to make any payment or to do any act as herein provided, or if Grantor allows, in violation of this Deed of Trust, any lien encumbrance or charge against the Property; then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, shall have the right to: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon the Property for such purposes; commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien that in the judgment of either appears to be prior or superior hereto; and, in exercising any such power, incur any liability, expend whatever amounts in Beneficiary's or Trustee's reasonable discretion either may deem necessary therefor, including cost of evidence of title and attorneys' fees.

Grantor hereby agrees to pay, within ten (10) days of written demand, all of Beneficiary's costs, charges, expenses and amounts referred to above in this Paragraph 1.18, including the cost of evidence of title and reasonable attorneys' fees incurred in such action or proceeding in which Beneficiary may appear. All costs, charges and expenses so incurred, together with interest thereon as aforesaid, shall be secured by the lien of this Deed of Trust. Such amounts, if not paid within ten (10) days of written demand therefor, shall thereafter bear interest at the default rate of interest specified in the Note.

1.19 Hazardous Materials.

1.19.1 The term "Environmental Liability" shall mean any claim, demand, obligation, cause of action, accusation, allegation, order, violation, damage (including foreseeable consequential damage), injury, judgment, penalty or fine, cost of Enforcement or cost of Remedial Action, or any other cost or expense whatsoever, including reasonable attorneys' fees and disbursements, resulting from the violation or alleged violation of any Environmental Law or from any Enforcement or Remedial Action. The term "Environmental Law" or "Environmental Laws" means and includes, without limitation, any federal, state or local law, statute, regulation or ordinance pertaining to health, industrial hygiene or the environmental or ecological conditions on, under or about the Property, including without limitation each of the following: the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. § 9601 *et seq.*; the Resource Conservation and Recovery Act of 1976, as amended, 42 U.S.C. § 6901 *et seq.*; the Toxic Substance Control Act, as amended,

15 U.S.C. § 2601 *et seq.*; the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.*; the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.*; the Federal Hazardous Materials Transportation Act, 49 U.S.C. § 1801 *et seq.*; the Washington Model Toxics Control Act, RCW Ch. 70.105D, the Washington Hazardous Waste Management Act, RCW Ch. 70.105, the Washington Water Pollution Control Act, RCW Ch. 90.48; the Washington Clean Air Act, RCW Ch. 70.94; the Washington Industrial Safety and Health Act, RCW Ch. 49.17; and the Washington State Environmental Policy Act, RCW Ch. 43.21C, and the rules, regulations and ordinances of the U.S. Environmental Protection Agency, the Washington Department of Ecology and of all other agencies, boards, commissions and other governmental bodies and officers having jurisdiction over the Property or the use or operation thereof. The term "Enforcement or Remedial Action" shall mean any step taken by any person, agency or entity to enforce compliance with or to collect or impose penalties, fines, or other sanctions provided by any Environmental Law. The term "Hazardous Material" means and includes, without limitation: (i) those substances included within the definitions of hazardous substances, "hazardous materials," "toxic substances," "pollutants," "hazardous wastes," or "solid waste" in any Environmental Laws; (ii) those substances listed in the U.S. Department of Transportation Table or amendments thereto (49 CFR 172.101) or by the U.S. Environmental Protection Agency (or any successor agency) as hazardous substances (40 CFR Part 302 and any amendments thereto); (iii) those other substances, materials and wastes which are or become regulated under any applicable federal, state or local law, regulation or ordinance or by any federal, state or local governmental agency, board, commission or other governmental body, or which are or become classified as hazardous or toxic by any such law, regulation or ordinance; and (iv) any material, waste or substance which is any of the following: (a) asbestos; (b) polychlorinated biphenyl; (c) designated or listed as a "hazardous substance" pursuant to Paragraphs 307 or 311 of the Clean Water Act (33 U.S.C. § 1251 *et seq.*); (d) explosive; (e) radioactive; or (f) a petroleum product.

