**NOTICE: THE OBLIGATIONS SECURED HEREBY PROVIDE FOR PERIODIC INCREASES AND/OR DECREASES IN THE APPLICABLE INTEREST RATE AND ACCRUAL OF INTEREST WHICH MAY RESULT IN INCREASES IN THE PRINCIPAL BALANCE ABOVE THE FACE PRINCIPAL AMOUNT OF THE APPLICABLE NOTE(S).**

**1. DEED OF TRUST, OBLIGATIONS AND FUTURE ADVANCES**

1.1 Deed of Trust. Breckenridge Property Fund 2016, LLC, a Delaware limited liability company (collectively with any other borrowers from time to time party thereto, the "Borrowers"), Beneficiary, and certain lenders party thereto (the "Lenders") have entered into that certain Credit Agreement dated as of June 30, 2016 (as amended, modified, restated, consolidated or supplemented from time to time, the "Credit Agreement") pursuant to which the Lenders have made commitments (the "Revolving Commitments") to make secured revolving loans (the "Loans") to the Borrowers in the aggregate principal amount at any one time not to exceed the amount of the Revolving Commitments. Capitalized terms used herein without definition are used as defined in the Credit Agreement. The Loans, as such amount may increase or decrease from time to time, are evidenced by the Credit Agreement and may be further evidenced by one or more Revolving Notes (the "Notes"). To the extent that any term of this Deed of Trust is inconsistent with the Credit Agreement, the terms of the Credit Agreement shall govern. For valuable consideration paid and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby irrevocably and unconditionally mortgages, grants, bargains, transfers, sells, conveys, sets over and assigns to the Trustee and its successors and assigns, IN TRUST, for the benefit and security of the Grantee forever, WITH POWER OF SALE AND RIGHT OF ENTRY AND POSSESSION, all of Grantor's right, title and interest in and to the Property described below, to secure the prompt payment and performance of the Grantor's Obligations (hereinafter defined), including without limitation, all amounts due and owing to the Grantee and all obligations respecting the Loans and the Notes. The Notes, this Deed of Trust, the Credit Agreement, and all other agreements, documents, certificates and instruments delivered in connection therewith and any substitutions, modifications, extensions or amendments thereto are collectively referred to herein as the "Loan Documents."

This Deed of Trust shall secure the principal amount of Loans up to \$195,075.00 advanced in connection with the Property, and payment and performance of all Obligations in addition to such

Loans, whether direct or indirect, absolute or contingent, or now existing or hereafter arising from the Trustor to the Beneficiary. The maximum amount of principal secured hereby may be increased or decreased by amendment to this Deed of Trust.

