THIS AGREEMENT for termination of septic system easements (the "Termination Agreement"), including but not limited to septic drainfield easements and septic pressure line easements, is given this ____ day of _____, 2018, by the property owners identified in **Exhibit A** attached hereto and incorporated herein by this reference with respect to the parcels of property legally described therein.

RECITALS

WHEREAS, the initial plat for what would later become Fisher Commercial Park was recorded August 1, 1979, under Skagit County Auditor's File No. 7908010003; the notes for the short plat state: "At such time that sanitary sewers are constructed to within 800 feet of any lot in this short plat buildings on the lots must connect to the sanitary sewer;"

WHEREAS, the short plat establishing Division No. 1 of Fisher Commercial Park was recorded on November 9, 1983, under Skagit County Auditor's File No. 8311090025 (the "1983 Plat"), identifying Tract A, Lots 1, 2, 3, 4, 5 and 6 of Division No. 1, and the 1983 Plat also established septic drainfield easements and septic system pressure line easements;

WHEREAS, Tract A of Fisher Commercial Park, Division No. 1, was subsequently divided into Tracts A-1 and A-2 as shown on City of Burlington, Short Plat No. BURL-1-83, approved November 22, 1983, and recorded February 14, 1984, as Auditor's File No. 8402140090 in Volume 6 of Short Plats, page 118, records of Skagit County, Washington;

WHEREAS, Tract A-1 of Fisher Commercial Park, Division No. 1, was subsequently divided into Lots 1, 2, and 3 as shown on City of Burlington, Revised Short Plat No. 1-83, approved April 16, 1985, and recorded December 22, 1986, as Auditor's File No. 8612220059 in Volume 7 of Short Plats, page 149, records of Skagit County, Washington (the "1986 Plat");

WHEREAS, Lot 1 created under the 1986 Plat was later divided into Lots 1-A and 1-B as shown on the Plat of Fisher Commercial Park, Division No. 2, recorded on September 26, 1988, as Auditor's File No. 8809260036 in Volume 14 of Plats, page 54, records of Skagit County, Washington (the "1988 Plat");

WHEREAS, the properties within Fisher Commercial Park were subsequently connected to the City of Burlington's sanitary sewer system thereby eliminating any future need or purpose for the septic drainfield easements and septic system pressure line easements; and

WHEREAS, the parties to this Agreement, representing all owners of the benefited and burdened lots within the Fisher Commercial Park, desire by this Agreement to extinguish the septic drainfield easements and septic system pressure line easements referenced in Recital #2 above.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth below and other good and valuable consideration (the adequacy and receipt of which is hereby acknowledged) and intending to be legally bound, the owners of the burdened and benefitted Lots agree as follows:

1. Recitations. The foregoing recitations are true and correct and are incorporated herein by this reference.

2. Termination of the Easements. The owners hereby confirm the termination, release, and relinquishment of all easements and other rights established in or created under the 1983 Plat and subsequent plats for the septic system, including but not limited to the septic drainfield easements and septic system pressure line easements. The termination, however, shall except any rights granted under that certain Modification/Termination Agreement dated June 4, 2013, and recorded under Skagit County Auditor's File No. 201306050020, allowing for continued easement on the west twenty (20) feet of Lots 1 and 2 of Fisher Commercial Park, Division No. 1, to be used for storm drainage purposes as provided therein.

3. Binding Effect. The covenants contained in this Agreement are not personal but shall run with the land, shall be binding, and inure to the benefit of the fee simple owners of lots within Fisher Commercial Park, Division No. 1 and Division No. 2, their respective heirs, personal representatives, transferees, successors, and assigns.

4. Counterparts. This Agreement may be executed contemporaneously in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF this Agreement has been signed effective as of the date of the last party's signature.
