Map Accuracy Warning: This map was created from available public records and existing map sources not from field surveys. Map features from all sources have been adjusted to achieve a best-fit registration to the Ownership Parcels map. While great care was taken in this process, maps from different sources rarely agree as to the precise location of geographic features. The relative positioning of map features to one another results from combining different map sources without field ground truthing. Errors can be as great as 300 feet on this document. THIS MAP IS NOT A SUBSTITUTE FOR FIELD SURVEY. For questions about map accuracy, contact Skagit County GIS.
