PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is made this February 10, 2023 ("Effective Date") and is incorporated into and shall be deemed to amend and supplement the Unison Unison HomeOwner Deed of Trust and Security Agreement (the "Security Instrument") of the same date, given by THOMAS ROGER MEYER AND KATHLEEN ANN MEYER, A MARRIED COUPLE (the "Owner"), to secure Owner's obligations under that certain Unison HomeOwner Agreement made by and between Owner and Unison Agreement Corp., a corporation, its successors and assigns ("Investor") of the same date and covering the Property described in the Security Instrument and located at:

4704 Beaver Pond Dr N, Mount Vernon, WA 98274

The property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in _____ (the "Declaration"). The Property is a part of a planned unit development known as

EAGLEMONT PH 01B DIV 02

(the "PUD"). The Property also includes Owner's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Owner's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Owner and Investor further covenant and agree as follows:

A. PUD Obligations. Owner shall perform all of Owner's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Owner shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Investor and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Investor requires insurance, then: Owner's obligation under the Unison HomeOwner Agreement to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Investor requires as a condition of this waiver can change during the term of the Unison HomeOwner Agreement.

Owner shall give Investor prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Owner are hereby assigned and shall be paid to Investor. Investor shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Owner.

C. Public Liability Insurance. Owner shall take such actions as may be reasonable to ensure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Investor.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential,

payable to Owner in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Investor. Such proceeds shall be applied by Investor as provided in the Unison HomeOwner Agreement (Unison HomeOwner Covenant Agreement Section 8.17).

E. Investor's Prior Consent.