- 1.2 Security Interest in Property. As continuing security for the Obligations the Grantor hereby pledges, assigns and grants to the Grantee, and its successors and assigns, a security interest in any of the Property constituting personal property or fixtures. This Deed of Trust is and shall be deemed to be a security agreement and financing statement pursuant to the terms of the Uniform Commercial Code of Washington (the "Uniform Commercial Code") as to any and all personal property and fixtures and as to all such property the Grantee shall have the rights and remedies of a secured party under the Uniform Commercial Code in addition to its rights hereunder. This Deed of Trust constitutes a financing statement filed as a fixture filing under Section 62A.9A-502(c) of the Uniform Commercial Code covering any Property which now is or later may become a fixture.
- 1.3 Collateral Assignment of Leases and Rents. The Grantor hereby irrevocably and unconditionally assigns to the Grantee and its successors and assigns, as collateral security for the Obligations all of the Grantor's rights and benefits under any and all Leases (as hereinafter defined) and any and all rents and other amounts now or hereafter owing with respect to the Leases or the use or occupancy of the Property. This collateral assignment shall be absolute and effective immediately, but the Grantor shall have a license, revocable by the Grantee, to continue to collect rents owing under the Leases until an Event of Default (as hereinafter defined) occurs and the Grantee exercises its rights and remedies to collect such rents as set forth herein.
- 1.4 Conditions to Grant. The Trustee shall have and hold the above granted Property unto and to the use and benefit of the Grantee, IN TRUST, for the benefit and security of the Grantee, and to the Grantee, as the case may be, and their successors and assigns, forever; provided, however, the conveyances, grants and assignments contained in this Deed of Trust are upon the express condition that, if Grantor shall irrevocably pay and perform the Obligations in full (other than contingent indemnification obligations), the conveyances, grants and assignments contained in this Deed of Trust shall be appropriately released and discharged.
- 1.5 Property. The term "Property," as used in this Deed of Trust, shall mean that certain parcel of land and the fixtures, structures and improvements and all personal property constituting fixtures, as that term is defined in the Uniform Commercial Code, now or hereafter thereon located at the Address(es), as more particularly described in Exhibit A attached hereto, together with: (i) all rights now or hereafter existing, belonging, pertaining or appurtenant thereto; (ii) all judgments, awards of damages and settlements hereafter made as a result or in lieu of any Taking, as hereinafter defined; (iii) all of the rights and benefits of the Grantor under any present or future leases and agreements relating to the Property, including, without limitation, rents, issues and profits, or the use or occupancy thereof together with any extensions and renewals thereof, specifically excluding all duties or obligations of the Grantor of any kind arising thereunder (the "Leases"); and (iv) all contracts, permits and licenses respecting the use, operation or maintenance of the Property.
- 1.6 Obligations. The term "Obligation(s)," as used in this Deed of Trust, shall mean all amounts outstanding when due pursuant to the terms of any of the Loan Documents. Said term shall also include all interest and other charges chargeable to the Borrowers under the Loan Documents or due from the Borrowers to the Grantee from time to time under the Loan Documents and all advances and reasonable out-of-pocket costs and expenses referred to in this Deed of Trust, including without limitation the reasonable out-of-pocket costs and expenses (including reasonable out-of-pocket attorney's fees) of enforcement of the Grantee's rights hereunder or pursuant to any Loan Document. In addition, Obligations shall also include any amounts due and owing from the Borrowers, directly or indirectly, to Lender in connection with any rate swap transactions, basis swaps, forward rate transactions, commodity swaps, commodity options, equity or equity index swaps, equity or equity index options, bond options, interest rate options, foreign exchange transactions, cap transactions, floor transactions, collar transactions, forward transactions, currency swap transactions, cross-currency rate swap transactions or currency options, whether now existing or hereafter entered in connection with any indebtedness evidenced by any of the Loan Documents, all of which shall be deemed additional interest or a related expense (in the sole discretion of Lender) due in connection with such underlying indebtedness.
- 1.7 Future Advances. It is the express intention of the Grantor that this Deed of Trust secure payment and

performance of all of the Obligations, whether now existing or hereinafter incurred by reason of future advances by the Grantee or otherwise, and regardless of whether such Obligations are or were contemplated by the parties at the time of the granting of this Deed of Trust. Notice of the continuing grant of this Deed of Trust shall not be required to be stated on the face of any document evidencing any of the Obligations, nor shall such documents be required to otherwise specify that they are secured hereby.

## 2. REPRESENTATIONS, WARRANTIES, COVENANTS

### 2.1 Representations and Warranties. The Grantor represents and warrants that:

- (a) This Deed of Trust has been duly executed and delivered by the Grantor and is the legal, valid and binding obligation of the Grantor enforceable in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally;
- (b) The Grantor is the sole legal owner of the Property, holding good and marketable fee simple title to the Property, subject to no liens, encumbrances, leases, security interests or rights of others, other than Permitted Liens (as defined in the Credit Agreement) and the encumbrances reflected in the lenders title insurance policy issued in favor of the Beneficiary in connection with the Property (the "Permitted Encumbrances");
- (c) The Grantor is the sole legal owner of the entire lessor's interest in Leases, if any, with full power and authority to encumber the Property in the manner set forth herein, and the Grantor has not executed any other assignment of Leases or any of the rights or rents arising thereunder; and
- (d) Each Obligation is a commercial obligation and does not represent a loan used for personal, family or household purposes and is not a consumer transaction.