1.19.2 Grantor hereby represents and warrants that neither Grantor nor, to the best knowledge of Grantor, any other person, has ever caused or permitted any Hazardous Material to be placed, held, located or disposed of, on, under or at the Property, or any other real property legally or beneficially owned (or in which any interest or estate is owned) by Grantor in any state now or hereafter having in effect a so-called "Superlien" law or ordinance (the effect of which would be to create a lien on the Property to secure any obligation in connection with such real property in such other state). Grantor hereby represents and warrants that neither the Property, nor any part thereof has ever been used (whether by the Grantor or, to the best knowledge of Grantor, by any other person) to generate, manufacture, store, treat or dispose of any Hazardous Material in any manner or quantity which violates an Environmental Law. Grantor further represents and further warrants that neither Grantor, nor to the best knowledge of Grantor, any other person, has ever caused or permitted any asbestos to be located on or in the Property, except as disclosed in the Report. To the best knowledge of Grantor after due inquiry, Grantor has no knowledge of any proceeding or inquiry by any governmental authority (including, without limitation, the United States Environmental Protection Agency and Washington State Department of Ecology) with respect to the presence of any Hazardous Material on the Property or the migration thereof from or to adjoining property. To the best of Grantor's knowledge after due inquiry, there has been no investigation nor does Grantor have any knowledge of any contemplated investigation, by any local, state or federal governmental agency with authority to regulate, promulgate, administer or enforce any Environmental Laws within 2,000 yards of the Property.

1.19.3 Grantor shall keep and maintain the Property in compliance with and shall not cause or permit the Property to be in violation of any Environmental Law. If Hazardous Materials are disposed of on the Property, which under any Environmental Law require any special handling, collection, storage, treatment or disposal, Grantor shall commence with diligence, within thirty (30) days of notice thereof, to take all actions at its sole expense necessary to comply with any Environmental Laws. Grantor shall not use, generate, manufacture, treat, store, allow to remain or dispose of on, under, or about the Property or transport to or from the Property any Hazardous Materials in any manner or quantity which violates an Environmental Law. In the event of any construction activity involving any asbestos-containing materials ("ACMs") located on the Property, Grantor shall first perform a comprehensive asbestos survey before demolition or renovation activities, and shall protect all ACMs from damage or remove or dispose of all ACMs in accordance with all applicable Environmental Laws.

Grantor shall immediately advise Beneficiary in writing of (i) any and all enforcement, cleanup, remedial, removal, or other governmental or regulatory actions instituted, completed, or threatened pursuant to any Environmental Law affecting the Property; (ii) all claims made or threatened by any third party against Grantor or the Property relating to damage, contribution, cost recovery compensation, loss, or injury resulting from any Environmental Liability; and (iii) Grantor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability, or use of the Property under any Environmental Laws.

Beneficiary shall have the right to join and participate in, as a party if Beneficiary so elects, any legal proceedings or actions initiated in connection with any Environmental Liability and to have its reasonable attorney's fees in connection therewith paid by Grantor. Except in the case of emergencies (which shall be deemed to exist for a maximum of 24 hours), without Beneficiary's prior written consent, which shall not be unreasonably withheld, Grantor shall not take any remedial action in response to the presence of any Hazardous Material on, under or about the Property.

1.20 Conveyance of Property.

If there shall be any sale or transfer of all or any part of the Property without Beneficiary's prior written consent, Beneficiary or any assignee or other holder hereof may declare the entire amount of the Note secured by this deed of trust immediately due and payable in full. "Sale or transfer" means the conveyance of the Property or any right, title or interest in the Property, whether legal, beneficial or equitable, whether voluntary or involuntary, whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Property, or by another method of conveyance of an interest in the Property. Transfer also include any change in owner of more than twenty-five percent of the voting stock, partnership interest or limited liability company interest of Grantor. Lender's option to declare the entire amount of the Note secured by this deed of trust immediately due and payable in full shall not be exercised by Lender if such exercise is prohibit by federal law or by Washington law.

