This residential lease is authorized in its entirety and restated as the following:

WITNESSETH:

- A. That the Lessor(s), in consideration of the rents, covenants and agreements hereinafter provided, does hereby lease to the Lessee(s) particular real property on the Swinomish Indian Reservation, Skagit County, Washington, described on the attached Exhibit "B" which by this reference is incorporated herein as though set forth in full, subject to all easements and uses now in existence for rights-of-way and utilities, and reserving the Lessor(s) the right to grant to any public utility or government authority, including that of the Swinomish Indian Tribal Community, as now or hereafter established or enacted, such rights-of-way over, across and under said real property for lines and other transmission facilities and appurtenances for electricity, gas, telephone, cable vision, water, sewer, drainage, and similar public services and utilities and the right to enter said premises for the construction, maintenance, operation and repair of such facilities. To the extent possible, any future rights-of-ways will be granted so as not to adversely impact the Lessee's use and enjoyment of the leased premises.
- B. To have and to hold said premises, together with the rights, easements, privileges, and appurtenances belonging or of it, to Lessee(s) for the lease term years stated on the first page, in return for Lessee's payment of annual rentals during the term of the lease. The Lessee(s) shall pay rent to the LOCKBOX outlined in Section 1.7. Yearly rent is due on the 1st day of every June during the said term, together with any adjustments, as outlined in Section 1.
- C. Lessor(s) as a result of this covenants with Lessee(s) that upon payment of the rent and observance and performance by Lessee(s) of all covenants and promises contained herein, Lessee(s) shall peaceably hold and enjoy said Premises for the leased term without hindrance or interruption by Lessor(s) or any other person or persons lawfully claiming by, through or under it, except as herein expressly provided.

Section 1 RENTALS

- 1.1 Lessee(s) agrees and covenants to pay without further demand to the Secretary the rent, without offset, request, or deduction for every lease year during the term hereof, payable in advance and after that annually during the time of this lease except as from now on provided for the same to be adjusted. The rental adjustment: index method and fair market rental are subject to change—review sections 1.4 and 1.5 for additional details.
- 1.2 Annual rent must be paid in full for June 1, 2022, to May 31, 2023. In addition, the Lessee(s) warrants all associated taxes, utilities, or assessments on "*personal property*," also known as the "*improvement*," and payments will be maintained in good standing. If this lease is assigned, the Lessee(s) will pay all outstanding balances before starting the transfer request.
- 1.3 For the year 2022 and forward, the annual rent will be due on June 1st.

- 1.4 Rental Adjustment – Index Method** (*outlined in Exhibit "B"*). The rent shall be adjusted every fourth year starting June 1, 2023, for the remaining lease term. The Bureau of the Indian Affairs ("B.I.A.") will adjust the rental adjustment - index method by increasing or decreasing the most recent annual rent by a percentage calculated (Except for years 2023, 2035, 2047, 2059, 2071, 2083, and 2095.) The index method is as follows:
- a. The percentage change will be the median percentage change over four years in the land portion of the assessed value of the 253 waterfront and water view properties identified in the attached Exhibit "B." The percentage change will be the difference between:
 - (i) the assessed land values for the 253 properties as of the most recent year in which the annual rent was set, and
 - (ii) the assessed land values for the 253 properties as of the year in which the adjustment is effective. For example, the adjustment effective on June 1, 2027, will be based on the median percentage change in the assessed land values between the 2023 and 2027 tax years.
 - b. Skagit County's assessed Land Market values will be used to determine the percentage change in this process. Currently, the number of parcels used to calculate the percentage change is 253. Because of the potential changes to a parcel's status, the precise number of parcels used to determine the percentage change may vary slightly from year to year. If parcels change their use from residential, they will be deleted from the list. If any parcel is subdivided, it will be deleted from the list for the next adjustment. Still, the newly created parcels will again be included on the list as soon as Skagit County tax assessments based upon two successive physical inspections of each parcel are known.
- 1.5 Rental Adjustment – Fair Market Rental:** A rental adjustment will be performed every four (4) years during the lease term and will continue in concurrence with the original lease. On the anniversary 4th year, the B.I.A. will adjust concurrence with the Fair Market Rent or Value ("FMR" or "FMV"), reviewed and approved by the Department of Interior, Office of Appraisal Services (AVSO), or the appointed Federal Agency, handling appraising services. Landowner(s) consent for the adjustment shall be required if the adjustment would result in a decrease in fair annual rent. Rental adjustments may be disputes under 25 CFR subpart 2. (25 CFR §162.328(c) & (d)). The FMR adjustments are **2023, 2035, 2047, 2059, 2071, 2083, and 2095.**
- 1.6 Late Charge:** 30 days after becoming due, the B.I.A. will generate an invoice with the following interest of **18%** times the delinquent amount owed. Late payments are due on the 31st day from the rental due date, failure to make a payment will result in a lease violation.
- 1.7 Rental Payment:** Payment shall be made directly to the Bureau of the Indian Affairs ("B.I.A.") each year. Our preferred method of payment is electronic funds transfer payment. We will also accept: (1) Money Orders, (2) Personal Checks, and (3) Certified or Cashier's checks. We will accept third-party checks only from financial institutions or Federal Agencies. (We will NOT accept cash or foreign currency.) 25 C.F.R. § 162.325. **PLEASE DO NOT MAIL YOUR PAYMENTS TO THE PUGET SOUND AGENCY.**