### 2.2 Recording; Further Assurances. The Grantor covenants that it shall, at its sole cost and expense and upon the request of the Grantee, cause this Deed of Trust, and each amendment, modification or supplement hereto, to be recorded and filed in such manner and in such places, and shall at all times comply with all such statutes and regulations as may be required by law in order to establish, preserve and protect the interest of the Grantee in the Property and the rights of the Grantee under this Deed of Trust. Grantor will from time to time execute and deliver to the Grantee such documents, and take or cause to be taken, all such other or further action, as the Grantee may request in order to effect and confirm or vest more securely in the Grantee all rights contemplated by this Deed of Trust (including, without limitation, to correct clerical errors) or to vest more fully in, or assure to the Grantee the security interest in, the Property or to comply with applicable statute or law. To the extent permitted by applicable law, Grantor authorizes the Grantee to file financing statements, continuation statements or amendments, and any such financing statements, continuation statements or amendments may be filed at any time in any jurisdiction. The Grantee may at any time and from time to time file financing statements, continuation statements and amendments thereto that describe the Property as defined in this Deed of Trust and which contain any other information required by Article 9 of the Uniform Commercial Code for the sufficiency or filing office acceptance of any financing statement, continuation statement or amendment, including whether Grantor is an organization, the type of organization and any organization identification number issued to Grantor; Grantor also authorizes the Grantee to file financing statements describing any agricultural liens or other statutory liens held by the Grantee. Grantor agrees to furnish any such information to the Grantee promptly upon request. In addition, Grantor shall at any time and from time to time, take such steps as the Grantee may reasonably request for the Grantee (i) to obtain an acknowledgment, in form and substance satisfactory to the Grantee, of any bailee having possession of any of the Property that the bailee holds such Property for the Grantee, and (ii) otherwise to insure the continued perfection and priority of the Grantee's security interest in any of the Property and the preservation of its rights therein. Grantor hereby constitutes the Grantee its attorney-in-fact to execute and file all filings required or so requested for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; and such power, being coupled with an interest, shall be irrevocable until this Deed of Trust terminates in accordance with its terms, or all Obligations are paid in full (other than contingent indemnification obligations), or the Property is

otherwise released.

2.3 Restrictions on the Grantor. The Grantor covenants that it will not, nor will it permit any other person to, directly or indirectly, without the prior written approval of the Grantee, sell, convey, assign, transfer, mortgage, pledge, hypothecate, lease or dispose of all or any part of any legal or beneficial interest in the Grantor or the Property or any part thereof or permit any of the foregoing, except as expressly permitted by the terms of this Deed of Trust or the other Loan Documents.

2.4 Operation of Property. The Grantor covenants and agrees as follows:

- (a) Grantor will not execute any assignment of the Leases except in favor of the Grantee; and
- (b) Grantor will at all times maintain complete and accurate records and books regarding the Property in accordance with generally accepted accounting principles.

2.5 [Reserved]

2.6 Notice of Default. The Trustor further agrees to deliver to the Beneficiary written notice promptly upon the occurrence of any Event of Default hereunder or event that with the giving of notice or lapse of time, or both, would constitute an Event of Default hereunder.

2.7 Takings. In case of any condemnation or expropriation for public use of, or any damage by reason of the action of any public or governmental entity or authority to, all or any part of the Property (a "Taking"), or the commencement of any proceedings or negotiations that might result in a Taking, the Grantor shall promptly give written notice to the Grantee, describing the nature and extent thereof. Any award or settlement due in connection with a Taking shall be applied in accordance with the Credit Agreement.

2.8 Insurance Proceeds. The proceeds of any insurance resulting from any loss with respect to the Property shall be paid and applied in accordance with the Credit Agreement.

### 3. CERTAIN RIGHTS OF THE GRANTEE

3.1 Legal Proceedings. The Grantee shall have the right, but not the duty, to intervene or otherwise participate in any legal or equitable proceeding that, in the Grantee's reasonable judgment, might affect the Property or any of the rights created or secured by this Deed of Trust. The Grantee shall have such right whether or not there shall have occurred an Event of Default hereunder.