1.21 Anti-Forfeiture.

Grantor hereby further expressly represents and warrants to Beneficiary that neither Grantor nor any other person involved with the Property has committed or engaged in any act, enterprise, or omission affording the federal government or any state or local government the right of forfeiture as against the Property or any part thereof or any monies paid in performance of its obligations under this Note or under any of the other Loan Documents. Grantor hereby covenants and agrees not to commit, permit or suffer to exist any act or omission or engage in any enterprise affording such right of forfeiture. In furtherance thereof, Grantor hereby indemnifies Beneficiary and agrees to defend and hold Beneficiary harmless from and against any loss, damage or injury by reason of the breach of the covenants and agreements or the warranties and representations set forth in the preceding sentence. Without limiting the generality of the foregoing, the filing of formal charges or the commencement of proceedings against Grantor, Beneficiary or all or any part of the Property under any federal or state law for which forfeiture of the Property or any part thereof or of any monies paid in performance of Grantor's obligations under the Loan Documents shall, at the election of the Beneficiary, constitute an Event of Default hereunder without notice or opportunity to cure.

ARTICLE II ASSIGNMENT OF RENTS

2.1 Assignment of Rents.

Grantor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the income, rents, royalties, revenue, issues, profits and proceeds (collectively, the "Rents") of the Property, whether now due, past due or to become due, and hereby gives to and confers upon Beneficiary the right, power and authority to collect the Rents. Grantor irrevocably appoints Beneficiary its true and lawful attorney at the option of Beneficiary at any time, either by itself, through an agent or a receiver, to demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, either in the name of Grantor or in the name of Beneficiary, for all the Rents. It is agreed that neither the foregoing assignment of Rents to Beneficiary, nor the exercise by Beneficiary of any of its rights or remedies under this Paragraph 2.1 or under Paragraph 2.2, nor the appointment of a receiver or possession of the Property by a receiver shall make Beneficiary a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Property or the use, occupancy or enjoyment or operation of all or any

portion thereof, unless and until Beneficiary in person assumes actual possession thereof. Nothing herein shall require Beneficiary to have a receiver appointed to collect any Rents, but Beneficiary shall be entitled to such appointment at its option in accordance with Paragraph 2.2 hereof. This assignment of Rents is intended to be specific, perfected and choate upon recording as provided in RCW 7.28.230.

2.2 License to Collect.

Notwithstanding anything to the contrary herein, so long as no Event of Default exists, Grantor shall have a license to collect all Rents and to retain, use and enjoy the same. Upon any occurrence of an Event of Default hereunder, such license shall be revoked upon notice to Grantor from Beneficiary and all rights shall revert to Beneficiary who then shall have the right to exercise all of its rights as absolute owner of the Leases and Rents. Grantor agrees that payments made by tenants or occupants to Beneficiary shall, as to such tenants, be considered as though made to Grantor and in discharge of tenants' obligations to Grantor to the extent of such payments. Nothing herein contained shall be construed as obliging Beneficiary to perform any of Grantor's covenants under any lease or rental agreement. Grantor shall execute and deliver to Beneficiary, upon demand, any further or supplemental assignments deemed desirable by Beneficiary in order to further carry out and confirm the intentions of this Paragraph 2.2 and upon failure of the Grantor so to comply, Beneficiary shall have the right to, in addition to any other rights or remedies, at its option, declare all obligations secured by this Deed of Trust to be immediately due and payable.