Section 9 LIENS

- 9.1 Consent Required: Lessee(s) will not assign this lease in whole or part, nor sublet all or any part of the leased premises, except as provided in Section 9.2 without the approval of the Secretary and the prior written consent of the Lessor(s) in each instance, which consent shall not be unreasonably withheld. The consent by the Lessor(s) to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. This prohibition against assigning or subletting without prior written consent shall be construed to include the prohibition against any assignment or subletting by law. If this lease is assigned, or if the leased premises or any parts thereof are sublet or occupied by anybody other than Lessee(s), no such assignment, subletting, occupancy, or collection shall be deemed a waiver of this covenant, or the acceptance of the assignee, subtenant or occupant as the tenant, or a release of Lessee(s) from the further performance by Lessee(s) of covenants on the part of the Lessee(s) herein contained; furthermore, notwithstanding any assignment or sublease Lessee(s) shall remain fully liable on this lease and shall not be released from performing any of the terms, covenants, and conditions of this lease; provided, HOWEVER, that in the event the Lessor(s) approves an assignment for the entire balance of the Lessee's term then remaining, such act shall constitute a release of the Lessee(s) from performing any of the then remaining terms, covenants and conditions of the lease.

Any oral sub-tenancy created by Lessee (s) for a single, nonconsecutive term of occupancy of less than nine (9) months are exempted from the requirements of consent and fees contained herein; however, the Lessee (s) shall, in such event of the creation of any oral sub-tenancy notify the Lessor(s) and the Bureau of Indian Affairs in writing of the name, term and prior terms of such person or persons without delay. Sublease(s) shall not relieve the sub-Lessor(s) from any liability nor diminish any supervisory authority of the Secretary under this lease.

- 9.2 Consent to Mortgage: The Lessee(s) may request a leasehold mortgage without further consent. The Lessee(s) must first have an approved B.I.A. lease, and it must be recorded with B.I.A. – Land Titles and Records ("L.T.R.O.") and shown on the specific trust or restricted allotment. Lessee(s) can verify this on the B.I.A. Title Status of Record ("T.S.R."). The T.S.R. may only be requested by the Lessee(s) or the Lessor(s). The following mortgage must comply with the requirements outlined in the 25 C.F.R. Parts 162, 52 I.A.M. 4 and the encumbrance instrument; assign this lease by way of mortgage and/or encumbrance to any bank, the insurance company, or other established lending institution for borrowing capital for the sole purposes of:

- b) The construction, maintenance, enlargement, and/or betterment of the premises and/or leasehold improvements.
- c) The bona fide sale or purchase of the leasehold improvements located thereupon.