3.2 [Reserved].

3.3 [Reserved].

3.4 Substitution of Trustee. The Beneficiary may from time to time, without notice to the Trustor or Trustee and with or without cause and with or without the resignation of Trustee, substitute a successor or successors to the Trustee named herein or acting hereunder: Upon such appointment, the successor trustee shall be vested with all title, powers and duties conferred upon the Trustee named herein or acting hereunder. Each such appointment and substitution shall be made by a writing executed by Beneficiary and when duly recorded in the appropriate office shall be conclusive proof of proper appointment of such successor Trustee. The procedure herein provided for substitution of the Trustee shall be conclusive of all other provisions for substitution, statutory or otherwise.

### 4. DEFAULTS AND REMEDIES

1. Events of Default. Event of Default shall have the meaning given in the Credit Agreement.

4.1 Remedies. On the occurrence of any Event of Default the Grantee may, at any time thereafter, at its option and, to the extent permitted by applicable law, without notice, exercise any or all of the following remedies:

- (a) Declare the Obligations due and payable, and the Obligations shall thereupon become immediately due and payable, without presentment, protest, demand or notice of any kind, all of which are hereby expressly waived by the Grantor except for Obligations due and payable on demand, which shall be due and payable on demand whether or not an event of default has occurred hereunder;

- (b) Direct the Trustee to, or enter, take possession of, manage and operate the Property (including all personal property and all records and documents pertaining thereto) and any part thereof and exclude the Grantor therefrom, take all actions it deems necessary or proper to preserve the Property and operate the Property as a mortgagee in possession with all the powers as could be exercised by a receiver or as otherwise provided herein or by applicable law; provided, however, the entry by the Grantee upon the Property for any reason shall not cause the Trustee or the Grantee to be a mortgagee in possession, except upon the express written declaration of the Grantee;
- (c) With or without taking possession, by itself or through a receiver, receive and collect all rents, income, issues and profits ("Rents") from the Property (including all real estate and personal property and whether past due or thereafter accruing), including as may arise under the Leases, and the Grantor appoints the Grantee as its true and lawful attorney with the power for the Grantee in its own name and capacity to demand and collect Rents and take any action that the Grantor is authorized to take under the Leases. The Grantee shall (after payment of all costs and expenses incurred) apply any Rents received by it to the Obligations as set forth in Section 8.03 of the Credit Agreement, and the Grantor agrees that exercise of such rights and disposition of such funds shall not be deemed to cure any default or constitute a waiver of any foreclosure once commenced nor preclude the later commencement of foreclosure for breach thereof. The Grantee shall be liable to account only for such Rents actually received by the Grantee. Lessees under the Leases are hereby authorized and directed, following notice from the Grantee, to pay all amounts due the Grantor under the Leases to the Grantee, whereupon such lessees shall be relieved of any and all duty and obligation to the Grantor with respect to such payments so made;
- (d) In addition to any other remedies, to sell the Property or any part thereof or interest therein pursuant to exercise of its power of sale or otherwise at public auction on terms and conditions as the Grantee may determine, or otherwise foreclose this Deed of Trust in any manner permitted by law, and upon such sale the Grantor shall execute and deliver such instruments as the Grantee may request in order to convey and transfer all of the Grantor's interest in the Property, and the same shall operate to divest all rights, title and interest of the Grantor in and to the Property. In the event this Deed of Trust shall include more than one parcel of property or subdivision (each hereinafter called a "portion"), the Grantee shall, in its sole and exclusive discretion and to the extent permitted by applicable law, be empowered to foreclose upon any such portion without impairing its right to foreclose subsequently upon any other portion or the entirety of the Property from time to time thereafter. In addition, the Grantee may in its sole and exclusive discretion subordinate this Deed of Trust to one or more Leases for the sole purpose of preserving any such Lease in the event of a foreclosure;
- (e) Choose to dispose of some or all of the Property in any combination consisting of both real and personal property, together in one sale, public or private, to be held in accordance with law and procedures applicable to real property, as permitted by Section 9604 of the Uniform Commercial Code. Trustor agrees that such a sale of personal property together with real property constitutes a commercially reasonable sale of the personal property. Before any sale, Beneficiary or Trustee shall give such notice of default and election to sell as may then be required by law. When all time periods then legally mandated have expired, and after such notice of sale as may then be legally required has been given, Trustee may sell the property being sold at a public auction to be held at the time and place specified in the notice of sale. Neither Trustee nor Beneficiary shall have any obligation to make demand on Trustor before any sale. From time to time in accordance with then applicable law, Trustee may, and in any event at Beneficiary's request shall, postpone any sale by public announcement at the time and place noticed for that sale. Notwithstanding the foregoing, Beneficiary shall be under no obligation to consummate a sale if, in its judgment, none of the offers received by it equals the fair value of the property offered for sale. At any sale, any person including Beneficiary may bid for and acquire the property or any part thereof to the extent permitted by then applicable law. Instead of paying cash for such property, Beneficiary may settle for the purchase price by