ARTICLE III SECURITY AGREEMENT AND FIXTURE FILING

3.1 Security Agreement.

This Deed of Trust creates a lien on the Property, and to the extent the Property is not real property under applicable law, this Deed of Trust constitutes a security agreement under the Washington Uniform Commercial Code and any other applicable law ("Security Agreement"). If required by Beneficiary, at any time during the term of this Deed of Trust, Grantor will execute and deliver to Beneficiary, in form satisfactory to Beneficiary, additional security agreements, financing statements or other instruments covering all Personal Property or fixtures of Grantor which may at any time be furnished, placed on, or annexed or made appurtenant to the Real Property or used, useful or held for use in the operation of the Improvements. Grantor further agrees that:

3.1.1 The obligations covered by this Security Agreement include future advances in all forms.

3.1.2 Beneficiary may commingle any personal property that comes into its possession and require Grantor to assemble the personal property and make it available to Beneficiary at a place to be designated by Beneficiary which is reasonably convenient to both parties. To the extent Beneficiary is required for any reason to provide commercially reasonable notice to Grantor, Grantor agrees that notice mailed by first class mail ten (10) days before the event of which notice is given, is commercially reasonable notice.

3.1.3 The standard by which Beneficiary's rights and duties under Article 9A of RCW Ch. 62A, including, but not limited to, Part 6 thereof, shall be measured, as gross negligence or willful misconduct.

3.1.4 Grantor shall notify Beneficiary in writing within thirty (30) days of any change in name of Grantor or its corporate structure. Nothing herein shall be construed as a consent by Beneficiary to a change in corporate structure otherwise prohibited hereby.

Grantor hereby irrevocably constitutes and appoints Beneficiary the attorney-in-fact of Grantor, to execute, deliver and file with the appropriate filing officer or office such security agreements, financing statements or other instruments as Beneficiary may request or require in order to impose and perfect the lien and security interest hereof more specifically on the Personal Property or any fixture.

It is understood and agreed that, in order to protect Beneficiary from the effect of RCW 62A.9A-334, as amended from time to time, in the event that (i) Grantor intends to purchase any goods which may become fixtures attached to the Property, or any part thereof, and (ii) such goods will be subject to a purchase money security interest held by a seller or any other party:

3.1.5 Grantor shall, before executing any security agreement or other document evidencing such security interest, obtain the prior written approval of Beneficiary, and all requests for such written approval shall be in writing and contain the following information:

- (1) a description of the fixtures to be replaced, added to, installed or substituted;
- (2) the address at which the fixtures will be replaced, added to, installed or substituted; and
- (3) the name and address of the proposed holder and proposed amount of the security interest,

and any failure of Grantor to obtain such approval shall be a material breach of Grantor's covenant under this Deed of Trust, and shall, at the option of Beneficiary, entitle Beneficiary to all rights and remedies provided for herein upon default provided, that Beneficiary shall be deemed to have approved such agreement if Beneficiary fails to object to such agreement within thirty (30) days of its actual receipt of Grantor's written request for such approval. No consent by Beneficiary pursuant to this subsection shall be deemed to constitute an agreement to subordinate the right of the Beneficiary in fixtures or other property covered by this Deed of Trust.

3.1.6 If at any time Grantor fails to make any payment on an obligation secured by a purchase money security interest in the Personal Property or any fixtures, Beneficiary, at its option, may at any time pay the amount secured by such security interest and the amount so paid shall be (i) secured by this Deed of Trust and shall be a lien on the Property having the same priorities as the liens and security interests created by this Deed of Trust, and (ii) payable on demand with interest at the rate specified in the Note from the time of such payment. If Grantor shall fail to make such payment to Beneficiary within ten (10) days after demand, the entire principal sum secured hereby with all unpaid interest accrued thereon shall, at the option of Beneficiary, become due and payable immediately.

3.1.7 Beneficiary shall have the right to acquire by assignment from the holder of such security interest any and all contract rights, accounts receivable, negotiable or non-negotiable instruments, or other evidence of Grantor's indebtedness for such Personal Property or fixtures, and, upon acquiring such interest by assignment, shall have the right to enforce the security

interest as assignee thereof, in accordance with the terms and provisions of the Washington Uniform Commercial Code then in effect, and in accordance with any other provisions of law.