A mortgage and/or encumbrance instrument to secure refinancing of a loan for the purposes described in Section 9.2(a)(b)(c) shall also fall within this consent.

Suppose a sale or foreclosure under the approved mortgage or encumbrance occurs, and the mortgage or encumbrance is the purchaser. In that case, they may enforce such mortgage or encumbrance and acquire title in any lawful way to the leasehold and any of the mortgaged or encumbered improvements placed thereon and assign the leasehold interest without the approval of the Secretary or the consent of the other parties to the lease PROVIDED that the assignee accepts and agrees in writing to be bound by all the terms, conditions, and covenants of this lease. Suppose the purchaser is a party other than the encumbrancer. In that case, the Secretary's approval of any assignments is required, and such purchaser will be bound by the terms of this lease and assume all the obligations hereunder.

9.3 Standards for Consent: The following standards apply to lease assignments or to sublet as specified in Section 9.1, among other such reasonable ones, may be considered by Lessor(s) in determining whether or not to approve a requested assignment or subletting of all or any part of the leased premises as specified in Section 9.1:

- a) Credit rating and financial ability and resources of assignee or subtenant.
- b) Similarity of proposed assignee's or subtenant's relative ability to care, repair, improve or otherwise maintain the premises and its improvement(s).
- c) The conformity of the proposed use of the leased premises by the proposed assignee or subtenant with the use permitted herein.

9.4 Procedure: No such assignment or sublease shall be effective to transfer any interest in this lease unless the Lessor(s), Tribal Realty Office, and the Secretary shall have first received true executed copies of such proposed transfer, assignment, or sublease and all papers, documentation and other materials relating to the transfer of any interest in improvements located upon the leased premises, including the gross sales price or other consideration or value of the transfer of any interest of the Lessee(s) in the leased premises and improvements located thereon. If consent is refused, then upon the Lessee(s) request, the Lessor(s) and/or Secretary will give their reasons for such refusal.

9.5 Lessee(s) shall not permit to be enforced against the leased premises or any part thereof, any liens arising from any work performed, materials furnished, or obligations incurred by Lessee(s), and Lessee(s) shall discharge or post a bond against all such liens before any action is brought to enforce same.

Section 10 DEFAULT

10.1 It is mutually understood and agreed that if any defaults are made in the payment of rental herein provided or in the performance of the covenants, conditions, or agreement herein, or should Lessee(s) fail to fulfill in any manner the uses and purposes for which said leased premises are leased as stated, and such default shall not be cured within ten (10) days after written notice thereof if default is in the payment of rent or payment of any fee or charge required herein, or sixty (60) days after written notice thereof if default in the performance of any other covenant, condition or agreements, the Secretary shall have the right to immediately cancel this lease; and in the event of such cancellation, Lessee(s) shall have no further rights hereunder and Lessee(s) shall thereupon without delay remove themselves, invitees, and its personal effects and belongings excluding that personal

property consisting of the Lessee's improvements, dwellings, and structures, the removal for which is otherwise provided for in this lease from the leased premises and shall have no further right to claim thereto, and the Lessor(s) shall have the absolute right, without recourse to the courts, to reenter and take possession of the leased premises. The Lessor(s) shall further have all other rights and remedies as provided by law, including without limitation the right to recover damages from Lessee(s) in the amount necessary to compensate the Lessor(s) for all the detriment proximately caused by the Lessee's failure to perform the obligations under the lease or which, in the ordinary course of things, would be likely to result therefrom, including but not limited to attorney fees, storage charges, and costs and expenses of reletting, and rent for the balance of the term of this lease to the extent not received by Lessor(s) through reletting the premises.