crediting the sales price of the property against the expenses of sale, costs of any action and any other sums for which Trustor is obligated to pay or reimburse Beneficiary or Trustee under this Deed of Trust and all other Obligations as set forth in Section 8.03 of the Credit Agreement. The foregoing procedures do not constitute the only procedures that may be commercially reasonable and, Beneficiary and Trustee may choose, for example, if the Property consists of more than one parcel, to sell and dispose of such parcels in separate or combined sales in such order as Beneficiary may elect. ;

- (f) Cause one or more environmental assessments to be taken, arrange for the cleanup of any Hazardous Substances or otherwise cure the Grantor's failure to comply with any statute, regulation or ordinance relating to the presence or cleanup of Hazardous Substances, and the Grantor shall provide the Grantee or its agents with access to the Property for such purposes; provided that the exercise of any of such remedies shall not be deemed to have relieved the Grantor from any responsibility therefor or given the Grantee "control" over the Property or cause the Grantee to be considered to be a mortgagee in possession, "owner" or "operator" of the Property for purposes of any applicable law, rule or regulation pertaining to Hazardous Substances; and
- (g) Take such other actions or proceedings as the Grantee deems necessary or advisable to protect its interest in the Property and ensure payment and performance of the Obligations, including, without limitation, appointment of a receiver (and the Grantor hereby waives any right to object to such appointment) and exercise of any of the Grantee's remedies provided herein or in any other document evidencing, securing or relating to any of the Obligations or available to a secured party under the Uniform Commercial Code or under other applicable law.

In addition, the Trustee and the Grantee shall have all other remedies provided by applicable law, including, without limitation, the right to pursue a judicial sale of the Property or any portion thereof by deed, assignment or otherwise and the right to foreclose Grantor's interest in all or any part of the Property by judicial foreclosure and to cause the Trustee to foreclose by notice and sale by nonjudicial foreclosure, in accordance with applicable law. Any receiver appointed may serve without bond. Employment by the Grantee will not disqualify a person from serving as receiver.

**Due on Sale or Transfer.** Subject to Article VIII of the Credit Agreement, Beneficiary may, at its option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer, without Beneficiary's prior written consent, of all or any part of the Property, or any interest in the Property, but only to the extent such sale or transfer violates Section 7.05 of the Credit Agreement or results in a Change of Control as defined in the Credit Agreement. In the event of any inconsistency between this provision and the terms of the Credit Agreement, the terms of the Credit Agreement shall control. A "sale or transfer" means the conveyance of the Property or any right, title or interest therein; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, option contract, or by sale, assignment or transfer of any beneficial interest in or to any land trust holding title to the Property, or by any other method of conveyance of a real property interest. If Trustor is a corporation, a limited liability company, a general partnership, a limited partnership, or a limited liability partnership, transfer shall include a Change of Control as defined in the Credit Agreement. This option shall not be exercised by Beneficiary if such exercise is prohibited by applicable law.