3.1.8 Whether or not Beneficiary has paid the indebtedness secured by or taken an assignment of such security interest, Grantor covenants to pay all sums and perform all obligations secured thereby, and if Grantor at any time shall be in default for a period of ten (10) days under such security agreement, it shall be a material breach of Grantor's covenants under this Deed of Trust, and Beneficiary may, at its option, declare the principal sum secured hereby immediately due and payable, time being of the essence.

3.2 Fixture Filing.

To the extent that any of the Property constitutes a fixture, this Deed of Trust shall serve as a fixture filing pursuant to the Washington Uniform Commercial Code.

ARTICLE IV DEFAULTS AND REMEDIES

4.1 Events of Default.

If any of the following events shall occur ("Events of Default"):

4.1.1 Default in payment when due of any indebtedness evidenced by the Note or secured hereby, the failure to pay when due any other sums of money required to be paid by any of the Loan Documents or a default under subparagraphs 4.1.2 through 4.1.7 below; or

4.1.2 Failure by Grantor to comply, after thirty (30) days prior written notice, with any of the covenants, terms, conditions, restrictions or agreements contained in this Deed of Trust, any of the other Loan Documents, or any other note, deed of trust, guaranty or other loan document delivered by Grantor or any guarantor of the Note, to Beneficiary for any other obligation of Grantor, except a failure to pay money as required in subparagraph 4.1.1 above or a default under subparagraphs 4.1.3 through 4.1.7 below; or

4.1.3 Grantor applies for or consents to the appointment of a receiver or trustee for Grantor or any portion of its property, or if such receiver or trustee is appointed for any Grantor or its property, or any Grantor makes an assignment for the benefit of creditors, or any Grantor admits in writing its inability to pay its debts as they become due, or any Grantor becomes insolvent, or a petition is filed by any Grantor pursuant to any of the provisions of the United States Bankruptcy Code, as amended; or

4.1.4 A petition is filed against any Grantor pursuant to any of the provisions of the United States Bankruptcy Code, as amended, or there is an attachment or sequestration of any of the property of any Grantor and the same is not discharged or bonded within sixty (60) days; or

4.1.5 Any representation or disclosure made to Beneficiary, in this Deed of Trust, the Note or any other Loan Document, by any Grantor proves to be materially false or misleading on the date when such representation or disclosure was made, whether or not that representation or

disclosure appears in this Deed of Trust, or any Grantor omits to provide any information that makes any such representation or disclosure materially false or misleading; or

4.1.6 A transfer of the Property in violation of Paragraph 1.20 hereof occurs; or

4.1.7 A default occurs (after any applicable cure period) under any other loan Grantor may now or hereafter have with Beneficiary,

then and in any such event, Beneficiary shall be entitled to exercise all rights, and shall have the benefit of all remedies provided by law or set forth in this Deed of Trust or in any other instrument given to secure the indebtedness evidenced by the Note, including the right to declare all sums secured hereby immediately due and payable. No waiver by Beneficiary of any default on the part of Grantor shall be construed as a waiver of any subsequent default hereunder.

4.2 Foreclosure Sale.

If an Event of Default occurs and Beneficiary so requests, Trustee shall sell the Property in accordance with the Deed of Trust Act of the State of Washington (RCW Ch. 61.24 as existing now or hereafter amended) at public auction to the highest bidder. Any person except Trustee may bid at the Trustee's sale. Trustee shall apply the proceeds of the sale as follows (i) to the expenses of sale, including Trustee's fees and attorneys' fees; (ii) to all the indebtedness evidenced by the Note and all other indebtedness secured by this Deed of Trust or any other Loan Document; and (iii) the surplus, if any, shall be distributed in accordance with the Deed of Trust Act. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the Property which Grantor had or had the power to convey at the time of its execution of this Deed of Trust and such as Grantor may have acquired thereafter. The Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of the law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrances for value. The power of sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy, and when not exercised Beneficiary may foreclose this Deed of Trust as a mortgage. Further, Beneficiary reserves all rights granted by RCW 61.24.100 (as existing now or hereafter amended) to pursue a deficiency judgment against Grantor and/or any guarantor of Grantor.