- 10.2 It is further agreed that the Lessor(s) shall afford any mortgagee or beneficiary in any deed of trust, mortgage, or other security instruments the right to cure any default by Lessee(s) within said periods stated above after written notice to said beneficiary and any encumbrancer, as provided herein, so long as the Lessee(s) has complied with notice requirements in Section 10.1. The periods to cure shall be computed from the date of receipt by the said beneficiary by certified mail of such notices from the Lessor(s), or it returned unclaimed, the date the certified mail is returned to the Superintendent of Puget Sound Agency, Bureau of Indian Affairs.
- 10.3 In the event of the cancellation of this lease according to the provisions in this Section (10), the Lessor(s) shall have any rights to which it would be entitled in the event of the expiration or sooner cancellation of this lease.

The Lessee(s) shall assist the Lessor(s) in perfecting such personal property security interest by executing, when required by Lessor(s), all necessary financing statements.

Section 11 PERMITS AND RIGHT-OF-WAYS

- 11.1 Lessor(s) does hereby give and grant unto Lessee(s) access for ingress and egress to the premises hereby leased over and upon any roadways now or hereafter established by the Lessor(s), subject to Swinomish Tribal laws, rules, regulations, and fees regarding tideland access. Lessee(s) may also use all public roads, paths, and beaches to access Skagit Bay. Such access shall be nonexclusive, to be used in common with other Lessees of the Lessor(s) and members of the Swinomish Indian Tribal Community and said Tribal members' guests and invitees. Should Lessee(s) wish to use products for his/her personal use, the Lessee(s) is responsible for paying stumpage value as determined by the Secretary. Lessor(s), Tribe, and the B.I.A. assume no responsibility for the cost or removal of trees on leased, vacant, or unleased land.
- 11.5 Lessee(s) shall have the right to enter into agreements with public utility companies, or the Swinomish Utility Authority, to provide utility services, including, but not limited to, gas, water, electricity, telecommunications, and sewer facilities necessary for the full enjoyment of the leased premises and the development thereof in accordance with the provisions of this lease, which agreement shall be binding upon any sublessee, subtenant, or other occupants of the premises.
- 11.6 Upon entering into such agreement or agreements, the Lessee(s) shall furnish the Secretary executed copies thereof together with a plat or diagram showing the actual location of the utility lines to be constructed in accordance therewith.
- 11.7 Lessor(s) hereby consents to grant a right of way by the dedication of fee, easement, or otherwise for streets and utility facilities necessary for the full enjoyment of the leased premises and development thereof during this term lease. Such rights of way may be granted by the Secretary pursuant to the Act of February 5, 1948, and any amendments thereto, as implemented by regulations of the Secretary, 25 U.S.C. §323, *et seq.*, and the implementing regulations found at 25 C.F.R. Part 169. Suppose Lessee(s) shall elect to dedicate any such right(s) of way at any time.

In that case, Lessor(s) shall cooperate with the Lessee(s) to affect such dedication(s) in accordance with 25 C.F.R. Part 169 and shall execute such documents as may be required, provided that neither Lessor(s) nor Secretary shall bear any cost or expense in connection therewith.

Section 12 REMOVAL and TITLE TO IMPROVEMENTS

- 12.1 Structures, installations, or improvements now existing or hereafter placed on the leased premises by Lessee(s) are, shall be, and remain the personal property of the Lessee(s) and shall be removed by Lessee(s) within sixty (60) days after the expiration of the term of this lease or sooner cancellation thereof, provided the terms and conditions of this lease are current. Suppose the Lessee(s) fails to completely remove such structures, installations, or improvements within sixty (60) days. In that case, title thereto shall immediately vest in the Lessor(s) subject to any existing encumbrance. Should the Lessor(s), in his reasonable judgment, be required to remove or demolish said improvements after the expiration of the sixty (60) days' time period, then the cost thereof shall be chargeable to the Lessee(s). Lessee's obligations in this subsection will not apply when an encumbrancer takes title at a foreclosure sale or via deed instead of foreclosure. However, any other purchaser at foreclosure shall be subject to the obligations in this subsection if his/her interest in the lease subsequently expires or is canceled.
- 12.2 Machines, appliances, equipment, furniture, and fixtures of any kind now existing or hereafter placed on the leased premises by Lessee(s) shall be removed by Lessee(s) within sixty (60) days after the expiration of the term of this lease or sooner cancellation thereof; provided, HOWEVER, Lessee(s) agrees to repair any and all damages occasioned by the removal thereof. Suppose any such machines, appliances, equipment, furniture, and trade fixtures are not removed within sixty (60) days after the cancellation of this lease. In that case, the same may be considered abandoned and shall thereupon become the property of the Lessor(s) without cost to the Lessor(s) and any payment to the Lessee(s); except that the Lessor(s), at its sole option, shall have the right to have the same removed and stored at the expense of the Lessee(s).
- 12.3 During any period employed by Lessee(s) under this Section to remove structures, installations, improvements, machines, appliances, equipment, furniture, and fixtures, Lessee(s) shall pay rent to the Lessor(s) by the lease which rent shall be prorated and invoiced for that time of use.