The Grantor agrees and acknowledges that the acceptance by the Trustee or the Grantee of any payments from either the Grantor or any guarantor after the occurrence of any Event of Default, the exercise by the Trustee or the Grantee of any remedy set forth herein or the commencement, discontinuance or abandonment of foreclosure proceedings against the Property shall not waive the Trustee's or the Grantee's subsequent or concurrent right to foreclose or operate as a bar or estoppel to the exercise of any other rights or remedies of the Trustee or the Grantee. The Grantor agrees and acknowledges that the Trustee or the Grantee, by making payments or incurring costs described herein, shall be subrogated to any right of the Grantor to seek reimbursement from any third parties, including, without limitation, any predecessor in interest to the Grantor's title or other party who may be responsible under any law, regulation or ordinance

relating to the presence or cleanup of Hazardous Substances.

- 4.2 Advances. If the Grantor fails to pay or perform any of its obligations respecting the Property, the Grantee may in its sole discretion do so without waiving or releasing Grantor from any such obligation. Any such payments may include, but are not limited to, payments for taxes, assessments and other governmental levies, water rates, insurance premiums, maintenance, repairs or improvements constituting part of the Property. Any amounts paid by the Grantee hereunder shall be, until reimbursed by the Grantor, part of the Obligations and secured by this Deed of Trust, and shall be due and payable to the Grantee, on demand, together with interest thereon to the extent permitted by applicable law, at the highest rate permitted under any of the notes evidencing the Obligations.
- 4.3 Cumulative Rights and Remedies. All of the foregoing rights, remedies and options (including without limitation the right to enter and take possession of the Property, the right to manage and operate the same, and the right to collect Rents, in each case whether by a receiver or otherwise) are cumulative and in addition to any rights the Grantee might otherwise have, whether at law or by agreement, and may be exercised separately or concurrently and none of which shall be exclusive of any other. The Grantor further agrees that the Trustee and the Grantee may exercise any or all of its rights or remedies set forth herein without having to pay the Grantor any sums for use or occupancy of the Property.
- 4.4 Grantor's Waiver of Certain Rights. To the extent permitted by applicable law, the Grantor hereby waives the benefit of all present and future laws (i) providing for any appraisal before sale of all or any portion of the Property or (ii) in any way extending the time for the enforcement of the collection of the Obligations or creating or extending a period of redemption from any sale made hereunder.
- 4.5 Transfer of Title. Upon the completion of any sale or sales of any Property, Trustee shall execute and deliver to the accepted purchaser or purchasers a good and sufficient deed of conveyance or assignment and transfer, lawfully conveying, assigning, and transferring the Property sold, but without any covenant or warranty, express or implied.
- 4.6 Effect of Sale. Any sale or sales made by virtue of or under this Deed of Trust, whether under any power of sale herein granted or through judicial proceedings, shall, to the fullest extent permitted by law, operate to divest all right, title, estate, interest, claim, and demand whatsoever, either at law or in equity, of Trustor in and to the property so sold, or any part thereof from, through or under Trustor, its successors and assigns. The receipt by Trustee of such purchase money shall be full and sufficient discharge to any purchaser of the Property or any part thereof sold as aforesaid for the purchase money; and no purchaser or his representatives, grantees or assigns after paying such purchase money, shall be bound to see to the application of such purchase money upon or for any trust or purpose of this Deed of Trust, or in any manner whatsoever be answerable for any loss, misapplication or non-application of any such purchase money or be bound to inquire as to the authorization, necessity, expedience or regularity of any such sale.
- 4.7 Reconveyance. Upon written request of the Beneficiary and surrender of this Deed of Trust and any Notes to Trustee for cancellation or endorsement, and upon payment of its fees and charges, Trustee shall reconvey, without warranty, all or any part of the Property then subject to this Deed of Trust. Any reconveyance, whether full or partial, shall be made to the person or persons legally entitled thereto, and the recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof.