Beneficiary shall have the right to proceed as to the Personal Property in accordance with Beneficiary's rights and remedies in respect to real property or sell the Personal Property separately and without regard to the remainder of the Property in accordance with Beneficiary's rights and remedies provided by the Washington Uniform Commercial Code as well as other rights and remedies available at law or in equity.

4.3 Other Remedies Upon Default.

Upon the occurrence of an Event of Default, Beneficiary is authorized, either by itself or by its agent to be appointed by Beneficiary for that purpose or by a receiver appointed by a court of competent jurisdiction, to enter into and upon and take and hold possession of any portion or all of the Property, both real and personal, and exclude Grantor and all other persons therefrom; to operate and manage the Property and rent and lease the same; to perform such reasonable acts of repair or protection as may be reasonably necessary or proper to conserve the value thereof; and collect any Rents for the benefit and

protection of Beneficiary, and from time to time apply or accumulate such Rents in such order and manner as Beneficiary or such receiver, in its sole discretion, shall consider advisable, to or upon the following: the expenses of receivership, if any; the proper costs of upkeep, maintenance, repair and/or operation of the Property; the repayment of any sums theretofore or thereafter advanced pursuant to the terms of this Deed of Trust; the interest then due or next to become due upon the indebtedness secured hereby; the costs of appraisal of the Property, and the taxes and assessments upon the Property then due or next to become due, or upon the unpaid principal of such indebtedness. The collection or receipt of Rents by Beneficiary, its agent or receiver, after notice of default and notice of sale shall not affect or impair such default or notices or any sale proceedings predicated thereon. Any Rents in the possession of Beneficiary, its agent or receiver, at the time of sale and not theretofore applied as herein provided, shall be applied in the same manner and for the same purposes as the proceeds of the sale.

Neither Trustee nor Beneficiary shall be under any obligation to make any of the payments or do any of the acts referred to in this Paragraph 4.3, and any of the actions referred to in this Paragraph 4.3 may be taken by Beneficiary regardless of whether any notice of default or notice of sale has been given hereunder and without regard to the adequacy of the security for the indebtedness evidenced by the Note.

4.4 Effect of Foreclosure on Leases.

Beneficiary shall have the right, at its option, to foreclose this Deed of Trust subject to the rights of any tenants of the Property, and the failure to make any tenants a party defendant to any foreclosure proceeding will not be asserted by the Grantor as a defense in any action or suit instituted to collect the indebtedness secured hereby or any deficiency remaining after foreclosure. Any such tenant whom Beneficiary elects to not make a party or subject to any foreclosure action shall continue in possession of its leasehold for the unexpired term of its lease and shall attorn to Beneficiary or other purchaser at the sale.

4.5 Sale in Parcels; Marshalling.

The Property, real, personal or mixed, may be sold as an entirety or in parcels, by one sale or by several sales held at one time or at different times, all as Trustee or Beneficiary, in its unrestricted discretion, may elect. Grantor, for and on behalf of itself and all persons claiming by, through or under Grantor, waives any and all right to have the Property marshalled upon any foreclosure sale and agrees that, upon foreclosure, the Property may be sold as an entirety and not in parcels.

4.6 Appointment of Receiver.

Upon an Event of Default, Beneficiary, separately or in any action to foreclose this Deed of Trust, shall be entitled (without notice and without regard to the adequacy of any security for the Note, the absence of waste or deterioration of the Property or other arguments based on equity) to the appointment of a receiver of the Rents of the Property who shall have, in addition to all the rights and powers customarily given to and exercised by such receiver, all the rights and powers granted to Beneficiary by the covenants contained herein. Once appointed, at Beneficiary's option, such receiver may remain in place until the default is cured.