SECTION 13 BONDS

- 13.1 Lessee(s) will provide a form of Security in an amount equal to the year's lease value set by the rent amount during the rental adjustment periods as specified in Sections 1.4 and 1.5 of this lease. The Security must be held in the name of the Bureau of Indian Affairs and remain in place for the lease term. Acceptable forms of Security include an Assignment of Savings, Surety Bond issued by a company approved by the U.S. Dept. of the Treasury, Irrevocable Letter of Credit, or Certificates of Deposit issued by a federally insured financial institution authorized to do business in the United States.

To release a form of Security, the Lessee(s) shall submit proper documentation as an Assignment or Mutual Cancellation of their lease or in written explanation to B.I.A. Puget Sound Agency. Upon receiving such a request, B.I.A. will release the Security to the Lessee(s) unless it is determined the Security must be redeemed or collected to fulfill contractual obligations or remedy a lease payment violation.

Section 14 MISCELLANEOUS

- 14.1 Acceptance of rent by Lessor(s) shall not be deemed to be a waiver by it of any breach by Lessee(s) of any covenant contained herein or of Lessor's right to reentry for breach of any condition or covenant.
- 14.2 Lessor's waiver of any breach by Lessee(s) shall not operate to extinguish the term, covenant, or condition, the breach for which it has been waived, nor be deemed a waiver of Lessor's right to declare a forfeiture or termination for any other breach thereof.
- 14.3 The words "Lessor(s)" and "Lessee(s)" used herein, or any pronouns used in place thereof shall mean and include the masculine or feminine, the singular or plural, and jointly and severally, individuals or corporations, and there and each of their respective successors, executors, administrators, heirs and assigns, and this lease and the covenants, terms, and conditions thereof shall be binding upon and insure to the benefit thereof. It is understood and agreed that the covenants and agreements hereinbefore mentioned shall extend to and be binding upon their heirs, assigns, successors, executors, and administrators of the parties of this lease.
- 14.4 Nothing in this lease shall operate to delay or prevent termination of the Federal trust responsibilities for the leased premises; HOWEVER, such termination shall not abrogate this lease.
- 14.5 Enforceability: The obligations of the Lessee(s) to the Lessor(s) are enforceable by the United States and the Lessor(s), so long as the land remains in trust or restricted status.
- 14.6 While the leased premises are in trust or restricted status, all of the Lessee's obligations under this lease and the obligations of his sureties are to the United States and the land's owner(s).
- 14.7 Amendments: Lessee(s) shall not amend this lease except in writing, providing a statement regarding what needs to be amended and requesting the B.I.A. to provide an amended draft document, as the Lessee(s) will review and apply their notarized signature and follow the list situational for consent(s). The Lessee(s) will collect Landowners' consent under the requirements in § 162.346; and B.I.A. approval of the amendment under § 162.347 and 162.348.
- 14.8 This Lease shall be valid and binding only after the approval of the Secretary.