## 5. MISCELLANEOUS

- 5.1 Costs and Expenses. To the extent permitted by applicable law, the Grantor shall pay to the Trustee and the Grantee, on demand, all reasonable out-of-pocket expenses (including reasonable out-of-pocket attorneys' fees and expenses and reasonable out-of-pocket consulting, accounting, appraisal, brokerage and similar professional fees and charges) incurred by the Trustee and the Grantee in connection with the Trustee's and the Grantee's interpretation, recordation of this Deed of Trust, exercise, preservation or enforcement of any of its rights, remedies and options set forth in this Deed of Trust and in connection with any litigation, proceeding or dispute whether arising hereunder or otherwise relating to the Obligations, together with interest thereon to the extent permitted by applicable law, until paid in full by the Grantor at the highest rate set forth in any of the notes evidencing the Obligations. Any amounts owed by the Grantor hereunder shall be, until paid, part of the Obligations and secured by this Deed of Trust, and the Grantee shall be entitled, to the extent permitted by law, to receive and retain such amounts in any action for a deficiency against or redemption by the Grantor,

or any accounting for the proceeds of a foreclosure sale or of insurance proceeds.

- 5.2 Limit on Interest. If from any circumstances whatsoever, fulfillment of any provision of this Deed of Trust, any Note or any other Loan Document, at the time performance of such provision becomes due, would exceed the limit on interest then permitted by any applicable usury statute or any other applicable law, the Beneficiary may, at its option (a) reduce the Obligations to be fulfilled to such limit on interest, or (b) apply the amount in excess of such limit on interest to the reduction of the outstanding principal balance of the Obligations, and not to the payment of interest, with the same force and effect as though Trustor had specifically designated such sums to be so applied to principal and Beneficiary had agreed to accept such extra payments(s) as a premium-free prepayment, so that in no event shall any exaction be possible under this Deed of Trust or any other Loan Document that is in excess of the applicable limit on interest. It is the intention of Trustor and Beneficiary that the total liability for payments in the nature of interest shall not exceed the limits imposed by any applicable state or federal interest rate laws. The provisions of this Section shall control every other provision of this Deed of Trust, and any provision of any other Loan Document in conflict with this Section.
- 5.3 Indemnification Regarding Leases. The Grantor hereby agrees to defend, and does hereby indemnify and hold the Beneficiary, Trustee, and each of their respective directors, officers, employees, agents and attorneys (each, an "Indemnitee") harmless from all losses, damages, claims, reasonable out-of-pocket costs or expenses (including reasonable out-of-pocket attorneys' fees and expenses) resulting from the assignment of the Leases and from all demands that may be asserted against such Indemnitees arising from any undertakings on the part of the Grantee to perform any obligations under the Leases, except to the extent that such losses, damages, claims or expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of an Indemnitee. It is understood that the assignment of the Leases shall not operate to place responsibility for the control or management of the Property upon the Grantee or any Indemnitee or make them liable for performance of any of the obligations of the Grantor under Leases, respecting any condition of the Property or any other agreement or arrangement, written or oral, or applicable law.
- 5.4 [Reserved]
- 5.5 Indemnitee's Expenses. If any Indemnitee is made a party defendant to any litigation or any claim is threatened or brought against such Indemnitee concerning this Deed of Trust or the Property or any part thereof or therein or concerning the construction, maintenance, operation or the occupancy or use thereof by the Grantor or other person or entity, then the Grantor shall indemnify, defend and hold each Indemnitee harmless from and against all liability by reason of said litigation or claims, including reasonable out-of-pocket attorneys' fees and expenses incurred by such Indemnitee in connection with any such litigation or claim, whether or not any such litigation or claim is prosecuted to judgment, except to the extent that such liability is determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of an Indemnitee. The within indemnification shall survive payment of the Obligations, and/or any termination, release or discharge executed by the Grantee in favor of the Grantor.
- 5.6 Waivers. The Grantor waives notice of nonpayment, demand, presentment, protest or notice of protest of the Obligations and all other notices, consents to any renewals or extensions of time of payment thereof, and generally waives any and all suretyship defenses and defenses in the nature thereof. No delay or omission of the Grantee in exercising or enforcing any of its rights, powers, privileges, remedies, immunities or discretion (all of which are hereinafter collectively referred to as "the Grantee's rights and remedies") hereunder shall constitute a waiver thereof; and no waiver by the Grantee of any default of the Grantor hereunder or of any demand shall operate as a waiver of any other default hereunder or of any other demand. No term or provision hereof shall be waived, altered or modified except with the prior written consent of the Grantee, which consent makes explicit reference to this Deed of Trust. Except as provided in the preceding sentence, no other agreement or transaction, of whatsoever nature, entered into between the Grantee and the Grantor at any time (whether before, during or after the effective date or term of this Deed of Trust) shall be construed as a waiver, modification or limitation of any of the Grantee's rights and remedies under this Deed of Trust (nor shall anything in this Deed of Trust be construed as a waiver, modification or limitation of any of the Grantee's rights and remedies under any such other agreement or transaction) but all the Grantee's rights and remedies not only under the provisions of this Deed of Trust but also under any such other agreement

