**Underground facilities.** Conduits, lines, cables for electricity; fiber optic cable and other lines, cables and facilities for communications; fixtures, attachments and any and all other facilities or appurtenances necessary or convenient to any or all of the foregoing.

Following the initial construction of all or a portion of its systems, PSE may, from time to time, construct such additional facilities as it may require for such systems.

This Easement may not be amended except by a written document executed by the authorized representatives of Owner and PSE. This Easement may be executed in counterparts, each of which shall be treated as an original for all purposes and all executed counterparts shall constitute one agreement.

**10. Warranty and Representation of Authority.** The parties each represent to the other that the person or persons executing this Easement have authority to do so and to bind the parties hereunder. All consents, permissions and approvals related to this Easement, and the obligations hereunder, have been obtained. Owner further warrants to PSE that it has the necessary right, title and interests in the Property to grant the easement rights set forth herein.

**11. Severability.** Invalidation of any of the provisions contained in this Easement, or of the application thereof to any person, by judgment or court order, shall in no way affect any of the other provisions thereof or the application thereof to any other person and the same shall remain in full force and effect. If a provision is found to be unenforceable or invalid, that provision shall be modified or partially enforced to the maximum extent permitted by law to effectuate the purpose of this agreement.

**12. Non-Waiver.** The failure of any party to insist upon strict performance of any of the terms, covenants or conditions hereof shall not be deemed a waiver of any rights or remedies which that party may have hereunder or at law or equity and shall not be deemed a waiver of any subsequent breach or default in any of such terms, covenants or conditions.