4.7 Payment of Proceeds.

Whenever this Deed of Trust requires that amounts payable by a third party be paid directly to Beneficiary (for example, insurance proceeds and proceeds of claims of loss or damage to the Property), Beneficiary may enforce such right with a preliminary injunction or temporary restraining order. Grantor agrees that irreparable harm may result if such payments are not made directly to Beneficiary. Grantor agrees not to oppose a motion for such injunction or restraining order provided that arrangements are made to deposit such sums in a third-party depository.

ARTICLE V GENERAL COVENANTS

5.1 No Waiver.

Grantor covenants and agrees that the acceptance by Beneficiary of any sum secured hereby after its due date, or in an amount less than the sum then due, shall not constitute a waiver by Beneficiary of its rights either to require prompt payment when due of all other sums so secured or to declare a default or exercise such other rights as herein provided for failure so to pay. No failure by Beneficiary to insist upon strict performance of any term, covenant or condition hereof, nor failure to exercise any right or remedy hereunder, shall constitute a waiver of any such breach of such term, covenant or condition or of the later exercise of such right or remedy. All waivers shall be in writing.

5.2 Remedies Cumulative.

No remedy herein conferred upon or reserved to Trustee or Beneficiary is intended to be exclusive of any other remedy herein or by law provided or permitted, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

5.3 Plats, Easements and Other Agreements.

At any time upon written request of Beneficiary, payment of its fees and presentation of this Deed of Trust and the Note for endorsement (in case of full reconveyance, for cancellation and retention), without affecting the liability of any person for the payment of the indebtedness or the effect of the Deed of Trust upon the remainder of the Property; Trustee may (i) consent to the making of any map or plat of said Real Property, (ii) join in granting any easement or creating any restriction thereon; (iii) join in any subordination or other agreement affecting this Deed of Trust or the lien or charge thereof; (iv) reconvey, without warranty, all or any part of the Real Property. The grantee in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Grantor agrees to pay Trustee's fee for full or partial reconveyance, together with a recording fee, if Trustee, at its option, elects to record said reconveyance.

5.4 Notices.

All notices hereunder shall be deemed to have been duly given if mailed by United States registered or certified mail (return receipt requested and postage prepaid), sent by a reputable overnight delivery service, or personally delivered to the parties at the addresses set forth on page one of this Deed

of Trust (or at such other addresses as shall be given in writing by any party to the other), and shall be deemed complete upon any such mailing, sending or delivery.

5.5 Heirs and Assigns; Terminology.

This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "Grantor" shall mean both the original Grantor and any subsequent owner or owners of any of the Property. The term "Beneficiary" shall mean the owner and holder, including pledgees, of the Note, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. The term "and/or" as used herein means one or the other or both, or any one or all, or any combination of the things or persons in connection with which the words are used. The obligations of Grantor hereunder shall be joint and several, binding on the community of which any grantor is a part and on the separate or quasi-community property of any grantor.

The captions and headings are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of this Deed of Trust nor in any way affect this Deed of Trust.

5.6 Severability.

If any provision hereof should be held unenforceable or void, then such provision shall be deemed separable from the remaining provisions and shall in no way affect the validity of this Deed of Trust, except that if such provision relates to the payment of any monetary sum then Beneficiary may, at its option, declare the indebtedness and all other sums secured hereby immediately due and payable, provided that no prepayment fee shall be payable in the event Beneficiary elects to exercise the option to accelerate contained in this Paragraph 5.6.

Grantor acknowledges and agrees that this document constitutes, among others, four (4) separate agreements: a Deed of Trust, a Security Agreement, an Assignment of Leases and Rents and a UCC Fixture Filing, each of which may be construed and enforced independently of the others even though the provisions hereof are common to all.

5.7 Time is of the Essence.

Time is of the essence hereof in connection with all obligations of Grantor herein or in the Note. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

5.8 Jury Trials.

It is mutually agreed by Grantor and Beneficiary that they each waive trial by jury in any action, proceeding, or counterclaim brought by either of them against the other on any matter whatsoever arising out of or in any way connected with the Note, this Deed of Trust or the loan secured hereby.

5.9 Oral Agreements.

ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT, OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.