or transaction shall be cumulative and not alternative or exclusive, and may be exercised by the Grantee at such time or times and in such order of preference as the Grantee in its sole discretion may determine.

- 5.9 Severability. If any provision of this Deed of Trust or portion of such provision or the application thereof to any person or circumstance shall to any extent be held invalid or unenforceable, the remainder of this Deed of Trust (or the remainder of such provision) and the application thereof to other persons or circumstances shall not be affected thereby.
- 5.10 Complete Agreement. This Deed of Trust and the other Loan Documents constitute the entire agreement and understanding between and among the parties hereto relating to the subject matter hereof, and supersedes all prior proposals, negotiations, agreements and understandings among the parties hereto with respect to such subject matter.
- 5.11 Binding Effect of Agreement. This Deed of Trust shall run with the land and be binding upon and inure to the benefit of the respective heirs, executors, administrators, legal representatives, successors and assigns of the parties hereto, and shall remain in full force and effect (and the Grantee shall be entitled to rely thereon) until all Obligations are fully and indefeasibly paid. The Grantee may transfer and assign this Deed of Trust and deliver any collateral to the assignee, who shall thereupon have all of the rights of the Grantee; and the Grantee shall then be relieved and discharged of any responsibility or liability with respect to this Deed of Trust and such collateral. Except as expressly provided herein or in the other Loan Documents, nothing, expressed or implied, is intended to confer upon any party, other than the parties hereto, any rights, remedies, obligations or liabilities under or by reason of this Deed of Trust or the other Loan Documents.
- 5.12 Notices. Any notices under or pursuant to this Deed of Trust shall be deemed duly received and effective if delivered in hand to any officer or agent of the Grantor or Grantee, or if mailed by registered or certified mail, return receipt requested, addressed to the Grantor or Grantee at the address set forth in the Credit Agreement or as any party may from time to time designate by written notice to the other party.

This Deed of Trust and all documents which have been or may be hereinafter furnished by the Grantor to the Grantee may be reproduced by the Grantee by any photographic, photostatic, microfilm, xerographic or similar process, and any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made in the regular course of business).
- 5.15 Jurisdiction and Venue. The Grantor irrevocably submits to the nonexclusive jurisdiction of any Federal or state court sitting in Washington, over any suit, action or proceeding arising out of or relating to this Deed of Trust. The Grantor irrevocably waives, to the fullest extent it may effectively do so under applicable law, any objection it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that the same has been brought in an inconvenient forum. The Grantor hereby consents to process being served in any such suit, action or proceeding (i) by the mailing of a copy thereof by registered or certified mail, postage prepaid, return receipt requested, to the Grantor's address set forth herein or such other address as has been provided in writing to the Grantee and (ii) in any other manner permitted by law, and agrees that such service shall in every respect be deemed effective service upon the Grantor.