- 14.9 No member of or delegate to Congress or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit that may arise. Still, this provision shall be construed to extend this contract made with a corporation or company for its general benefit.
- 14.10 "Secretary," as used herein, means the Secretary of the Interior or his authorized representative.
- 14.11 It is understood and agreed that violations of this lease shall be acted upon in accordance with 25 C.F.R. Part 162. Accordingly, the B.I.A. may treat any lease provision that violates Federal law as a violation of the lease (25 C.F.R. Part 162.313(e)). In addition, the B.I.A. may treat as a lease violation any failure by the Lessee(s) to cooperate with a B.I.A. request to make appropriate records, reports, or information available for B.I.A. inspection and duplication (25 C.F.R. Part 162.313(c)(6)).
- 14.12 It is understood and agreed that the Lessee(s) has no guarantee of their safety due to the erosion problems of improvements and personal property on the leased premises identified. The Lessee(s) chooses to rent this property and indemnify the Lessor(s) and the Federal Government harmless if the erodes and additional circumstances are related. The Lessee(s) acknowledge that the probability is entirely the Lessee(s) risk. The Lessor(s) and the Federal Government have no control over the erosion as natural forces control it through water, wind, ice, gravity transport rocks and soil, and nature's actions within the bay and on the lease premises. Therefore, B.I.A. may activate Emergency Action per 25 U.S.C. § 162.024 and, if applicable or notification from the Swinomish Tribes' departments in compliance with Section 4 of this lease.
- 14.13 Reservation: Lessee(s) shall use the premises exclusively for residential purposes, except as agreed to by the parties. Any rights not expressly provided are reserved by the Lessor(s). Minerals: Lessor(s) reserve all rights, as owned by the Lessor(s), to all mineral rights, including but not limited to oil, gas, or hydrocarbon substances. The Lessor(s) shall not exercise surface entry in connection with reserved mineral rights without the prior consent of the Lessee(s). Timber: Lessor(s) reserve all rights to timber and forest products on the leased premises as owned by the Lessor(s). Water: Lessor(s) reserve all rights owed by Lessor(s) to water on the leased premises, except that needed for residential purposes.
- 14.14 Historical, Archaeological, & Cultural Resources: If historic properties, archaeological resources, human remains, or other cultural items not previously reported are encountered during activity within the Leased premises, all activity in the immediate vicinity shall cease, and the Lessee(s) shall contact the B.I.A. and Swinomish Indian Tribal Community to determine how to proceed and appropriate disposition.

14.15 Death of Lessee(s):

In the event of the death of a Lessee, the B.I.A. should be notified as soon as possible.

Suppose there is more than one (1) Lessee. In that case, this living Lessee will only provide a written statement to the B.I.A. requesting an assignment to assist with administrative corrections. The residing Lessee must provide all supporting documents (i.e., *Death Certification*) to the B.I.A. for encoding updates and recording.

This lease will be automatically assigned as the administrative corrections to a Lessee's heirs or to include a Lessee's heir(s) to this lease. B.I.A. will follow what is stated in the probate order or other judgment/court order – identifying the heir(s) to the improvements owned previously by the deceased Lessee(s) on the leased premises. To assist the assignment, the new heir(s) will provide a written statement; explaining the situation and give B.I.A. a copy of their form of identification and certified copies of the following applicable documents: Last Will & Testament, Probate Order, or other Judgement/Court Order, Executorship documentation. Such lease assignment will not require additional Landowner's consent or B.I.A. approval (25 CFR 162.349(b)).

14.16 Marriage/Divorce Decree or Matrimonial Settlement Agreements:

The current Lessee may amend this lease to add a new Lessee in the event of marriage upon the written request of the current Lessee. Such request must include a copy of a certificate of marriage. Such lease amendment will not require additional Landowner's consent or B.I.A. approval.

The Lessee(s) may assign this lease to remove a Lessee in the event of divorce upon the request of the Lessee(s) wishing to be removed from the lease. A written request must be submitted and signed by all Lessee(s) agreeing to the lease and, if applicable, include a copy of the divorce decree or settlement agreement identifying the remaining Lessee as the owner of the improvements located on the leased premises. Such lease assignment will not require additional Landowner's consent or B.I.A. approval (25 CFR 162.349(b)).
